*Mill's The Subjection of Women* Maria H. Morales, 2005-01-17 John Stuart Mill's *The Subjection of Women* is a landmark work both in the long history of women's struggles for political legal economic and personal equality and in the shorter history of rigorous intellectual analyses of women's subordination One of the lasting legacies of Mill's *The Subjection of Women* is its careful argument for the need for justice at both the public and the private levels which requires changes at the domestic level that are as radical in the 21st century as they were in the 19th The essays collected in this critical edition represent a variety of interpretations both of the kind of feminism Mill represents and of the specific arguments he offers in *The Subjection of Women* including their lexical ordering and relative merit Each selection is preceded by a brief and useful summary of the author's position intended to assist readers encountering the material for the first time

*Modern European Intellectual History* David Galaty, 2022-01-27 This non technical introduction to modern European intellectual history traces the evolution of ideas in Europe from the turn of the 19th century to the modern day Placing particular emphasis on the huge technological and scientific change that has taken place over the last two centuries David Galaty shows how intellectual life has been driven by the conditions and problems posed by this world of technology In everything from theories of beauty to studies in metaphysics the technologically based modern world has stimulated a host of competing theories and intellectual systems often built around the opposing notions of the power of the individual versus collectivist ideals like community nation tradition and transcendent experience In an accessible jargon free style *Modern European Intellectual History* unpicks these debates and historically analyses how thought has developed in Europe since the time of the French Revolution Among other topics the book explores The Kantian Revolution Feminism and the Suffrage

Movement Socialism and Marxism Nationalism Structuralism Quantum theory Developments in the Arts Postmodernism Big Data and the Cyber Century Highly illustrated with 80 images and 10 tables and further supported by an online Instructor's Guide this is the most important student resource on modern European intellectual history available today     **Henry Sidgwick - Eye of the Universe** Bart Schultz, 2004-06-07

Henry Sidgwick was one of the great intellectual figures of nineteenth century Britain. He was first and foremost a great moral philosopher whose masterwork *The Methods of Ethics* is still widely studied today. He also wrote on economics, politics, education, and literature. He was deeply involved in the founding of the first college for women at the University of Cambridge. He was also much concerned with the sexual politics of his close friend John Addington Symonds, a pioneer of gay studies. Through his famous student G. E. Moore, a direct line can be traced from Sidgwick and his circle to the Bloomsbury group. Bart Schultz has written a magisterial overview of this great Victorian sage. This biography will be eagerly sought out by readers interested in philosophy, Victorian literary studies, the history of ideas, the history of psychology, and gender and gay studies     **The Elgar Companion to Feminist Economics**

Janice Peterson, Margaret Lewis, 2001-01-01 Comprehensive reference work introducing readers to the field of feminist economics. It addresses key concepts as well as feminist economic critiques and reconstructions of major economic theories and policy debates     Ella Hepworth Dixon Valerie Fehlbau, 2017-07-05

In a career that spanned over forty years, Ella Hepworth Dixon (1857-1932) was alternately journalist, critic, essayist, short story writer, novelist, editor of a women's magazine, dramatist, and autobiographer. After an initial popularity, however, Dixon's work remained largely unread for decades. Valerie Fehlbau sheds light on Dixon's life and work and provides profound insight not only into Dixon herself but into the multifaceted character of the New Woman writer that Dixon typified     Women and The Magna Carta Jocelyne

Scutt, 2016-04-30 On the eight hundredth anniversary of the Magna Carta, *Women and the Magna Carta* investigates what the charter meant for women's rights and freedoms from an historical and legal perspective     **Trollope and the Magazines**

M. Turner, 1999-10-28 *Trollope and the Magazines* examines the serial publication of several of Trollope's novels in the context of the gendered discourses in a range of Victorian magazines including *Cornhill*, *Good Words*, *Saint Pauls*, and the *Fortnightly Review*. It highlights the importance of the periodical press in the literary culture of Victorian Britain and argues that readers today need to engage with the lively cultural debates in the magazines in order better to appreciate the complexity of Trollope's popular fiction     **The Structure of Moral Revolutions** Robert Baker, 2019-11-12

