

A Political Sexual Revolution: Sexual Autonomy in the British Women's Liberation Movement in the 1970s and 1980s

Abstract

In the 1970s and 1980s, women across Britain—particularly those in the Women's Liberation Movement (WLM)—took part in a distinct sexual revolution fuelled by a very specific question—who gets to determine the ways in which I am sexual? The active engagement by women with this question of sexual selfhood belies a historiography of sexual revolution—real or imagined—in which women were the passive beneficiaries (or victims) of technological, cultural, religious, social and/or, economic shifts. Drawing on the writing of women in the feminist press, mainstream media, books, and pamphlets, this article describes the specific contribution of the WLM to shaping new possibilities for a sexuality defined, and controlled, by women. I argue that the WLM combined a powerful political framework with an influential social network to significantly contribute to a far-reaching process of deconstructing and recasting female sexuality and sexual relations.

'Not long ago I made the intellectual decision to become bisexual', 25-year-old London resident Linda told *Guardian* reporter Lindsay Mackie in 1973.¹ Separated from her husband and in love with a man at the time of her interview, Linda continued: 'I am in a bit of a state of flux with this new-found independence but I feel amazingly self-contained.'

* emma.wallhead@sydney.edu.au. Many thanks to Chris Hilliard for his insightful feedback. I am also very grateful to Florence Sutcliffe-Braithwaite for asking astute questions on an early draft, together with the anonymous reviewers whose criticisms and suggestions considerably improved this article.

¹ In an account by Lindsay Mackie, 'Guardian miscellany', *The Guardian* (29 November 1973), 11.

Sexual Revolution Opposing Viewpoint

Bruno Leone, David L. Bender

Sexual Revolution Opposing Viewpoint:

Opposing Viewpoints Sources Bruno Leone, David L. Bender, 1984 *Sexual Revolution in Bolshevik Russia* Gregory Carleton, 2010-06-15 Gregory Carleton offers a comprehensive literary and cultural history of sex and society in the Soviet Union during the 1920s. The Bolshevik Revolution promised a total transformation of Russian society down to its most intimate details. But in the years immediately following 1917 it was by no means clear how this would come about. Sex and sexuality became a crucial battleground for debates about the Soviet future and literature emerged as a primary domain through which sex could be imagined and discussed. Despite optimistic claims that bolshevism would overcome bourgeois depravity, the writings of the 1920s in all genres were awash in sexual adventure, promiscuity, various chauvinisms, date and gang rape, unwanted pregnancy, and sexually transmitted diseases, as well as sex-related alcohol abuse, depression, and suicide. In discussions about sex, party officials contradicted themselves, sociologists grappled with difficult social problems, and writers experimented in fictional form with modern identities and relationships. Drawing on an uncommonly varied body of sources including novels, journals, diaries, sociological research, public health brochures, surveys, and party documents, many examined here for the first time in English, Carleton reveals the dramatic, bizarre, and intriguing ways the sexual revolution was discussed and represented. Amidst this chaos, he discerns a historical process of codification and reaction leading ultimately to the quelling of debate in the 1930s through the harsh dictates of Stalinism. *Sexual Revolution in Bolshevik Russia* challenges Western writers who portray revolutionary Russia as either prudish or hedonistic by reconstructing a fuller picture of what circulated in Bolshevik culture and why. Carleton brings a complex human dimension to the subject, demonstrating that this controversy should not be viewed as a sideshow curiosity but rather as a central aspect of the dramatic debates on early Soviet literature and culture.

Social and Sexual Revolution Bertell Ollman, 1979 The author of *Alienation* extends his original approach to social theory in this discussion of Marx's view of socialism, class analysis, and the problem of socialist consciousness, and Wilhelm Reich's contributions to the psychology of social change.

Taking Sex Differences Seriously Steven E. Rhoads, 2010-05 Most discussions of sexuality today assume that differences between men and women are insubstantial and that the boundary between the masculine and the feminine is highly porous. To reflect the idea that male and female roles have been socially constructed, they speak of gender instead of sex and ridicule the double standard of studs and sluts. Because men and women are virtually interchangeable, it is argued, men should do an equal share of domestic work so that women can compete equally with men outside the home. This vision of androgyny has compelling aspects. But Dr. Steven Rhoads finds one problem: whatever we might like to believe, sex distinctions remain a deeply rooted part of human nature. In *Taking Sex Differences Seriously*, he assembles a wealth of scientific evidence showing that these differences are hardwired into our biology. They range from the subtle (women instinctively carry babies on their left side near the maternal heartbeat) to the profound (women with higher testosterone levels are more promiscuous, more competitive, and

