Sexual Orientation And Human Rights In American Religious Discourse:

Sexual Orientation and Human Rights in American Religious Discourse Saul M. Olyan, Martha C. Nussbaum, 1998-07-02

Sexual orientation is a topic of intense debate within America's religious traditions. These discussions have had a significant impact on the formation of public policy as speakers who locate themselves squarely within religious traditions have articulated positions on both sides in recent arguments concerning gays in the military, civil rights protections for gays and lesbians, gay marriage, parenting and foster parenting, and benefits for partners of gay and lesbian employees of major corporations and institutions. This volume, which stems from a 1995 conference at Brown University, aims to promote both academic and public understanding of the different positions that exist on sexual orientation and its public policy dimensions within four major American religious traditions. Writers from within the Jewish community, the Roman Catholic church, Mainline Protestant churches, and African American churches explore the history and tradition of their communities on same sex orientation, discuss the moral stance they advocate, and consider the legal and public policy implications of that stance. For each of these traditions, two opposing views are represented, and a respondent frames the issue in a larger context. The book concludes with essays by Michael McConnell and Andrew Koppelman exploring how our society might find a *modus vivendi* in a state position of neutrality on the moral status of homosexuality. This book will appeal to a broad range of readers interested in these crucial issues and in the role the religious communities play in these debates while helping to foster the climate for a more reasoned and civil dialogue.

Sexual Orientation & Human Rights in American Religious Discourse Saul M. Olyan, 1998

The Catholic Church, Morality, and Politics Charles E. Curran, Leslie Griffin, 2001. A collection of articles that looks at the interconnected relationships involving religion, morality, and public policy from a variety of opinions and voices.

Rethinking Sexual Identity in Education Susan Birden, 2005. Rethinking Sexual Identity in Education responds to the wide spread abuse of lesbian, gay, bisexual, transgender, and questioning persons (LGBTQs) in diverse educational environments by utilizing published narratives of LGBTQs' educational experiences. Conceptualizing a praxis for LGBTQ allies to use in teaching and learning about sexual identity in ways that can transform educational practices and policies, this work bridges gaps between theory and practice, liberal and postmodern thought, invention and intervention. Handbook of Lesbian and Gay Studies Diane Richardson, Steven Seidman, 2002-09-25. The creation of a new field of lesbian and gay studies over the past thirty years has been a fascinating project. This volume brings together key authors in the field in 26 major essays and provides a clear sense of just how much has been achieved. It is a guide to the state of the art and invaluable for scholars throughout the world. Ken Plummer, Professor of Sociology, University of Essex, and Editor of *Sexualities*. This book is unique in lesbian and gay studies. From politics to health, cyber queers to queer families, the review essays in this volume cover all the important bases of GLB history and politics. The Introduction is a simple and accessible overview of the changing faces of theory and research over many decades. This book

is bound to be an important resource in a burgeoning field Janice Irvine Associate Professor of Sociology University of Massachusetts Amherst *The Handbook of Gay and Lesbian Studies* assembled by two leading theorists of sexuality makes available more than two dozen new cutting edge essays in gay studies Essential for social science scholars and students of gay queer studies David F Greenberg Professor of Sociology New York University With this benchmark work lesbian and gay studies comes of age Drawing from a rich team of global contributors and carefully structured to elucidate the core issues in the field it constitutes an unparalleled resource for teaching research and debate The volume is organized into 4 sections History and Theory This covers the roots of lesbian and gay studies the institutionalization of the subject in the Academy the naturalness of heterosexuality science and sexuality the comparative sociology of homosexualities and the heterosexual homosexual division Identity and Community This examines the formation of gay and lesbian identities communities and movements cyber queer research sexuality and space generational issues in lesbian and gay lifecycles and the subject of bisexuality Institutions This investigates questions of the governance of sexualities lesbian and gay health sexualities and education religion and homosexuality homosexuality and the law gay and lesbian workers homosexuality and the family and lesbian gay and queer encounters with the media and popular culture Politics This explores the formation of the gay and lesbian movements impact of globalization antigay and lesbian violence nationalism and transnationalism in lesbian and gay studies and sexual citizenship The result is an authoritative book that demarcates the field stimulates critical discussion and provides lesbian and gay studies with an enriching focal reference point It is quite simply a breakthrough work that will galvanize discussion and research for years to come

Media Messages Linda Holtzman, Leon Sharpe, 2014-03-15 The new edition of this widely acclaimed book reveals how the popular media contributes to widespread myths and misunderstanding about cultural diversity Along with updated media examples expanded theories and analysis this edition explores even more deeply the coverage of race in two chapters discusses more broadly how men and boys are depicted in the media and socialized and how class issues have become even more visible during the Great Recession of the 21st century and the Occupy movements

107-1 Hearings: Confirmation Hearings on Federal Appointments, S. Hrg. 107-584, Part 5, August 1, 2002, Etc., *, 2003

