

SEXUAL NATURE/SEXUAL CULTURE

An Edited Book

By

Paul R. Abramson and Steven D. Pinkerton
University of Chicago Press, 1995

In this comprehensive multi-disciplinary study of human sexuality, an international team of scholars looks at the influences of nature and nurture, biology and culture, and sex and gender in the sexual experiences of humans and other primates. The central proposition is that sexual pleasure is the primary motivational force behind human sexuality - and that reproduction is simply a by-product of the pleurability of sex. The implications of this proposition are then examined at the individual, societal, and cultural levels.

Table of Contents

Introduction: Nature, Nurture, and In-Between
Paul R. Abramson & Steven D. Pinkerton

Part One: Evolutionary Origins

Sexual nature: What can we learn from a cross-species perspective?

Mary S. McDonald Pavelka

Sex as an alternative to aggression in the Bonobo

Frans B. M. de Waal

The evolution of female desire

Kim Wallen

Beauty is in the adaptations of the beholder: The evolutionary psychology of human female sexual attractiveness.

Donald Symons

Part Two: Crossroads: Biology and Behavior

Sex hormones and sexual behavior

Jean D. Wilson

Psychoneuroendocrinology and sexual pleasure: The aspect of sexual orientation

Heino F.L. Meyer-Bahlburg

The genetics of sexual orientation: From fruit flies to humans

Angela Pattatucci & Dean H. Hamer

Part Three: Cultural Dimensions

The cultural management of adolescent sexuality

Sexual Nature Sexual Culture

Paul R. Abramson, Steven D. Pinkerton

Sexual Nature Sexual Culture:

Sexual Nature/Sexual Culture Paul R. Abramson, Steven D. Pinkerton, 1995-06 In this multidisciplinary study of human sexuality an international team of scholars looks at the influences of nature and nurture biology and culture and sex and gender in the sexual experiences of humans and other primates Using as its center the idea that sexual pleasure is the primary motivational force behind human sexuality and that reproduction is simply a byproduct of the pleasurable of sex this book examines sexuality at the individual societal and cultural levels Beginning with a look at the evolution of sexuality in humans and other primates the essays in the first section examine the sexual ingenuity of primates the dominant theories of sexual behavior the differences in male and female sexual interest and behavior and the role of physical attractiveness in mate selection The focus then shifts to biological approaches to sexuality especially the genetic and hormonal origins of sexual orientation gender and pleasure The essays go on to look at the role of pleasure in different cultures Included are essays on love among the tribespeople of the Brazilian rain forest and the regulation of adolescent sexuality in India Finally several contributors look at the methodological issues in the study of human sexuality paying particular attention to the problems with research that relies on people's memories of their sexual experiences The contributors are Angela Pattatucci Dean Hamer David Greenberg Frans de Waal Mary McDonald Pavelka Kim Wallen Donald Symons Heino Meyer Bahlburg Jean D Wilson Donald Tuzin Lawrence Cohen Thomas Gregor Lenore Manderson Robert C Bailey Alice Schlegel Edward H Kaplan Richard Berk Paul R Abramson Paul Okami and Stephen D Pinkerton Spanning the chasm of the nature versus nurture debate Sexual Nature Sexual Culture is a look at human sexuality as a complex interaction of genetic potentials and cultural influences This book will be of interest to a wide range of readers from scholars and students in psychology anthropology sociology and history to clinicians researchers and others seeking to understand the many dimensions of sexuality If we ever expect to solve the sexually based problems that modern societies face we must encourage investigations of human sexual behavior Moreover those investigations should employ a broad range of disciplines looking at sex from all angles which is precisely what Sexual Nature Sexual Culture does Mike May American Scientist This timely and relevant book reminds us that we cannot rely on simple solutions to complex problems It represents a transdisciplinary approach integrating knowledge from diverse fields and provides the reader with a challenging and rewarding experience Especially for those who are involved in teaching human sexuality to medical students and other health care professionals this book is highly recommended Gerald Wiviott M D Journal of Nervous and Mental Disease In short this volume contains much to stimulate inform and amuse in varying proportions What more can one ask Pierre L van den Berghe Journal of the History of Sexuality the book succeeds in bring together some of the sharpest thinkers in the field of human sexuality and goes a long way toward clarifying the diverse perspectives that currently exist David M Buss and Todd K Shackelford Quarterly Review of Biology

