Castle Rackrent to Castle Dracula Paul E. H. Davis,2011 Paul E H Davis and the Irish Land Question In his challenging new book Paul E H Davis offers an entirely new critique of how novelists in nineteenth century Ireland had to act both as writers and historians in their attempts to find a solution to what became the Irish Land Question Challenging the widely held nationalist view that Irish novelists of this period had little or nothing to offer Davis slots these castaway novelists into a new identifiable category the agrarian novelists The book is divided into three parts Part One considers novelists writing between the Union and the Famine Maria Edgeworth Gerald Griffin John and Michael Banim and William Carleton Part Two looks at how the agrarian novel emigrates with reference to the novels of Charles Kickham and to the Irish novels of Anthony Trollope Part Three considers how some agrarian novelists specifically Thomas Moore and Bram Stoker felt the solution lay not in the real world but in the world of fantasy An exceptional book on why the agrarian novelists deserve to be valued for their unique perception of Ireland in the nineteenth century *Misery and Ecstasy* Murphy Wallace,2024-11-26 I m broken Haunted by

[Sex Outside the Lines](#) Chris Donaghue,2015-07-14 It s socially acceptable to spend a day watching sports or sitcoms but it s shameful and embarrassing to admit to the same about erotic media Why is it that sex is so often deemed inappropriate and considered something we must keep private or even ignore Our culture is afraid of sex We feel the need to label what is normal and what isn t and as a result we live in a relational and sexually unhealthy culture In reality far more harm is caused by labeling sexual expression as obscene than by celebrating it In Sex Outside the Lines Authentic Sexuality in a Sexually Dysfunctional Culture Chris Donaghue PhD explores and challenges the negative ideals that have warped society s view of sex Sex Outside the Lines is not a dogmatic rule book but a valuable guide to help you on your journey to sexual self discovery and most important self acceptance Donaghue encourages you to not only explore your capacity for pleasure but to be proud of it and to take a look at how you could be living In his years of training in sex and couples therapy Donaghue has developed highly successful methods for freeing clients from sexual hang ups enabling them to let go of shame and embarrassment The goal isn t to be normal there is no such thing Donaghue pulls apart cultural phobias with a sex positive therapy practice as well as a kind of sexual deprogramming that helps people see and accept that the desires they have even if they don t align with society s expectations are actually natural healthy and part of having a great sex life Sex Outside the Lines addresses our diversity challenges conventional psychiatric wisdom as classifying perfectly normal behavior as disorders and disregards conventional advice from leading experts It isn t advocating a liberal approach to modern concepts it is seeking to redefine them altogether

Desire and the Divine Kathaleen E. Amende,2013-06-10 In this groundbreaking study Kathaleen E Amende explores the works and lives of late twentieth century southern women writers to show how conservative Christian ideals of femininity shaped notions of religion sexuality and power in the South Drawing from the work of authors such as Rosemary Daniell and Connie May Fowler whose characters like the authors themselves grow up believing that Jesus should be a girl s first boyfriend Amende demonstrates many ways

in which these writers commingled the sexual and the sacred Amende also looks at the writings of Lee Smith Sheri Reynolds Dorothy Allison and Valerie Martin to discuss how southern women authors and their characters grappled with opposing cultural expectations Often in their work characters mingle spiritual devotion and carnal love allowing for salvation despite rejecting traditional roles or behaviors In Martin s *A Recent Martyr* novitiate Claire disavows southern norms of femininity courtship marriage and motherhood but submits to Jesus as she would to a husband Teenage protagonist Ninah Huff in Reynolds s *Rapture of Canaan* imagines that her out of wedlock child is the offspring of Christ because of her conviction that Jesus was present during conception Grounded in cultural and gender studies and informed by historical religious and devotional literature Amende s timely and accessible book demonstrates the tenuous divide between feminine sexuality and Christianity in a southern context