"I Could Not Speak My Heart" University of Regina. Canadian Plains Research Center, 2004 This anthology of 19 articles documents the pain misunderstanding that lesbian gay bisexual transgendered people have experienced in the very recent past and demonstrates the real progress both in theory in practice that has been made in the struggle for equity social justice The articles include autobiography testament fiction poetry and traditional personal analytic essays from authors with different intellectual perspectives human rights social reform human justice feminist liberationist and queer theory

Core Concepts and Contemporary Issues in Privacy Ann E. Cudd, Mark C. Navin, 2018-04-03 This book offers a comprehensive investigation of privacy in the modern world It collects 16 papers that look at this essential topic from many facets from the personal to the technological from the philosophical to the legal The

contributors examine such issues as the value of privacy protection the violation of spreading personal falsehoods the digital rights of children an individual's right to be forgotten from internet search engines and more The organization of the volume helps provide a nuanced understanding of this often controversial topic Coverage starts with key concepts before moving on to explore personal information privacy and the impact of new technologies Next the papers consider privacy in different contexts These include work sex family crime and religion This structure enables greater engagement with the difficult questions about privacy Readers will gain deep insight into the core concepts of privacy as well as its application to everyday life This interdisciplinary volume brings together an international team of scholars They provide a broad combination of expertise in law philosophy and political science Overall this thought provoking examination will appeal to interested readers in both academia and practice

Representations of Homosexuality R. Sneed, 2010-03-29 Roger A Sneed offers an alternative approach to black homosexuality for black religious scholars who have traditionally viewed homosexuality as a problem Instead by drawing on a range of black gay writers *Representations of Homosexuality* points black religious scholarship towards an ethics of openness

The Oxford Handbook of Global LGBT and Sexual Diversity Politics Michael J. Bosia, Sandra M. McEvoy, Momin Rahman, 2020 Struggles for LGBT rights and the security of sexual and gender minorities are ongoing urgent concerns across the world For students scholars and activists who work on these and related issues this handbook provides a unique interdisciplinary resource In chapters by both emerging and senior scholars the Oxford Handbook of Global LGBT and Sexual Diversity Politics introduces key concepts in LGBT political studies and queer theory Additionally the handbook offers historical geographic and topical case studies contextualized within theoretical frameworks from the sociology of sexualities critical race studies postcolonialism indigenous theories social movement theory and international relations theory It provides readers with up to date empirical material and critical assessments of the analytical significance commonalities and differences of global LGBT politics The forward looking analysis of state practice transnational networks and historical context presents crucial perspectives and opens new avenues for debate dialogue and theory

The Advocate, 2002-12-10 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States

Religion and American Cultures Gary Laderman, Luis León, 2014-12-17 This four volume work provides a detailed multicultural survey of established as well as new American religions and investigates the fascinating interactions between religion and ethnicity gender politics regionalism ethics and popular culture This revised and expanded edition of *Religion and American Cultures Tradition Diversity and Popular Expression* presents more than 140 essays that address contemporary spiritual practice and culture with a historical perspective The entries cover virtually every religion in modern day America as well as the role of religion in various aspects of U S culture Readers will discover that Americans aren't largely Protestant Catholic or Jewish anymore and that the number of popular religious identities is far greater than many would imagine And although most Americans believe

in a higher power the fastest growing identity in the United States is the none those Americans who elect none when asked about their religious identity thereby demonstrating how many individuals see their spirituality as something not easily defined or categorized The first volume explores America's multicultural communities and their religious practices covering the range of different religions among Anglo Americans and Euro Americans as well as spirituality among Latino African American Native American and Asian American communities The second volume focuses on cultural aspects of religions addressing topics such as film Generation X public sacred spaces sexuality and new religious expressions The new third volume expands the range of topics covered with in depth essays on additional topics such as interfaith families religion in prisons belief in the paranormal and religion after September 11 2001 The fourth volume is devoted to complementary primary source documents

Cyber Worship in Multifaith Perspectives Mohamed Taher, 2006 Cyber Worship in Multifaith Perspectives as is implied by its name explores worship i e Prayer Praise Scripture Sacrament Rituals Confessions Eucharist Rites Pilgrimages Reflection Contemplation etc on the Internet It is not an everything you need to know guide about the subjects of faith and belief religions online religions on the Net or religions in cyberspace Rather it is a book about religious and spiritual experience under the rubric cyber worship which is the variety of ways religious devotion is performed and carried out on the Internet The term Cyber Worship is a catchall phrase which includes variants such as online worship virtual worship electronic prayer cyber puja cyber synagogue and so on Dr Mohamed Taher has thus assembled a quick reference for two groups those communities that are involved in Cyber Worship and business Webs that collaborate in sustaining wired environments As such this book provides an interesting and current perspective on a practice that will continue to grow in the future

Sex and the contract Vincenzo Zeno-Zencovich, 2015-10-01 DOI 10.13134/9788897524458