Sexual Cultures and Migration in the Era of AIDS Gilbert Herdt, 1997-05-29 Sexual Cultures and Migration in the Era of AIDS is the first demographic anthropological study of what happens to sexual behaviour and the rules of risk taking in sexual encounters when people migrate from countryside to city from one city to another or from one country to

another culture It represents a milestone in the study of cross cultural sexuality and sexually transmitted diseases At the foreground of the study are commercial sex and prostitution sexual tourism heterosexual marriage and social pressure and homosexuality and bisexuality in emerging sexual cultures The volume brings together quantitative and qualitative case studies by an international panel of anthropologists demographers and sociologists aimed at better understanding the impact of human movement and mobility on sexual change and fertility *Schooling Sexual Cultures* Louisa Allen,2017-03-31

Moving beyond the traditional focus on curriculum and pedagogy this volume explores hidden dimensions of sexuality education in schools and how sexual meanings are produced Challenging the standard understandings of sexuality education Allen discusses how students knowledge of sexualities is often learnt outside the official school curriculum in informal spaces such as the sports field gym locker rooms and peer groups By employing visual methods and analysing student photo diaries Allen s original book captures a sexual culture of schooling that allow readers to literally see through young people s eyes Introducing theoretical ideas in relation to queer theory and new feminist new materialisms this volume calls for a re conceptualization of how sexuality comes into being at school in order to take account of its material spatial and embodied elements **Sexual Ideology and Schooling** Alexander McKay,1999-11-04

Sexuality education in the schools has become a key battleground in the wider social conflict over the sexual norms of Western culture In *Sexual Ideology and Schooling* Alexander McKay conceptualizes the sexuality debates as a battle between two basic but diametrically opposed belief systems about the nature and purpose of sexuality in human life and society Restrictive and Permissive He outlines the philosophical moral foundations of a democratic approach to teaching young people about sexuality and persuasively argues that public institutions including the schools should base public policy related to sexuality on democratic principles rather than the dictates of sexual ideology *Sexual Cultures in Europe* Franz Eder,Gert Hekma,Lesley A. Hall,1999

Providing an overview of the key themes in the history of European sexual cultures this text covers issues such as religion sexuality sexual education sexual disease same sex relationships pornography failed fertility abortion *With Pleasure : Thoughts on the Nature of Human Sexuality* Paul R. Abramson Professor of Psychology,Los Angeles Steven D. Pinkerton Post-doctoral Fellow both of the University of California,1995-11-09

Challenging everything from the mandates of the Catholic Church to the hotly debated ethics of pornography and from the controversy surrounding gay rights to issues of gender and feminism *With Pleasure* explores a new theory of human sexuality that ignites every hot topic in the public domain What role authors Paul Abramson and Steven Pinkerton ask does sexual pleasure play in our lives Is the pursuit of sexual enjoyment in our blood Our brains Our very nature Regardless of the source it can be agreed that the joys of sex are widely appreciated Why then is pleasure so often overlooked in discussions of sexual behavior and why do cultural historical and religious treatises so often fail to emphasize or outright ignore this obvious aspect of human sexuality Responding to these and many other questions about our most private affairs *With Pleasure* provides a profoundly original challenge to the cherished truisms of human

sexuality Abramson and Pinkerton proclaim the paramount importance of pleasure while at the same time overthrowing traditional ideas about gender pornography contraception homosexuality abortion and much more Supported by rigorous research and co written by one of the foremost authorities on sex With Pleasure argues that human sexuality cannot be understood if its significance is limited to reproduction alone The authors posit that in humans reproduction itself occurs as a byproduct of pleasure not the other way around and that it is the strong drive for pleasure that makes people overcome many obstacles and even life threatening dangers such as AIDS to have sex Ranging from discussions about the church to current debates about pornography and from evolutionary theory to questions about the future of sex and pleasure Abramson and Pinkerton argue persuasively that the pleasurable of sex cannot be restricted to purely reproductive behavior With Pleasure advances a startling and original new theory about human sexuality one which the authors believe will replace all existing notions about sex The book standing in direct and deliberate opposition to traditions that try to confine sexuality to procreation is sure to ignite a firestorm of controversy Sexual Cultures and the Construction of Adolescent Identities

