**Julia A. Ericksen, Sally A. Steffen**

## **Sexual Suicide:**

**Sexual Suicide** George F. Gilder,1973      *Sexual Suicide* George F. Gilder,1974      **Nostalgia and Sexual Difference (RLE Feminist Theory)** Janice Doane,DEVON HODGES,2013-05-20 Dissatisfaction with the present can cause people to gaze nostalgically back to an idealized past that nostalgia pervades contemporary rhetoric In lamenting the degeneracy of present day America social and literary critics as well as contemporary novelists often choose as their scapegoat the women s movement and its increasing influence Doane and Hodges show us how these social observers seek to reinstate America and American values in ways that overtly or covertly do battle with the feminist movement for control of rhetoric the power of language      **Sexuality and Serious Mental Illness** Peter F Buckley,2013-05-13 Reflecting current understanding of the complexities of sexual activity among persons with chronic mental illness the text draws upon the collective wisdom and experience of experts from a variety of settings Clinicians advocates consumers researchers legal experts and administrators all contribute to document the concerns about sexual behavior and the consequent health risks for this at risk population The research presented here is particularly timely in view of recent emphases on patient choice recovery and advocacy and can be used to provide guidance to clinicians mental health administrators policymakers advocates and researchers      The Female Body and the Law Zillah R. Eisenstein,2024-06-04 The Female Body and the Law provides an original and incisive reexamination of the dynamics of sexual equality Eisenstein contends that sexual inequality is fostered both by the law and by the insistence that men and women are biologically different Through a fascinating discussion of a series of issues including affirmative action AIDS Baby M pornography and abortion Eisenstein shows how the law operates as a political language that establishes and curtails choices and actions This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1990      **Sex Role Attitudes and Cultural Change** I. Gross,J. Downing,A. D'Heurle,2012-12-06 The initial impetus for this volume was the occasion of the World Congress for Mental Health held in Vancouver British Columbia in 1977 The theme of that congress was priorities in mental health The keynote speaker Mrs Rosalynn Carter wife of the then President of the United States focused attention on the necessity for an international perspective in understanding priorities for mental health Without exception subsequent speakers echoed the sentiments Mrs Carter expressed that the first priority for mental health was that of children For many participants the concern for children was translated not only into techniques for treatment but more importantly into broadening the approaches to prevention One theme emerged which has begun to be addressed around the world that of the cultural and developmental implications of sex role stereotyping for mental health This topic proved to be the touchstone for many issues related both directly and indirectly to mental health Among the most prominent concerns expressed were those

for the effects on careers the learning environment and relations between the sexes which stem from stereotyped attitudes concerning appropriate sex role behavior The consensus of the participants was to urge the directorate of the congress to continue this topic at the next World Congress This was a particularly appropriate content for the next World Congress since 1979 was the International Year of the Child

**Impotence** Angus McLaren, 2008-09-15 As anyone who has watched television in recent years can attest we live in the age of Viagra From Bob Dole to Mike Ditka to late night comedians our culture has been engaged in one long frank and very public talk about impotence and our newfound pharmaceutical solutions But as Angus McLaren shows us in *Impotence* the first cultural history of the subject the failure of men to rise to the occasion has been a recurrent topic since the dawn of human culture Drawing on a dazzling range of sources from across centuries McLaren demonstrates how male sexuality was constructed around the idea of potency from times past when it was essential for the purpose of siring children to today when successful sex is viewed as a component of a healthy emotional life Along the way *Impotence* enlightens and fascinates with tales of sexual failure and its remedies for example had Ditka lived in ancient Mesopotamia he might have recited spells while eating roots and plants rather than pills and explanations which over the years have included witchcraft shell shock masturbation feminism and the Oedipal complex McLaren also explores the surprising political and social effects of impotence from the revolutionary unrest fueled by Louis XVI's failure to consummate his marriage to the boost given the fledgling American republic by George Washington's failure to found a dynasty Each age McLaren shows turns impotence to its own purposes using it to help define what is normal and healthy for men their relationships and society From marriage manuals to metrosexuals from Renaissance Italy to Hollywood movies *Impotence* is a serious but highly entertaining examination of a problem that humanity has simultaneously regarded as life's greatest tragedy and its greatest joke

**Pornography, Sex Work, and Hate Speech** Karen Maschke, 2024-11-01 Multidisciplinary focus Surveying many disciplines this anthology brings together an outstanding selection of scholarly articles that examine the profound impact of law on the lives of women in the United States The themes addressed include the historical political and social contexts of legal issues that have affected women's struggles to obtain equal treatment under the law The articles are drawn from journals in law political science history women's studies philosophy and education and represent some of the most interesting writing on the subject The law in theory and practice Many of the articles bring race social and economic factors into their analyses observing for example that black women poor women and single mothers are treated by the wielders of the power of the law differently than middle class white women Other topics covered include the evolution of women's legal status reproduction rights sexuality and family issues equal employment and educational opportunities domestic violence pornography and sexual exploitation hate speech and feminist legal thought A valuable research and classroom aid this series provides in depth coverage of specific legal issues and takes into account the major legal changes and policies that have had an impact on the lives of American women