God vs. Gay? Jay Michaelson, 2012-05-08 A passionate argument for LGBTQ equality within religious communities a book for our times and a book for the ages EDGE The myth that the Bible forbids homosexuality the myth of God versus Gay is behind some of the most divisive and painful conflicts of our day In this provocative and game changing book scholar and activist Jay Michaelson shows that the Bible does not prohibit same sex intimacy but does quite the opposite In fact the vast majority of the Bible's teachings support the full equality and dignity of LGBTQ people from the first flaw it finds in creation It is not good for a person to be alone to the way religious communities grow through reflection and conscience Michaelson argues passionately for equality not despite religion but because of it With close readings of the Hebrew Bible and New Testament the latest data on the science of sexual orientation and a sympathetic accessible and ecumenical approach to religious faith Michaelson makes the case that sexual diversity is part of the beauty of nature The recognition of same sex families will strengthen not threaten the values religious people hold dear Whatever your views on religion and sexual diversity God vs Gay is a plea for a more compassionate informed conversation and a first step toward creating one

Religion and the Law in America Scott A. Merriman, 2007-05-18 This work is a comprehensive survey of one of the

oldest and hottest debates in American history the role of religion in the public discourse The relationship between church and state was contentious long before the framers of the Constitution undertook the bold experiment of separating the two sparking a debate that would rage for centuries What is the role of religion in government and vice versa Religion and the Law in America explores the many facets of this question from prayer in public schools to the addition of the phrase under God to the Pledge of Allegiance from government investigation of religious fringe groups to federal grants for faith based providers of social services In more than 250 A Z entries along with a series of broad thematic essays it examines the groups laws and court cases that have framed this ongoing debate Through its careful balanced exploration of the interaction between government and religion throughout the history of the United States the work provides all Americans students scholars and lay readers alike with a deep understanding of one of the central enduring issues in our history

Religion and Equality Law Nelson Tebbe, 2017-07-05 The essays selected for this volume address topics at the intersection of religion and equality law including discrimination against religion discrimination by religious actors and discrimination in favor of religious groups and traditions The introduction provides a conceptual guide to these types of inequality which are often misunderstood or conflated and it offers an analysis of different species of discrimination within each broad category Each section of the volume contains both theoretical essays which set out frameworks for thinking about the relevant type of inequality and essays that examine real world disputes For example the articles address the conflicts over headscarf laws in France and Turkey the place of so called traditional religions in Africa the display of Roman Catholic crucifixes in Italian classrooms and the ability of American religious organizations to be free of employment laws in their treatment of clergy This volume brings together classic articles which are otherwise difficult to access enables students to study key articles side by side and provides instructors with a valuable teaching resource

An Argument for Same-Sex Marriage Emily R. Gill, 2012-08-21 The relationship between religious belief and sexuality as personal attributes exhibits some provocative comparisons Despite the nonestablishment of religion in the United States and the constitutional guarantee of free exercise Christianity functions as the religious and moral standard in America Ethical views that do not fit within this consensus often go unrecognized as moral values Similarly in the realm of sexual orientation heterosexuality is seen as the yardstick by which sexual practices are measured The notion that alternative sexual practices like homosexuality could possess ethical significance is often overlooked or ignored In her new book An Argument for Same Sex Marriage political scientist Emily Gill draws an extended comparison between religious belief and sexuality both central components of one's personal identity Using the religion clause of the First Amendment as a foundation Gill contends that just as US law and policy ensure that citizens may express religious beliefs as they see fit it should also ensure that citizens may marry as they see fit Civil marriage according to Gill is a public institution and the exclusion of some couples from a state institution is a public expression of civic inequality An Argument for Same Sex Marriage is a passionate and timely treatment of the various

arguments for and against same sex marriage and how those arguments reflect our collective sense of morality and civic equality It will appeal to readers who have an interest in gay and lesbian studies political theory constitutional law and the role of religion in the contemporary United States **Public Theology for a Global Society** Deidre King Hainsworth, Scott R. Paeth, 2010 In these essays honoring ethicist Max Stackhouse leading Christian scholars consider the historical roots and ongoing resources of public theology as a vital element in the church's engagement with global issues Public Theology for a Global Society explores the concept of public theology and the challenge of relating theological claims to a larger social and political context The range of essays included here allows readers to understand public theology as both theological practice and public speech and to consider the potential and limits of public theology in ecumenical and international networks The essays begin by introducing the reader to the development of public theology as an area of study and to the historical interrelationship of religious legal and professional categories The later essays engage the reader with emerging problems in public theology as religious communities encounter shifting publics that are being transformed by globalization and sweeping political and technological changes The breadth and scholarship of Public Theology for a Global Society make this volume a fitting tribute to Stackhouse a central figure in Christian ethics and pioneer in the church's study of globalization

Getting the books **Sexual Orientation And Human Rights In American Religious Discourse** now is not type of challenging means. Sexual Orientation And Human Rights In American Religious Discourse Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Sexual Orientation And Human Rights In American Religious Discourse PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational

resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Sexual Orientation And Human Rights In American Religious Discourse PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Sexual Orientation And Human Rights In American Religious Discourse free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Sexual Orientation And Human Rights In American Religious Discourse Books