Janice Irvine,2009 Adolescent sexual awakening is reevaluated in terms of social and cultural influences **Handbook of Sexual and Gender Identity Disorders** David L. Rowland, Luca Incrocci,2008-02-13 Complete coverage of The Handbook of Sexual and Gender Identity Disorders provides authoritative coverage of the etiology diagnosis and treatment of three major DSM IV TR classificationsof sexual disorders and gender identity disorders sexualdysfunctions gender identity disorders and paraphilias atypicalsexual behaviors The first internationally contributed handbook of its kind thispractical guide provides mental health professionals as well asmedical professionals with the latest information in theunderstanding and treatment of sexual problems and gender identityrelated disorders Covering both the medical and mental healthrelated aspects of sexual dysfunctions and gender identitydisorders topics covered include Male sexual arousal disorder Female desire disorder Female genital pain and its treatment Aging and sexuality Disease and sexuality Gender identity disorders in adults Cross cultural issues in gender identity disorders Paraphilic sexual disorders Sexual addiction Legal and privacy issues surrounding paraphilias An insightful and unique resource the Handbook of Sexual andGender Identity Disorders prepares mental health and medicalprofessionals to more skillfully and compassionately recognize andaddress the sexual issues of those who seek their help

Sambia Sexual Culture Gilbert Herdt,1999-06 This collection of essays on the sexual culture of the Sambia of Papua New Guinea examines fetish and fantasy ritual nose bleeding the role of homoerotic insemination the role of the father and mother in the process of identity formation **Children, Sexuality, and the Law** Sacha M. Coupet, Ellen

Marrus,2015-05-22 American political and legal culture is uncomfortable with children s sexuality While aware that sexual expression is a necessary part of human development law rarely contemplates the complex ways in which it interacts with children and sexuality Just as the law circumscribes children to a narrow range of roles either as entirely sexless beings or victims or objects of harmful adult sexual conduct so too does society tend to discount the notion of children as agents in the

domain of sex and sexuality Where a small body of rights related to sex has been carved out the central question has been the degree to which children resemble adults not necessarily whether minors themselves possess distinct and recognized rights related to sex sexual expression and sexuality Children Sexuality and the Law reflects on some of the unique challenges that accompany children in the broader context of sex exploring from diverse perspectives the ways in which children emerge in sexually related dimensions of law and contemporary life It explores a broad range of issues from the psychology of children as sexual beings to the legal treatment of adolescent consent This work also explores whether and when children have a right to expression as understood within the First Amendment The first volume of its kind Children Sexuality and the Law goes beyond the traditional discourse of children as victims of adult sexual deviance by highlighting children as agents and rights holders in the realm of sex sexuality and sexual orientation

Same Sex, Different Cultures Gilbert H Herdt, 2018-05-15 Because homoerotic relations can be found in so many cultures Gilbert Herdt argues that we should think of these relations as part of the human condition This new cross cultural study of gays lesbians and bisexuals around the world Same Sex Different Cultures provides a unique perspective on maturing and living within societies both historical and contemporary that not only acknowledge but also incorporate same gender desires and relations Examining what it means to organize sex in a society that lacks a category for sex or to love someone of the same gender when society does not have a homosexual or gay lesbian role Herdt provides provocative new insights in our understanding of gay and lesbians lives Accurate in both its scientific conceptions and wealth of cultural and historical material examples range from the ancient Greeks and feudal China and Japan to the developing countries of Africa India Mexico Brazil and Thailand from a New Guinea society to contemporary U S culture including Native Americans For all of these peoples homoerotic relations emerge as part of culture and not separate from history or society In many of these groups loving or engaging in sexual relations is found to be the very basis of the local cultural theory of human nature and the mythological basis for the cosmos and the creation of society The mistake of modern Western culture Gilbert contends is to continue the legalization of prejudice against lesbians and gays In this light the book addresses the issue of universal versus particular practices and reveals positive role models that embrace all aspects of human sexuality Finally it offers knowledge of the existence of persons who have loved and have been intimate sexually and romantically with the same gender in other lands through divergent cultural practices and social roles The most important lesson to learn from this cross cultural and historical study of homosexuality is that there is room for many at the table of humankind

