## Sexual Revolution:

**Make Love, Not War** David Smith Allyn, 2001 First published in 2001 Routledge is an imprint of Taylor Francis an informa company *The Case Against the Sexual Revolution* Louise Perry, 2022-05-16 Ditching the stuffy hang ups and benighted sexual traditionalism of the past is an unambiguously positive thing The sexual revolution has liberated us to enjoy a heady mixture of erotic freedom and personal autonomy Right Wrong argues Louise Perry in her provocative new book Although it would be neither possible nor desirable to turn the clock back to a world of pre 60s sexual mores she argues that the amoral libertinism and callous disenchantment of liberal feminism and our contemporary hypersexualised culture represent more loss than gain The main winners from a world of rough sex hook up culture and ubiquitous porn where anything goes and only consent matters are a tiny minority of high status men not the women forced to accommodate the excesses of male lust While dispensing sage advice to the generations paying the price for these excesses she makes a passionate case for a new sexual culture built around dignity virtue and restraint This counter cultural polemic from one of the most exciting young voices in contemporary feminism should be read by all men and women uneasy about the mindless orthodoxies of our ultra liberal era Also available as an audiobook narrated by the author *The Sexual Revolution* Peter J. Elliott, 2023-02-20 Bishop Elliott s book is a great tool for defending Catholic sexual ethics as humane and reasonable His experience representing the Holy See at the United Nations has given him a ring side seat in the battles showing just how radical the sexual revolutionaries really are He offers a rare combination of sound theology and practical experience Provided by publisher [Sexual Revolutions](#) G. Hekma, A. Giami, 2014-05-13 Sexual Revolutions explores the sexual revolution of the late twentieth century in several European countries and the USA by engaging with themes from sexual freedom and abortion to pornography and sexual variation This work discusses the involvement of youth feminism left liberalism arts science and religion in the process of sexual change [The Sexual Revolution in Russia](#) Игорь Семенович Кош, 1995 **Sexual Revolutions** Gottfried Heuer, 2010-11-17 The ideas of psychoanalyst Otto Gross 1877 1920 have had a seminal influence on the development of psychoanalytic theory and clinical practice and yet his work has been largely overlooked For Freud he was one of only two analysts capable of making an original contribution Jung was the other and Jung called Gross my twin brother in the course of their mutual analysis This is a major interdisciplinary enquiry into the history nature and plausibility of the idea of a sexual revolution drawing also on the related fields of history law criminology literature sociology and philosophy Divided into four parts and offering an interdisciplinary and international range of contributors areas of discussion include a contemporary perspective on sexual revolutions the broad influence of Otto Gross the father son conflict a Jungian perspective on history Sexual Revolutions introduces Gross work to the academic and clinical fields of psychoanalysis and Jungian analysis Although most people associate the term with the 1960s its foundations lie in the long neglected but sensational work of the early psychoanalyst Otto Gross This book will be essential reading for all

