Sex toys: good or evil? Gabriel Agbo, 2019-04-20 Dealers of sex toys rake in billions of dollars every year Their products are so diversified and today are available in every part of the world Now it looks like this business of artificially or technologically satisfying sexual desires is in vogue The single married old young today patronise sex toy shops and the manufacturers wisely too are steadily churning out more alluring and sophisticated ones It seems like there will be no end to their innovative ingenuity to inventing these new instruments of sexual pleasure Today some of these toys act and behave exactly like opposite sex partners in the act True But here we want to look at the origin intentions and effects of these toys on the users especially the spiritual and psychological implications Sex toys are not new They have a long history that started with the use of carved objects that represented the penis The ancient Roman Greek Chinese Asian Indian had these objects carved out of stones iron gold wood and other materials that were used to drive masturbation Some of them like the Greek also had worship of sex gods and goddesses where these objects are displayed used and other sexually immoral acts were extensively promoted including sex with demons and spirits So we can rightly say that the foundation of sex toys was that of the desire for unlimited pleasure and the worship of demonic gods This invention metamorphosed into other objects and in the 20th century we saw the first electric vibrator invented Since then it has been a deluge of these manual and later sophisticated instruments of sexual pleasure Some of them winking and talking Wow Now is sex toy in the original plan of God And since sexual relationship is a physical emotional and spiritual connection does it have any spiritual and emotional side effect First sex toys were not in the original plan of God What is the connection between using these toys and encounters with sex demons Incubus and Succubus spirit wives and husbands demonic and dream sex attacks problems in relationship and life etc This book will open your eyes to all these Translator Gabriel Agbo PUBLISHER TEKTIME

Instruments of Pleasure Rachel Kramer Bussel,2012-11-15 I can't think of a better way to add more fun to sex than sex toys after all the word toy is right there and today's sex toys come in all sorts of playful designs from Hello Kitty vibrators to sparkly harnesses light smackers to heavy paddles Whatever you can dream of you can probably find or make your own The very special stories in *Instruments of Pleasure* highlight the many ways we use sex toys to make our fantasies come true Sometimes there's a lesson involved such as *Like This* where a woman uses what many consider the Cadillac of vibrators the ultra powerful plug in vibe Hitachi Magic Wand or electric miracle in the story to show her lover exactly what she does when she's alone For others toys are part of BDSM play especially spanking and you can read about the intense strokes of a cane in *Getting It Right* and the power of The Spanking Machine The dildo in *A Girl Two Guys* and a Sex Toy almost makes it a foursome while in *The London O* using a pair of remote controlled panties with a built in vibrator in public brings new heights to the thrill of sightseeing In *Strapped* and *The Inner Vixen* women take charge using a strap on dildo and harness and a whip respectively exulting in the power they hold and the delight their partner gets in being on the receiving end Other times rather than adding sensation we take away a sense such as the use of a blindfold in *Princess* Without being able to see the heroine can simply feel In *The Apiary* there are multiple toys including a collar and chains but the main toy is a chair a piece of furniture that can be surprisingly erotic if you use your imagination I hope these stories serve as their own kind of sex toy for you and inspire you to break out your favorite toy or perhaps discover a new one You can never have too many sex toys or have too much fun with them