Sexuality and Law in the Torah Hilary Lipka, Bruce Wells, 2020-03-19 This book examines many of the laws in the Torah governing sexual relations and the often implicit motivations underlying them It also considers texts beyond the laws in which legal traditions and ideas concerning sexual behavior intersect and provide insight into ancient Israel s social norms The book includes extended treatments on the nature and function of marriage and divorce in ancient Israel the variation in sexual rules due to status and gender the

prohibition on male with male sex and the different types of sexualities that may have existed in ancient Israel The essays draw on a variety of methodologies and approaches including narrative criticism philological analysis literary theory feminist and gender theory anthropological models and comparative analysis They cover content ranging from the narratives in Genesis to the laws of Exodus Leviticus and Deuteronomy to later re interpretations of pentateuchal laws in Jeremiah and texts from the Second Temple period Overall the book presents a combination of theoretical discussion and close textual analysis to shed new light on the connections between law and sexuality within the Torah and beyond **The Sexual Self**

Michael S. Kimmel,2007 Abstract **True Nature** Michael R. Kauth,2012-12-06 I have long been awe struck by authors claims that their books had been in the making for 5 or 10 or even 15 years I now have a better appreciation of the work involved in bringing a book to press The seeds of this project have had a long germination The impetus for this book began more than 10 years ago when I was a graduate student in clinical psychology Having an interest in human sexuality and in theories on the forms of sexual attraction specifically I was perplexed by various perspectives on this subject Disciplines of thought that I encountered medicine evolutionary biology developmental psychology gay lesbian theory social constructionism anthropology Marxism Christianity and others perceived the issue so differently so strongly with almost no overlap I was fascinated that the question of how and why one is attracted to either one or both sexes could elicit such conviction and divergent points of view There seemed to be no easy way to resolve these differences Still what frustrated me most in my readings were several conceptual problems among the two prominent proponents of contemporary sexuality theory scientists and social constructionists One of my first frustrations with biomedical and social scientists who write about sexuality was that they often define sexual attraction in strict behavioral terms as completed observable sexual acts observable in the sense that such acts or their consequences are seen by others **Culture, Society And Sexuality** Peter Aggleton, Richard Parker,2002-01-04 Since the beginnings of time people have been interested in sex the form it takes the pleasure it can give the circumstances in which it occurs and what it means both for the individuals concerned and to society more generally Often seen as a synonym for love sometimes as an expression of power and infrequently as a means of exploitation and abuse sex is a complex and multi faceted aspect of human behaviour that has been written about by numerous writers and theorists worldwide This book offers an introduction to the central debates in sexuality research Among the issues examined are the social and cultural dimensions of sex human sexuality and sex research It will be of use to students of sociology cultural studies and health and behavioural studies **Technologies of Sexuality, Identity and Sexual Health** Lenore Manderson,2012 Technologies of Sexuality Identity and Sexual Health highlights the complex ways in which sexuality is expressed and enacted through local ideologies global identities and material cultures and their influence on people s sexual health and well being Its impetus is the renewed interest in technology and the social life of things including pharmaceuticals expanded sexual and related surgery the growing exploitation of markets for sexual and

contraceptive products and the impact of these on sexual and health practices and outcomes Organised loosely into three parts the opening chapters concentrate on female contraception its availability and the varied cultural significance attached to the ability to control its use exploring the politics of reproductive health and birth control and the ties between technology and power The middle section turns its attention to men and the impact of traditional and contemporary concerns about masculinity and the social and sexual roles of men The final chapters look at the commonalities across cultural borders and sexual gendered identities how products and procedures travel not only through the formal channels of globalisation but also informally carried by individuals across cultural and social boundaries through sexual social and commercial interactions The volume brings together anthropologists sociologists and cultural studies scholars both senior and emerging from around the globe Offering an important and topical contribution to the developing global literature on sexuality sexual identity culture and health it is of interest to researchers and advanced students in these areas