A theoretical account of moral revolutions illustrated by historical cases that include the criminalization and decriminalization of abortion and the patient rebellion against medical paternalism. We live in an age of moral revolutions in which the once morally outrageous has become morally acceptable and the formerly acceptable is now regarded as reprehensible. Attitudes toward same-sex love, for example, and the proper role of women have undergone paradigm shifts over the last several decades. In this book, Robert Baker argues that these inversions are the product of moral revolutions that follow a pattern similar to that

of the scientific revolutions analyzed by Thomas Kuhn in his influential book *The Structure of Scientific Revolutions* After laying out the theoretical terrain Baker develops his argument with examples of moral reversals from the recent and distant past He describes the revolution led by the utilitarian philosopher Jeremy Bentham that transformed the postmortem dissection of human bodies from punitive desecration to civic virtue the criminalization of abortion in the nineteenth century and its decriminalization in the twentieth century and the invention of a new bioethics paradigm in the 1970s and 1980s supporting a patient led rebellion against medical paternalism Finally Baker reflects on moral relativism arguing that the acceptance of absolute moral truths denies us the diversity of moral perspectives that permit us to alter our morality in response to changing environments

Modern Love Marcus Collins,2006-06 Private life has altered beyond all recognition during the past one hundred years Britain in 1900 was emerging from a Victorian era in which prudery patriarchal authority and pettifogging rules of etiquette were widely perceived to have circumscribed relations between men and women The twentieth century witnessed a reaction against this system of separate spheres spearheaded by reformers eager that the sexes become each other's equals and intimates *Modern Love* traces the trajectory of this new model of personal relationships over the course of the twentieth century from its emergence out of the crucible of the suffrage campaign through its reshaping by the women's liberation movement It explores its impact on smut merchants warring couples and teenagers as well as its reception by such diverse figures as Bertrand Russell and Germaine Greer It draws on sources as varied as suffragette propaganda banned sex manuals marriage counseling literature and pin up magazines Marcus Collins teaches modern British history at Emory University

**The Cambridge Companion to Mill** John Skorupski,1998-01-13 A systematic and up to date account of the many facets of Mill's thought and influence

**Key Concepts in Feminist Theory and Research** Christina Hughes,2002-09-12 This original and engaging text explores the core concepts in feminist theory This up to date text addresses the implications of postmodernism and post structuralism for feminist theorizing It identifies the challenges of this through the development of conceptual literacy Introducing conceptual literacy as a pedagogic task this text facilitates students understanding of for example The range and lack of fixity of conceptualizations and meanings of key terms The significance of theoretical framework for conceptualization of key terms The changing nature of language and the reframing of key terms in research eg the recent shift from equality to social justice The text explores these issues through six key concepts in feminist theorizing equality difference choice care time and experience Each chapter considers the varied ways in which these terms have been conceptualised and the feminist debates about these concepts Each chapter includes case studies to illustrate the application of these concepts in feminist empirical research and provides a guide to further reading This text will be an invaluable tool for students taking courses in feminist theory and research methods and students across the social sciences who are taking courses concerned with issues of gender

*Supreme Attachments* Kerry McSweeney, 2016-12-05 The Victorian poetry of sexual love between men and women has not been as fully studied as other components of the imaginative literature of the period and some of the attention it has received has been more concerned with the society and ideology of the age than with the poetry or the love This study attempts an integrated account of the three elements with particular emphasis on the close reading of poems Chapters are devoted to the distinguishing features of Victorian love poetry Browning's dramatic lyrics Tennyson's Maud and the lyrics from Princess women poets Barrett Browning Christina Rossetti and Emily Dickinson Clough's three long poems of contemporary life Meredith's Modern Love the lyrics written by Morris and Dante Rossetti during the late 1860s and early 1870s when the latter was conducting an affair with Morris' wife and two elegiac sequences the bereavement odes from Patmore's Unknown Eros and Hardy's Poems of 1912-13 A final chapter uses the love poetry of D H Lawrence to point up continuities between Victorian and later love poetry
