Sex, Feminism and Lesbian Desire in Women's Magazines Kate Farhall, 2020-09-14 This book examines evolving pop culture representations of sex and relationships from the 1970s onwards to demonstrate parallels between the strength of the feminist movement and positive portrayals of women's sexuality In charting changes in the sex and relationship content of women's magazines over time this analysis reveals that despite surface level changes in sexual and relationship content the underlying paradigm of hetero monogamy remains unchanged Despite a seemingly more diverse empowered and liberated sexuality for women in contemporary magazines in reality such feminist rhetoric masks an enduring model of

sexuality which rests on women's sexual and emotional maintenance of male partners and their own self objectification and self surveillance. Where substantive changes can be identified they rise and fall in tandem with feminism. By demonstrating this empirical relationship between cultural products and feminism, organising the book validates an assumption that has rarely been tested: that a feminist social milieu improves cultural narratives about sexuality for women. *Sex, Feminism and Lesbian Desire* builds on ground-breaking feminist texts such as Susan Faludi's *Backlash* to present an empirically focused comprehensive study interrogating changes in content over the lifetime of women's magazines. By charting the representation of sex and relationships in two women's magazines, *Cosmopolitan* and *Cleo*, since the 1970s through an analysis of over 6,500 magazine pages and 1,500 articles, this timely work interrogates and ultimately complicates the apparent linear progression of feminism. This book is suitable for researchers and students in women's and gender studies, queer studies, LGBT studies, media studies, cultural studies and sociology.

Tales From The Glass Ceiling Jo Haigh, 2013-01-17. 12-14% of UK businesses are majority owned by women, a statistic that shows both the great strides women have made in business in the past two decades and how many obstacles still remain in a culture where 90% of the top roles are held by men. Jo Haigh has worked for many years in corporate finance and has experienced these obstacles and overcome them. In *Tales from the Glass Ceiling*, she offers women an inspirational guide to success in the male-dominated business world, a goal that does not mean losing your identity. Haigh offers stories of success from many different areas of business, giving advice on how to reconcile an open emotional disposition with an executive level's occasionally brutal atmosphere, how to spot the right training and development

opportunities and get them funded how to overcome resistance to female leadership and how to build manage and maintain your professional network Based on Haigh s own experience as an executive and entrepreneur and bolstered by the experiences and stories of other top women in their fields Tales from the Glass Ceiling is an indispensable resource for all women in business **Perfectly Prep** Sarah A.
