**Sex, Feminism and Lesbian Desire in Women's Magazines** Kate Farhall,2020-09-14 This book examines evolving pop culture representations of sex and relationships from the 1970s onwards to demonstrate parallels between the strength of the feminist movement and positive portrayals of women's sexuality In charting changes in the sex and relationship content of women's magazines over time this analysis reveals that despite surface level changes in sexual and relationship content the underlying paradigm of hetero monogamy remains unchanged Despite a seemingly more diverse empowered and liberated sexuality for women in contemporary magazines in reality such feminist rhetoric masks an enduring model of

sexuality which rests on women's sexual and emotional maintenance of male partners and their own self objectification and self surveillance. Where substantive changes can be identified they rise and fall in tandem with feminism. By demonstrating this empirical relationship between cultural products and feminism, organising the book validates an assumption that has rarely been tested: that a feminist social milieu improves cultural narratives about sexuality for women. *Sex, Feminism and Lesbian Desire* builds on ground-breaking feminist texts such as Susan Faludi's *Backlash* to present an empirically focused comprehensive study interrogating changes in content over the lifetime of women's magazines. By charting the representation of sex and relationships in two women's magazines, *Cosmopolitan* and *Cleo*, since the 1970s through an analysis of over 6,500 magazine pages and 1,500 articles, this timely work interrogates and ultimately complicates the apparent linear progression of feminism. This book is suitable for researchers and students in women's and gender studies, queer studies, LGBT studies, media studies, cultural studies and sociology.

**Single Girl's Manifesta** Jerusha Stewart, 2005-11. Ever wonder why you're the last single girl among all your married girlfriends? Do you have a gorgeous, talented, witty daughter, sister or best friend who just can't seem to find the perfect mate? Don't stress; you and that fabulous woman you know have something in common with 96 million other Americans: You're single. Let's face it: if you're single, it's because you CHOOSE to be, not because you're DOOMED to be. *The Single Girl's Manifesta* is glorious vindication for those who are not held captive literally or figuratively by the tyranny of the 'We'. After author Jerusha Stewart found herself wondering about her own single status, she interviewed hundreds of compatriots across the country about their choice to remain single. Jerusha leaves no stone unturned as she explores the pleasures of single living. You may be the last single girl in your crowd, but you've saved the best for last. *The Single Girl's Manifesta* lets readers in on how to value being single. Not be daunted by dating mishaps. Manage life's milestones when you're unmarried. Banish the fear of buying a home, dining out or traipsing round the world solo. Embrace the inner truths that lead you to finally answer the question: Why am I single? This outlandish ode to singles is packed with engaging quizzes, revitalizing rituals, sizzling love letters and a killer recipe for Morning After French Toast. It's for the woman who has it all without having to tie the knot. So the next time you and your girlfriends are about to indulge in another poor single-me conversation, open this book instead and jumpstart the sensational solo life you deserve.

**Tales From The Glass Ceiling** Jo Haigh, 2013-01-17. 12-14% of UK businesses are majority owned by women, a statistic that shows both the great strides women have made in business in the past two decades and how many obstacles still remain in a culture where 90% of the top roles are held by men. Jo Haigh has worked for many years in corporate finance and has experienced these obstacles and overcome them. In *Tales from the Glass Ceiling*, she offers women an inspirational guide to success in the male-dominated business world, a goal that does not mean losing your identity. Haigh offers stories of success from many different areas of business, giving advice on how to reconcile an open emotional disposition with an executive level's occasionally brutal atmosphere, how to spot the right training and development

opportunities and get them funded how to overcome resistance to female leadership and how to build manage and maintain your professional network Based on Haigh s own experience as an executive and entrepreneur and bolstered by the experiences and stories of other top women in their fields Tales from the Glass Ceiling is an indispensable resource for all women in business Perfectly Prep Sarah A. Chase,2008-03-20 Living in a senior boys dorm at a co ed school Sarah Chase was able to witness the inner workings of student culture and power of individual agency She examines the price of privilege and uncovers how student culture reflects and perpetuates society and institutional power structures and gender ideologies