Handbook of the Evolution of Human Sexuality Michael R. Kauth, 2013-01-11 Expand your knowledge with theories and concepts that may challenge your assumptions about sexual attraction Human sexuality can be better understood by knowing how sexual psychologies may have evolved throughout the ages Handbook of the Evolution of Human Sexuality presents a detailed examination of human sexuality the assumptions about concepts and terms pertaining to sexuality and the latest theories on the evolution of human sexual attraction Leading experts explore various aspects of evolutionary theory with a focus on Evolutionary Psychology EP Discussions include mate preferences mating behavior mate signaling pheromones and same sex attraction This comprehensive source also presents three groundbreaking theories of the evolution of same sex attraction Handbook of the Evolution of Human Sexuality takes current assumptions about human sexuality explains each in turn and then offers fresh perspectives on conventional concepts of sexual orientation This extensive resource provides ample evidence to argue that researchers should investigate sexual relationships based on a person's characteristics such as personal traits complementary roles status sexual acts or situational context rather than simply the sex of the partner The book provides a discussion of evolutionary theory evolution of human sexual culture evolution of sexual pleasure and detailed analysis of assumptions about sexual orientation The text is carefully referenced Some of the topics explored by Handbook of the Evolution of Human Sexuality include links to non human primate sexual behaviors and the emergence of human sexual nature EP research on consensual adult human sexual behaviors studies of evolved male and female mating strategies mate preferences and sexual psychologies a brief history of the theory of evolution ancient culture archeology and an overview of premodern human sexuality evolutionary history of sexual pleasure human mating strategies development of mate preferences sexual signals such as distinctive physical features material wealth etc theories of the evolution of same sex sexual attraction and behavior Primatologist Paul Vasey's observations of female Japanese macaques and their female female sexual encounters with an examination of human male male behavior evolutionary history of female female affectional

bonding with a new theory on the behavior evolutionary history of male male sexual behaviorwith intriguing thoughts on why it happened evolutionary history of pheromones as chemical messengers much more Handbook of the Evolution of Human Sexuality is an important thought provoking resource perfect for evolutionary psychologists sexologists educators researchers scholars and graduate students How Sexual Desire Works Frederick Toates,2014-09-18 Shows how the diversity of sexual desires both normal and unusual emerge from the interactions between underlying brain processes

Sexual Selection and the Origins of Human Mating Systems Alan F. Dixon,2009-05-14 This book demonstrates how detailed comparative analyses of the anatomy reproductive physiology and behaviour of non human primates and other mammals can offer profound insights into the origins of human sexual behaviour

Sexual Nature Sexual Culture Introduction

Sexual Nature Sexual Culture Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Sexual Nature Sexual Culture Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Sexual Nature Sexual Culture : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Sexual Nature Sexual Culture : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Sexual Nature Sexual Culture Offers a diverse range of free eBooks across various genres. Sexual Nature Sexual Culture Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Sexual Nature Sexual Culture Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Sexual Nature Sexual Culture, especially related to Sexual Nature Sexual Culture, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Sexual Nature Sexual Culture, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Sexual Nature Sexual Culture books or magazines might include. Look for these in online stores or libraries. Remember that while Sexual Nature Sexual Culture, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Sexual Nature Sexual Culture eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Sexual Nature Sexual Culture full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Sexual Nature Sexual Culture eBooks, including some popular titles.

FAQs About Sexual Nature Sexual Culture Books

1. Where can I buy Sexual Nature Sexual Culture books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Sexual Nature Sexual Culture book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Sexual Nature Sexual Culture books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Sexual Nature Sexual Culture audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Sexual Nature Sexual Culture books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