psychoanalysts and Jungian analysts with an interest in learning more about his work      **The Sexual Revolution** Wilhelm Reich,1986-03 In this book Wilhelm Reich summarizes the criticism of the prevailing sexual conditions and conflicts as it resulted from his sex economic medical experiences over a period of years      **Polish Sexual Revolutions** Anna Dobrowolska,2025-08-05 We are used to thinking that the sexual revolution of the 1960s and 1970s was an essentially Western phenomenon The surge in pornographic production effective oral contraception and new developments in fashion and popular culture all seem to be inextricably linked with a capitalist economy Yet little has still been written about the transformations of intimate lives on the other side of the Iron Curtain Was there a sexual revolution behind the Berlin Wall And if so what areas of social life did it impact Did women in the words of Kristen Ghodsee have better sex under socialism Polish Sexual Revolutions Negotiating Sexuality and Modernity behind the Iron Curtain studies the history of sexuality in state socialist Poland in its European and global contexts focusing on how communism transformed both sexual discourses and intimate practices between 1945 and 1989 It reconfigures our understanding of the sexual revolution departing from the case study of Poland to complicate the oversimplified and much misused concepts of sexual modernity and progress Engaging with the most recent scholarship on sexuality in East Central Europe and a wide range of unused primary material including visual and material sources the monograph reassesses the role played by communist states in modernising their citizens approaches to sex Contrary to the stereotype which perceives the region as lagging behind the West in sexual matters and having to catch up after 1989 the book sheds light on the ambiguous and progressive histories of state socialist entanglements with sex to showcase alternative visions of sexual liberation In so doing and by focusing on forgotten genealogies of discussions of sexuality the monograph historicises the roots of contemporary debates on sex education LGBTQ and women s rights in the region      Sexual Revolutions in Cuba Carrie Hamilton,2012-03-12 In Sexual Revolutions in Cuba Carrie Hamilton delves into the relationship between passion and politics in revolutionary Cuba to present a comprehensive history of sexuality on the island from the triumph of the Revolution in 1959 into the twenty first century Drawing on an unused body of oral history interviews as well as press accounts literary works and other published sources Hamilton pushes beyond official government rhetoric and explores how the wider changes initiated by the Revolution have affected the sexual lives of Cuban citizens She foregrounds the memories and emotions of ordinary Cubans and compares these experiences with changing policies and wider social political and economic developments to reveal the complex dynamic between sexual desire and repression in revolutionary Cuba Showing how revolutionary and prerevolutionary values coexist in a potent and sometimes contradictory mix Hamilton addresses changing patterns in heterosexual relations competing views of masculinity and femininity same sex relationships and homophobia AIDS sexual violence interracial relationships and sexual tourism Hamilton s examination of sexual experiences across generations and social groups demonstrates that sexual politics have been integral to the construction of a new revolutionary Cuban society      **The**

**Origins of Sex** Faramerz Dabhoiwala, 2012-05-01 A man admits that when drunk he tried to have sex with an eighteen year old girl she is arrested and denies they had intercourse but finally begs God's forgiveness Then she is publicly hanged alongside her attacker These events took place in 1644 in Boston where today they would be viewed with horror How and when did such a complete transformation of our culture's attitudes toward sex occur In *The Origins of Sex* Faramerz Dabhoiwala provides a landmark history one that will revolutionize our understanding of the origins of sexuality in modern Western culture For millennia sex had been strictly regulated by the Church the state and society who vigorously and brutally attempted to punish any sex outside of marriage But by 1800 everything had changed Drawing on vast research from canon law to court cases from novels to pornography not to mention the diaries and letters of people great and ordinary Dabhoiwala shows how this dramatic change came about tracing the interplay of intellectual trends religious and cultural shifts and politics and demographics The Enlightenment led to the presumption that sex was a private matter that morality could not be imposed that men not women were the more lustful gender Moreover the rise of cities eroded community based moral policing and religious divisions undermined both church authority and fear of divine punishment Sex became a central topic in poetry drama and fiction diarists such as Samuel Pepys obsessed over it In the 1700s it became possible for a Church of Scotland leader to commend complete sexual liberty for both men and women Arguing that the sexual revolution that really counted occurred long before the cultural movement of the 1960s Dabhoiwala offers readers an engaging and wholly original look at the Western world's relationship to sex Deeply researched and powerfully argued *The Origins of Sex* is a major work of history

**Social and Sexual Revolution** Bertell Ollman, 1979 The author of *Alienation* extends his original approach to social theory in this discussion of Marx's view of socialism class analysis and the problem of socialist consciousness and Wilhelm Reich's contributions to the psychology of social change

**Victoria Woodhull's Sexual Revolution** Amanda Frisken, 2012-03-06 Victoria Woodhull the first woman to run for president forced her fellow Americans to come to terms with the full meaning of equality after the Civil War A sometime collaborator with Susan B Anthony and Elizabeth Cady Stanton yet never fully accepted into mainstream suffragist circles Woodhull was a flamboyant social reformer who promoted freedom especially freedom from societal constraints over intimate relationships This much we know from the several popular biographies of the nineteenth century activist But what we do not know as Amanda Frisken reveals is how Woodhull manipulated the emerging popular media and fluid political culture of the Reconstruction period in order to accomplish her political goals As an editor and public speaker Woodhull demanded that women and men be held to the same standards in public life Her political theatrics brought the topic of women's sexuality into the public arena shocking critics galvanizing supporters and finally locking opposing camps into bitter conflict over sexuality and women's rights in marriage A woman who surrendered her own privacy whose life was grist for the mills of a sensation mongering press she made the exposure of others' secrets a powerful tool of social change Woodhull's political ambitions became inseparable from her