more conflicted about having children Rhoads explores male female disparities in aggression and dominance in sexuality and nurturing He shows how denial of these differences has affected phenomena such as the sexual revolution and fatherless families and policies such as Title IX and the call for universal day care But he also says that society is improved by discouraging some natural tendencies like men s temptation toward predatory sex and encouraging others like women s greater interest and talent in caring for babies Steven Rhoads dispels social clichs and spotlights biological realities in this provocative book Meticulously researched and elegantly written *Taking Sex Differences Seriously* is a groundbreaking look at the way we are

Victoria Woodhull's Sexual Revolution Amanda Frisken,2004-05-10 Annotation Frisken examines the life social campaigning of the flamboyant Victoria Woodhull the first woman to run for the US presidency a leading advocate for women s rights Woodhull used political theatrics to bring the subject of female sexuality before a reluctant American public

Leo Strauss and His Legacy John Albert Murley,2005-01-01 With over 10 000 entries identifying work of hundreds of Strauss s students and their students students this bibliography is the most indeed the only comprehensive guide to published writing in the tradition of Leo Strauss Murley includes Strauss s own complete bibliography and that of one of his most revered students George Anastaplo

The Long Sexual Revolution Hera Cook,2004-02-05 In this book Hera Cook traces the path of sexuality in England and shows how its route was determined by the gradual exertion of control over fertility Most sexual activity had major economic and social costs the most fundamental of which was the physical cost of children upon women s bodies Around 1800 birth rates reached historical heights Using a combination of demographic and qualitative sources Dr Cook examines the connection between the struggle to lower fertility and the increasing repression of sexuality throughout the nineteenth century Contraception became a viable option in the early twentieth century The book charts the resulting slow relaxation of attitudes to sexuality and the remaking of heterosexual physical behaviour culminating in the sexual revolution of the 1960s

The Weatherwomen Mona Rocha,2020-02-14 Assertive tough and idealistic the Weatherwomen members of the Weather Underground Organization WUO from the late 1960s were determined to stamp out sexism and social injustice They asserted that militancy was necessary in the pursuit of a socialist revolution that would produce gender racial and class equality This book excavates their long buried history and reclaims the voices of the Weatherwomen The Weatherwomen s militant feminism had many facets It criticized the role of women in the home was concerned with the subordination of women to men attacked the gender pay gap and supported female bodily integrity The Weatherwomen also refined their own feminist ideology into an intersectional one that would incorporate multiple identity perspectives beyond the white American middle class perspective In shaping a feminist vision for the WUO the Weatherwomen dealt with sexism within their own organization and were dismissed by some feminist groups of the time as inauthentic This work strives to recognize the WUO s militant feminist efforts and the agency autonomy and empowerment of its female members by concentrating on their actions and writings

Slut-Shaming, Whorephobia, and the Unfinished

Sexual Revolution Meredith Ralston, 2021-06-16 The sexual revolution is unfinished A sexual double standard between men and women still exists and society continues to punish bad girls and reward good ones Until we eliminate good girl privilege and bad girl stigma women will not be fully free to embrace their sexuality In *Slut Shaming Whorephobia and the Unfinished Sexual Revolution* Meredith Ralston looks at the common denominators between the MeToo movement the myths of rape culture and the pleasure gap between men and women to reveal the ways that sexually liberated women threaten the patriarchy Weaving in history pop culture philosophy interviews with sex workers and personal anecdotes Ralston shows how women cannot achieve sexual equality until the sexual double standard and good girl bad girl binary are eliminated and women viewed by society as whores are destigmatized Illustrating how women s sexuality is policed by both men and women she argues that women must be allowed the same personal autonomy as men the freedom to make sexual decisions for themselves to obtain orgasm equality and to insist on their own sexual pleasure Dispelling the myth that all sex workers are victims and all clients are violent *Slut Shaming Whorephobia and the Unfinished Sexual Revolution* calls out Western society s hypocrisy about sex and shows how stigma and the marginalization of sex workers harms all women

