

The background of the entire slide is a close-up, soft-focus image of pink roses. The petals are layered and have a delicate texture, with some areas being more in focus than others, creating a romantic and gentle atmosphere.

# Sexual Relation In Christian Thought

**Derrick Sherwin Bailey**

## **Sexual Relation In Christian Thought:**

*Sexual Relation in Christian Thought* Derrick Sherwin Bailey, 1959 The first complete history of what Christian thinkers since St Paul have had to say about the relations between the sexes jacket     *The sexual relationship in Christian thought* Philip Sherrard, 1971     *Women in the Ancient World* John Peradotto, John Patrick Sullivan, 1984-01-01 One of the reasons for the study of the Greek and Roman classics is their perpetual relevance In no area can this position be more clearly defended than in the investigation of the feminine condition for it was here that basic attitudes derogatory to the sex were molded by legal and social systems by philosophers and poets and by the thinking of men long since gone Women in the Ancient World brings together essays that examine philosophy social history literature and art and that extend from the early Greek period through the Roman Empire Their wide range of critical perspectives throws new light on the personal political socio economic and cultural position of women     **Sex and the Constitution: Sex, Religion, and Law from America's Origins to the Twenty-First Century** Geoffrey R. Stone, 2017-03-21 A New York Times Book Review Editors Choice Selection A volume of lasting significance that illuminates how the clash between sex and religion has defined our nation s history Lee C Bollinger president Columbia University Lauded for bringing a bracing and much needed dose of reality about the Founders views of sexuality New York Review of Books Geoffrey R Stone s Sex and the Constitution traces the evolution of legal and moral codes that have legislated sexual behavior from America s earliest days to today s fractious political climate This fascinating and maddening Pittsburgh Post Gazette narrative shows how agitators moralists and especially the justices of the Supreme Court have navigated issues as divisive as abortion homosexuality pornography and contraception Overturning a raft of contemporary shibboleths Stone reveals that at the time the Constitution was adopted there were no laws against obscenity or abortion before the midpoint of pregnancy A pageant of historical characters including Voltaire Thomas Jefferson Anthony Comstock Margaret Sanger and Justice Anthony Kennedy enliven this commanding synthesis of scholarship Publishers Weekly that dramatically reveals how our laws about sex religion and morality reflect the cultural schisms that have cleaved our nation from its founding     **Christianity and Family Law** John Witte, Jr, Gary S. Hauk, 2017-10-12 The Western tradition has always cherished the family as an essential foundation of a just and orderly society and thus accorded it special legal and religious protection Christianity embraced this teaching from the start and many of the basics of Western family law were shaped by the Christian theologies of nature sacrament and covenant This volume introduces readers to the enduring and evolving Christian norms and teachings on betrothals and weddings marriage and divorce women s and children s rights marital property and inheritance and human sexuality and intimate relationships The chapters are authoritatively written but accessible to college and graduate students and scholars as well as clergy and laity While alert to the hot button issues of sexual liberty today the contributing authors let the historical figures speak for themselves about what Christianity has and can contribute to the protection and guidance of our most intimate association

**Embodiment** James B. Nelson, Few would doubt that this is a time of transition in our understanding of human sexuality. The confusion about sexual morals and mores is the more obvious evidence of this. But there is something else. For too long the bulk of Christian reflection about sexuality has asked an essentially one directional question: what does Christian faith have to say about our lives as sexual beings. The Oxford Companion to Christian Thought Adrian Hastings, Alistair Mason, Hugh S. Pyper, 2000-12-21 Embracing the viewpoints of Catholic, Protestant or Orthodox thinkers of conservatives, liberals, radicals and agnostics. Christianity today is anything but monolithic or univocal. In The Oxford Companion to Christian Thought general editor Adrian Hastings has tried to capture a sense of the great diversity of opinion that swirls about under the heading of Christian thought. Indeed the 260 contributors who hail from twenty countries represent as wide a range of perspectives as possible. Here is a comprehensive and authoritative though not dogmatic overview of the full spectrum of Christian thinking. Within its 600 alphabetically arranged entries readers will find lengthy survey articles on the history of Christian thought on national and regional traditions and on various denominations from Anglican to Unitarian. There is ample coverage of Eastern thought as well as examining the Christian tradition in China, Japan, India and Africa. The contributors examine major theological topics such as resurrection, the Eucharist and grace as well as controversial issues such as homosexuality and abortion. In addition short entries illuminate symbols such as water and wine and there are many profiles of leading theologians of non Christians who have deeply influenced Christian thinking including Aristotle and Plato and of literary figures such as Dante, Milton and Tolstoy. Most articles end with a list of suggested readings and the book features a large number of cross references. The Oxford Companion to Christian Thought is an indispensable guide to one of the central strands of Western culture. An essential volume for all Christians it is a thoughtful gift for the holidays. New Dictionary of Christian Ethics & Pastoral Theology David J. Atkinson, David F. Field, Arthur F. Holmes, Oliver O'Donovan, 2013-11-21 Encompassing a wide range of topics from the timely health care and business ethics to the traditional atonement, suffering and the kingdom of God, this work features an easy to use reference system and eighteen articles that introduce readers to key themes in moral, pastoral and practical theology. Edited by David J Atkinson and David F Field with consulting editors Arthur Holmes and Oliver O'Donovan. *Christian Perspectives on Sexuality and Gender* Elizabeth Stuart, Adrian Thatcher, 1996 This collection of articles presents a variety of broadly Christian responses to issues such as sexuality and gender, sexuality and spirituality, gay and lesbian sexuality, sexuality and violence, sexuality and singleness and the family. **Evangelical Dictionary of Theology (Baker Reference Library)** Walter A. Elwell, 2001-05-01 Fifteen years after its original publication comes a thoroughly revised edition of the *Evangelical Dictionary of Theology*. Every article from the original edition has been revisited. With some articles being removed, others revised and many new articles added, the result is a completely new dictionary covering systematic, historical and philosophical theology as well as theological ethics. **Law, Sex, and Christian Society in Medieval Europe** James A. Brundage, 2009-02-15 This