sexual nonconformity yet her skill in using contemporary media kept her revolutionary ideas continually before her peers In this way Woodhull contributed to long term shifts in attitudes about sexuality and the slow liberation of marriage and other social institutions Using contemporary sources such as images from the sporting news Frisken takes a fresh look at the heyday of this controversial women s rights activist discovering Woodhull s previously unrecognized importance in the turbulent climate of Radical Reconstruction and making her a useful lens through which to view the shifting sexual mores of the nineteenth century

**Immigrants in the Sexual Revolution** Andrew DJ Shield,2017-08-29 This book focuses on the latter half of the twentieth century when much of northwest Europe grew increasingly multicultural with the arrival of foreign workers and post colonial migrants whilst simultaneously experiencing a boom in feminist and sexual liberation activism Using multilingual newspapers foreign worker organizations archives and interviews this book shows that immigrants in the Netherlands and Denmark held a variety of viewpoints about European gender and sexual cultures Some immigrants felt solidarity with and even participated in European social movements that changed norms and laws in favor of women s equality gay and lesbian rights and sexual liberation These histories challenge today s politicians and journalists who strategically link immigration to sexual conservatism misogyny and homophobia

*An Insider's View of Sexual Science Since Kinsey* Ira L. Reiss,2006-03-27 Ira Reiss presents to those interested in the work of sexual science a view of this field The text provides a personal account of the author s experiences in sexual science that helps the reader understand many of the major issues that confront those in sexual science

**Make Love, Not War** David Smith Allyn,2016 The invention of the birth control pill the end of censorship the advent of feminism the rise of commercial pornography dozens of changes to daily lives in the 1960s and 70s stimulated an unprecedented time of sexual openness in American society a season of optimism and experimentation remembered as the sexual revolution This work is a treatment of the complicated events ideas and personalities that drove the sexual revolution forward Based on firsthand accounts diaries interviews and period research it traces changes in private lives and public discourse from the fearful 50s to the first tremors of rebellion in the early 60s to the heady heyday of the revolution This history tells the stories of the major figures of the period sexual freedom fighters feminists scientists pornographers gay activists First Amendment lawyers and others who made the headlines But it is based equally on the testimony of ordinary people men and women who dared to take risks in their private lives and share their experiences with others They yearned for a freer more open society Their stories of spouse swapping swinging group sex and other erotic adventures reveal an era in which the pursuit of happiness took on new meaning in American life

**The Conclusion of the Sexual Revolution** Wylark Day,2004-05-18 This is a book about sexual morality Not a morality based on shame or tradition however but one based on combining the most up to date findings of sex researchers with the most ancient teachings of the Judeo Christian Bible In this book you will find that Private masturbation and public nudity are the two Pillars upon which all healthy attitudes towards Sex must be based Faithful heterosexual monogamy is God s Plan for Sex

but a minority who deviate from this Plan such as homosexuals are nonetheless necessary for a whole society And that Virgin Sex for young adults which means enjoying sex play while rejecting intercourse is the Key to true romantic passion equality between the sexes and even to the very Future of Humanity At last A book that tells the truth about Sex and God Sexual Revolution in Bolshevik Russia Gregory Carleton, 2010-06-15 Gregory Carleton offers a comprehensive literary and cultural history of sex and society in the Soviet Union during the 1920s The Bolshevik Revolution promised a total transformation of Russian society down to its most intimate details But in the years immediately following 1917 it was by no means clear how this would come about Sex and sexuality became a crucial battleground for debates about the Soviet future and literature emerged as a primary domain through which sex could be imagined and discussed Despite optimistic claims that bolshevism would overcome bourgeois depravity the writings of the 1920s in all genres were awash in sexual adventure promiscuity various chauvinisms date and gang rape unwanted pregnancy and sexually transmitted diseases as well as sex related alcohol abuse depression and suicide In discussions about sex party officials contradicted themselves sociologists grappled with difficult social problems and writers experimented in fictional form with modern identities and relationships Drawing on an uncommonly varied body of sources including novels journals diaries sociological research public health brochures surveys and party documents many examined here for the first time in English Carleton reveals the dramatic bizarre and intriguing ways the sexual revolution was discussed and represented Amidst this chaos he discerns a historical process of codification and reaction leading ultimately to the quelling of debate in the 1930s through the harsh dictates of Stalinism Sexual Revolution in Bolshevik Russia challenges Western writers who portray revolutionary Russia as either prudish or hedonistic by reconstructing a fuller picture of what circulated in Bolshevik culture and why Carleton brings a complex human dimension to the subject demonstrating that this controversy should not be viewed as a sideshow curiosity but rather as a central aspect of the dramatic debates on early Soviet literature and culture **Candida Royalle and the Sexual**