Different but Equal Kay Payne, 2001-02-28 This study presents a theoretical and practical discussion of the changes that have occurred between men and women and how the sexes relate to one another from social political and ethical perspectives Not only do men and women reflect different gender roles through communication but they are also impacted by communication about gender especially from the media Gender differences in communication have gained political importance due to the increasingly relevant issues of sexual harassment and political correctness These social and political changes have influenced our value systems and have given the study of gendered communication an ethical importance Payne argues that religious ideology is an important aspect of gendered development and that biological psychological social and cultural phenomena also affect sex roles This volume will appeal to scholars and students in the communications disciplines as well as psychologists and sociologists Organized around three major themes the construction of the gendered self the differences between men and women as they relate to one another through language power and nonverbal communication and the effects of gendered communication in leadership and the media this work covers much ground on the topic of communication between the sexes

Sexual Liberation Raymond J. Lawrence Jr., 2007-01-30 Sex sells they say but even today it is considered forbidden wrong or sinful by many in the Western world This book is an account of the strange ways sexual pleasure has been devalued even demonized in the West by the forces of Christendom and its legacy in the modern world It tells the story of how sex came to be regarded by societies throughout the ages as perverse sinful and wrong and how the motivations of a few have lasted centuries and colored our view of sex and sexuality even today Sex sells they say but even today it is considered forbidden or sinful by many in the Western world This book is an account of the ways in which sexual pleasure has been devalued and demonized in the West by the historical forces of Christendom It tells the story of how sex

came to be regarded by societies throughout the ages as perverse sinful and wrong and how the centuries old motivations of a few have persisted into modern times coloring our view of sex and sexuality to this day For good or ill Christianity has been since before the ebbing of the Roman Empire the principal bearer of public values in the western world This book traces the changes that have shaped and reshaped what is considered moral sexual behavior and immoral sexual behavior by Christians and non Christians alike Lawrence s account of the perversion of sexual values begins with the intersection of the early Jesus movement and the morality of the Greco Roman culture and empire He goes on to point out the ways Christianity and its moral code were reshaped under the impact of Constantine s adoption of Christianity as the imperial religion and how key figures of the Middle Ages generally succeeded in promoting a religion whose chief goal was the obliteration of sexual pleasure The story continues on through the ages until now This controversial look at sex and Christianity sheds new light on our views of pornography homosexuality adultery and other issues of sex and sexuality Have Sexual Values Changed in America? David L. Bender,1989 **Senior High Core Collection** Raymond W. Barber,Patrice Bartell,2007 Features annotations for more than 6 200 works in the main volume 2007 and more than 2 400 new titles in three annual supplements published 2008 through 2010 New coverage of biographies art sports Islam the Middle East cultural diversity and other contemporary topics keeps your library s collection as current as today s headlines **The Clitoris Compendium: Uncovering Pleasure, Health, and Anatomy** Helen Wright, The clitoris is a powerful yet often misunderstood part of female anatomy The Clitoris Compendium explores its anatomy purpose and role in sexual health offering insights into pleasure sensitivity and care This book is perfect for those looking to deepen their understanding of this vital part of female sexuality True Blood and Philosophy William Irwin,2011-05-04 NEW BLOOD EDITION Contains three new chapters from Season 3 This new edition is available as an E BOOK ONLY and contains three chapters not found in the print book The first look at the philosophical issues behind Charlaine Harris s New York Times bestsellers The Southern Vampire Mysteries and the True Blood television series Teeming with complex mythical characters in the shape of vampires telepaths shapeshifters and the like True Blood the popular HBO series adapted from Charlaine Harris s bestselling The Southern Vampire Mysteries has a rich collection of themes to explore from sex and romance to bigotry and violence to death and immortality The goings on in the mythical town of Bon Temps Louisiana where vampires satiate their blood lust and openly commingle with ordinary humans present no shortages of juicy metaphysical morsels to sink your teeth into Now True Blood and Philosophy calls on the minds of some of history s great thinkers to perform some philosophical bloodletting on such topics as Sookie and the metaphysics of mindreading Maryann and sacrificial religion werewolves shapeshifters and personal identity vampire politics evil desire and much more The first book to explore the philosophical issues and themes behind the True Blood novels and television series Adds a new dimension to your understanding of True Blood characters and themes The perfect companion to the start of the third season on HBO and the release of the second season on DVD Smart and entertaining True Blood and

Philosophy provides food or blood for thought and a fun new way to look at the series **Prempeh: Gender, Sexuality and Decolonization in**, 2023-06-02 Since the turn of the millennium in Ghana and in other African countries there has been a vociferous **An Analysis of Michel Foucault's The History of Sexuality** Rachele Dini, Chiara Briganti, 2017-07-12