monumental study of medieval law and sexual conduct explores the origin and development of the Christian church's sex law and the systems of belief upon which that law rested. Focusing on the Church's own legal system of canon law, James A. Brundage offers a comprehensive history of legal doctrines covering the millennium from A.D. 500 to 1500 concerning a wide variety of sexual behavior including marital sex, adultery, homosexuality, concubinage, prostitution, masturbation, and incest. His survey makes strikingly clear how the system of sexual control in a world we have half forgotten has shaped the world in which we live today. The regulation of marriage and divorce as we know it today, together with the outlawing of bigamy and polygamy and the imposition of criminal sanctions on such activities as sodomy, fellatio, cunnilingus, and bestiality, are all based in large measure upon ideas and beliefs about sexual morality that became law in Christian Europe in the Middle Ages. Brundage's book is consistently learned, enormously useful, and frequently entertaining. It is the best we have on the relationships between theological norms, legal principles, and sexual practice.

**Church History** Peter Iver Kaufman, 1972

**A History of Christian Thought, from Its Judaic and Hellenistic Origins to Existentialism** Paul Tillich, 1972

Professor Tillich analyzes the development of Christian theology.

**The Catholic Church on Marital Intercourse** Robert Obach, 2008-12-16

The Catholic Church on Marital Intercourse traces the development of the Church's theology of marital sexuality from New Testament times to the present day. The early ecclesial leaders promoted a theology of sexuality based on Stoicism's biological perception that sexual activity was solely for the purpose of reproduction. Only in the early twentieth century did a few theologians begin to move beyond discussing the purposes of marital intercourse to discussing the meaning that the marital act might have for the spouses themselves. With the Second Vatican Council (1962-1965), a new and positive view of marital sexuality emerged, recognizing the Pauline view that the couple's marital acts express their love for each other along the lines of Christ's love for his church (Ephesians 5). In sum, The Catholic Church on Marital Intercourse treats the way in which the Catholic Church has moved away from an attitude of conditional acceptance of marital intercourse on the basis of its utility to recognition that the dynamics of sexual union are both good and holy, not only because that is the way children are conceived but also because the marital act enhances the love of husband and wife for each other.

**The Westminster Handbook to Patristic Theology** John Anthony McGuckin, 2004-01-01

The early centuries of the Christian era were marked by a variety of theological ideas in differing stages of development. Numerous theologians emerged with proposals about what the Christian church should believe and how theological ideas related to each other. Some of these theologians gained more prominent status, and their ideas became sources on which others built. Patristic theology is thus a formative period, a yeasty time in which theological doctrines took on many stages of complexity. This outstanding handbook by a leading specialist in Patristic Theology provides students and scholars with easy access to key terms, figures, socio-cultural developments, and controversies of this period extending to the ninth century. McGuckin's introductory essay outlines the main intellectual issues in the early church. His concluding Bibliographic Guide, Essay, and General Bibliography also

features a Website Resources Guide to assist readers with additional ways to study this period The entries are written to help those with no previous theological knowledge understand the major dimensions of each topic The result is an eminently useful reliable and unique resource      **Evangelical Dictionary of Theology** Daniel J. Treier,Walter A. Elwell,2017-11-07

This bestselling reference tool has been a trusted resource for more than 25 years with over 165 000 copies sold Now thoroughly updated and substantially revised to meet the needs of today s students and classrooms it offers cutting edge overviews of key theological topics Readable and reliable this work features new articles on topics of contemporary relevance to world Christianity and freshened articles on enduring theological subjects providing comprehensive A Z coverage for today s theology students The author base reflects the increasing diversity of evangelical scholars Advisory editors include D Jeffrey Bingham Cheryl Bridges Johns John G Stackhouse Jr Tite Ti nou and Kevin J Vanhoozer      **The Subordinated Sex**