**Revolution** Jane Kamensky, 2024-03-12 Finalist for the 2024 National Book Critics Circle Award for Biography Assiduously researched elegantly written Margaret Talbot The New Yorker Acclaimed historian Jane Kamensky chronicles an indelible twentieth century American life and offers an entirely new understanding of the so called sexual revolution Whether in front of the camera or behind it Candice Vadala understood herself as both an artist and an entrepreneur As Candida Royalle 1950 2015 underground actress porn star producer of adult movies and staunch feminist she made a business of pleasure She helped crystalize the broader hedonistic turn in American life in the second half of the twentieth century a period when the rules of sex were rewritten when the white hot sex wars cleaved feminism and realigned American politics when Big Freud Big Drugs and Big Porn all came into looming focus when the sex industry of the 1970s and 80s radically upended conventional understandings of law technology culture love and human desire The sexual revolution was Royalle s war even when other avowed feminists exited the field or became her opponents and pornography emerged as the arena in which she

would wage it With the founding of her adult film company Femme Productions in 1984 Royalle became an owner of the means of pornographic production infusing her sets with the ideals of labor feminism On screen and off she was by turns exuberant and thoughtful self possessed and gleefully shameless A trailblazer who lived along the cultural fault lines of her generation she danced at Woodstock marched for women s liberation survived the AIDS crisis and became a talk show regular interviewed by Phil Donahue Dr Ruth Westheimer Morton Downey Jr Jane Pauley and many others As a performer director producer and writer she moved the needle of her industry But she never transcended the politics of pleasure With full access to Royalle s remarkable archive historian Jane Kamensky has spent years examining the intersection of Royalle s life with the clashes that have defined her era and ours Deeply informed by these never before studied materials Kamensky explodes the conventions of biography with its assumptions about who makes history and how Written with cinematic verve Candida Royalle and the Sexual Revolution evokes Royalle s times in their broadest contours as Kamensky traces the rise of an improbable heroine who broke the mold and was herself broken in turn **Culture Wars** Roger Chapman,2010 Although openness and inclusion are cornerstones of life in the United States intolerance and reactionary politics are also very real As the nation prepares to elect a new president The Culture Wars addresses the key defining issues of contemporar

**Subverted** Sue Ellen Browder,2019-04-02 Contraception and abortion were not originally part of the 1960s women s movement How did the women s movement which fought for equal opportunity for women in education and the workplace and the sexual revolution which reduced women to ambitious sex objects become so united In Subverted Sue Ellen Browder documents for the first time how it all happened in her own life and in the life of an entire country Trained at the University of Missouri School of Journalism to be an investigative journalist Browder unwittingly betrayed her true calling and became a propagandist for sexual liberation As a long time freelance writer for Cosmopolitan magazine she wrote pieces meant to soft sell unmarried sex contraception and abortion as the single woman s path to personal fulfillment She did not realize until much later that propagandists higher and cleverer than herself were influencing her thinking and her personal choices as they subverted the women s movement The thirst for truth integrity and justice for women that led Browder into journalism in the first place eventually led her to find forgiveness and freedom in the place she least expected to find them Her in depth research her probing analysis and her honest self reflection set the record straight and illumine a way forward for others who have suffered from the unholy alliance between the women s movement and the sexual revolution