Michel Foucault is famous as one of the 20th century's most innovative and wide-ranging thinkers. The qualities that made him one of the most read and influential theorists of the modern age find full expression in *History of Sexuality*, the last project Foucault was able to complete before his death in 1984. Central to Foucault's appeal is the creativity of his thought. Creative thinking takes many forms from redefining an issue in a novel way to making unexpected and illuminating connections. Foucault's particular talent could perhaps best be described as turning questions inside out. In the case of sexuality, for instance, his interpretation of the historical evidence led him to argue that the sexual categories that we are used to—homosexual, lesbian, straight and so on—are not natural but constructs that are products of the ways in which power and knowledge interact in society. Such categories, Foucault continues, actually serve to produce the desires they seek to name. And their creation in turn is closely linked to the power that society exerts on those who belong to different sexual groups. Foucault's ideas, familiar now, were so novel in their time that they proved highly challenging. But to see the world through Foucault's thought is to see it in a profoundly different and illuminating way, an example of creative thinking at its best.

Gender and World War II in the Yugoslav Media Iva Jelušić, 2024-12-27 This book presents an analysis of the cultural memory of women's participation in the Yugoslav People's Liberation Struggle 1941–1945 with a particular focus on the figure of the female soldier. It examines how this subject was treated in socialist Yugoslavia's popular printed press and how it contributed to the creation of the figure of the Yugoslav New Woman. By examining four popular magazines, this volume aims to reveal the variety of understandings of women's unprecedented level of wartime engagement and its relevance in creating the conditions for the emergence and development of the New Woman in socialist Yugoslavia. The book delves into the roles and societal impact of these women as portrayed in the printed press from the end of World War II until the watershed moment of socialist Yugoslavia's history, the death of Josip Broz Tito in 1980. This book is aimed at students, scholars, and researchers interested in women's and gender history in state socialist countries. Its examination of print magazines, an understudied aspect of Yugoslav media, will also be of interest to media and communication scholars.

Emotions in American History Jessica C. E. Gienow-Hecht, 2010 The study of emotions has attracted anew the interest of scholars in various disciplines, igniting a lively public debate on the constructive and destructive power of emotions in society as well as within each of us. Most of the contributors to this volume do not hail from the United States but look at the nation from abroad. They explore the role of emotions in history and ask how that exploration changes what we know about national and international history and in turn how that affects the methodological study of history. In particular, they focus on emotions in American history between the 18th century and the present, in war, in social and political discourse as well as in

art and the media In addition to case studies the volume includes a review of their fields by senior scholars who offer new insights regarding future research projects **American Political Parties Under Pressure** Chapman Rackaway, Laurie L. Rice, 2017-08-02 This book addresses the changing electoral and political circumstances in which American political parties found themselves during the 2016 election and the strategic adaptations this new pressure may require The respective establishments of both major political parties have found themselves facing serious challenges Some observers wondered if realignment was in progress and whether the parties could survive Both grounded in research and accessible to more than just academics this book provides important insights into how political parties can move forward from 2016

Decoding **Sexual Revolution Opposing Viewpoint**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its ability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Sexual Revolution Opposing Viewpoint**," a mesmerizing literary creation penned by way of a celebrated wordsmith, readers embark on an enlightening odyssey, unraveling the intricate significance of language and its enduring effect on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.

Sexual Revolution Opposing Viewpoint Introduction

Sexual Revolution Opposing Viewpoint Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Sexual Revolution Opposing Viewpoint Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Sexual Revolution Opposing Viewpoint : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Sexual Revolution Opposing Viewpoint : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Sexual Revolution Opposing Viewpoint Offers a diverse range of free eBooks across various genres. Sexual Revolution Opposing Viewpoint Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Sexual Revolution Opposing Viewpoint Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Sexual Revolution Opposing Viewpoint, especially related to Sexual Revolution Opposing Viewpoint, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Sexual Revolution Opposing Viewpoint, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Sexual Revolution Opposing Viewpoint books or magazines might include. Look for these in online stores or libraries. Remember that while Sexual Revolution Opposing Viewpoint, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Sexual Revolution Opposing Viewpoint eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Sexual Revolution Opposing Viewpoint full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer

subscription-based access to a wide range of Sexual Revolution Opposing Viewpoint eBooks, including some popular titles.

FAQs About Sexual Revolution Opposing Viewpoint Books

What is a Sexual Revolution Opposing Viewpoint PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Sexual Revolution Opposing Viewpoint PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Sexual Revolution Opposing Viewpoint PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Sexual Revolution Opposing Viewpoint PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Sexual Revolution Opposing Viewpoint PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