Vern L. Bullough,Brenda Shelton,Sarah Slavin,1988-10-01 The Subordinated Sex traces the enduring powerful legacy of male attitudes toward women their sexuality and their roles as wives and mothers Traditionally the creators and chroniclers of opinion men have until recently written a history that reflects only their own convictions and impressions a history rarely punctuated by a female voice and founded on an almost universal belief in women s inferiority Acclaimed as a pioneering study when first published in 1973 Vern Bullough s work has since established itself as a standard in historical literature on women Updated and revised with Sarah Slavin and Brenda Shelton The Subordinated Sex is a vast survey ranging from prehistoric to contemporary times examining a diversity of cultures and taking into account writings from a great variety of sources From a consideration of Babylonian legal codes to Victorian prescriptive medical pamphlets medieval clerical treatises to Islamic erotic poetry Bullough and his coauthors recount not only how men have portrayed women but also how they have justified their subordination of the opposite sex In recent years women have successfully challenged males self designated role as gatekeepers of written records and have found within the past a more complete view of how women lived what they thought and what they achieved By focusing however not on women s history but on the history of men s attitudes toward their female companions The Subordinated Sex reveals more than any other single work the conditions that sparked the feminist movement and the reasons it must inspire a change in the lives of men as well as women      *Christian Theology*

Adam Harwood,2022-10-19 The church has been entrusted with God s revelation and to steward the word of truth we must confess the Bible s teaching with clarity and conviction Adam Harwood s Christian Theology is both biblically faithful and historically informed providing a fresh synthesis of the essential doctrines of the faith Writing from a Baptist perspective Harwood brings fresh insights that many systematic theologies lack With readable prose suggestions for further study and discussion questions Christian Theology will equip students and pastors to clarify and articulate what they believe and why

**The Bloomsbury Handbook of 21st-Century Feminist Theory** Robin Truth Goodman,2019-02-07 The Bloomsbury Handbook of 21st Century Feminist Theory was a PROSE Award finalist The Bloomsbury Handbook of 21st Century Feminist

Theory is the most comprehensive available survey of the state of the art of contemporary feminist thought With chapters written by world leading scholars from a range of disciplines the book explores the latest thinking on key topics in current feminist discourse including Feminist subjectivity from identity difference and intersectionality to affect sex and the body Feminist texts writing reading genre and critique Feminism and the world from power trauma and value to technology migration and community Including insights from literary and cultural studies philosophy political science and sociology The Bloomsbury Handbook of 21st Century Feminist Theory is an essential overview of current feminist thinking and future directions for scholarship debate and activism

**Orthodox Tradition and Human Sexuality** Thomas Arentzen, Ashley M. Purpura, Aristotle Papanikolaou, 2022-11-15 Sex is a difficult issue for contemporary Christians but the past decade has witnessed a newfound openness regarding the topic among Eastern Orthodox Christians Both the theological trajectory and the historical circumstances of the Orthodox Church differ radically from those of other Christian denominations that have already developed robust and creative reflections on sexuality and sexual diversity Within its unique history theology and tradition Orthodox Christianity holds rich resources for engaging challenging questions of sexuality in new and responsive ways What is at stake in questions of sexuality in the Orthodox tradition What sources and theological convictions can uniquely shape Orthodox understandings of sexuality This volume aims to create an agora for discussing sex and not least the sexualities that are often thought of as untraditional in Orthodox contexts Through fifteen distinct chapters written by leading scholars and theologians this book offers a developed treatment of sexuality in the Orthodox Christian world by approaching the subject from scriptural patristic theological historical and sociological perspectives Chapters devoted to practical and pastoral insights as well as reflections on specific cultural contexts engage the human realities of sexual diversity and Christian life From re thinking scripture to developing theologies of sex from eschatological views of eros to re evaluations of the Orthodox responses to science this book offers new thinking on pressing present day issues and initiates conversations about homosexuality and sexual diversity within Orthodox Christianity

*Slavery in Early Christianity* Jennifer A. Glancy, 2024-03-12 A classic work that exposed the centrality of enslaved people and slaveholders in early Christian circles In this expanded edition the distinguished scholar Jennifer A Glancy reflects upon recent discoveries and future trajectories related to the study of ancient slavery s impact on Christianity s development What if the stories traditionally told about slavery as something peripheral or contradictory to Christianity s emergence are wrong This book contends that some of the most cherished Christian texts from Jesus and the apostle Paul prioritized the perspectives of slaveholders Jennifer A Glancy highlights how the strong metaphorical uses of slavery in early Christian discourse can t be disconnected from the reality of enslaved people and their bodies Deftly maneuvering among biblical texts material evidence and the literary and philosophical currents of the Greco Roman world she situates early Christian slavery in its broader cultural setting Glancy s penetrating study into slavery s impact on early Christianity from the pages of the New Testament

to the branded collars used by Christians who held people in bondage will be of interest to those asking questions about slavery power and freedom in the long arc of history

Sexual Relation In Christian Thought: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the engaging narratives that have captivated audiences this year. Sexual Relation In Christian Thought : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Sexual Relation In Christian Thought : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papan, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