**Exploring the Dimensions of Human Sexuality**

Jerrold S. Greenberg, Clint E. Bruess, Sarah C. Conklin, 2007 Exploring The Dimensions Of Human Sexuality Third Edition Has Been Extensively Updated To Include Information And Statistics About Recent Developments This Text Continues To Encourage Students To Explore The Varied Dimensions Of Sexuality And To See How Each Affects Their Personal Sexuality Sexual Health And Sexual Responsibility All Aspects Of Sexuality Biological Spiritual Psychological And Sociocultural Are Presented Factually And Impartially Women's Liberation! Alix Kates Shulman, Honor Moore, 2021-02-16 Two pioneering feminists present a groundbreaking collection recovering a generation's revolutionary insights for today When Betty Friedan published The Feminine Mystique in 1963 the book exploded into women's consciousness Before the decade was out what had begun as a campaign for women's civil rights transformed into a diverse and revolutionary movement for freedom and social justice that challenged many aspects of everyday life long accepted as fixed work birth control and abortion childcare and housework gender class and race art and literature sexuality and identity rape and domestic violence sexual harassment pornography and more This was the women's liberation movement and writing powerful personal and prophetic was its beating heart Fifty years on in the age of MeToo and Black Lives Matter this visionary and radical writing is as relevant and urgently needed as ever ready to inspire a new generation of feminists Activists and writers Alix Kates Shulman and Honor Moore have gathered an unprecedented collection of works many long out of print and hard to find that catalyzed and propelled the women's liberation movement Ranging from Friedan's Feminine Mystique to Backlash Susan Faludi's Reagan era requiem and framed by Shulman and Moore with an introduction and headnotes that provide historical and personal context the anthology reveals the crucial role of Black feminists and other women of color in a decades long mass movement that not only brought about fundamental changes in American life changes too often taken for granted today but envisioned a thoroughgoing revolution in society and consciousness still to be achieved **Kiss and Tell** Julia A. Ericksen, Sally A. Steffen, 2001-12-28 Learning the details of others sex lives is the most enticing of guilty pleasures We measure our own practices against the normalcy that sex surveys seek to capture Special interest groups use or attack survey findings such as the claim that 10% of Americans are gay for their own ends Indeed we all have some stake in these surveys be it self justification recrimination or curiosity and this testifies to their significance in our culture Kiss and Tell chronicles the history of sex surveys in the United States over a century of changing social and sexual mores Julia Ericksen and Sally Steffen reveal that the survey questions asked more than the answers elicited expose and shape the popular image of appropriate sexuality We can learn as much about the history and practice of sexuality by looking at surveyors changing concerns as we can by reading the results of their surveys The authors show how surveys have reflected societal anxieties about adolescent development teen sex and promiscuity and AIDS and have been employed in efforts to preserve marriage and to control women's sexuality Kiss and Tell is an important examination of the role of social science in shaping American sexual patterns Revealing how surveys of sexual behavior help create the issues they purport merely to describe it reminds us how malleable

and imperfect our knowledge of sexual behavior is The African-American Woman's Guide to Great Sex, Happiness & Martial Bliss Jel D. Lewis Jones, 2003 The author gives great relationship tips and advice in the more than 30 informative chapters such as Enhance Your Sex Appeal Communicating In Lovemaking Thirteen Secrets To Sizzling Passion and 72 Ways to Love Your Lover States Without Nations Jacqueline Stevens, 2009-11-17 As citizens we hold certain truths to be self evident that the rights to own land marry inherit property and especially to assume birthright citizenship should be guaranteed by the state The laws promoting these rights appear not only to preserve our liberty but to guarantee society remains just Yet considering how much violence and inequality results from these legal mandates Jacqueline Stevens asks whether we might be making the wrong assumptions Would a world without such laws be more just Arguing that the core laws of the nation state are more about a fear of death than a desire for freedom Jacqueline Stevens imagines a world in which birthright citizenship family inheritance state sanctioned marriage and private land ownership are eliminated Would chaos be the result Drawing on political theory and history and incorporating contemporary social and economic data she brilliantly critiques our sentimental attachments to birthright citizenship inheritance and marriage and highlights their harmful outcomes including war global apartheid destitution family misery and environmental damage It might be hard to imagine countries without the rules of membership and ownership that have come to define them but as Stevens shows conjuring new ways of reconciling our laws with the condition of mortality reveals the flaws of our present institutions and inspires hope for moving beyond them **Routledge Library Editions: Feminist Theory** Various, 2021-08-07 Routledge Library Editions Feminist Theory brings together as one set or individual volumes a series of previously out of print classics from a variety of academic imprints With titles ranging from The Liberation of Women to Feminists and State Welfare from Married to the Job to Julia Kristeva this set provides in one place a wealth of important reference sources from the diverse field of gender studies Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1975

Disorders of Desire Janice M. Irvine, 2005 Disorders of Desire is the only book to tell the story of the development and impact of sexology the scientific study of sex in the United States In this era of sex scandals culture wars Sex in the City and new sexual enhancement technologies like erectile dysfunction drugs its critique of sexology is even more relevant than it was when the book was first published in 1990 This revised and expanded edition features new chapters addressing LI The diagnosis of sex addiction in the 1970s and its social and political implications LI UL LI New developments within the field of sexology including the Viagra Revolution that began in the 1990s LI UL LI The pharmaceutical industry s role in the development of sexual enhancements and the search for the female equivalent of Viagra LI UL **Class Divide** Howard Gillette, Jr., 2015-05-21 Members of the Yale College class of 1964 the first class to matriculate in the 1960s were poised to take up the positions of leadership that typically followed an Ivy League education Their mission gained special urgency from the inspiration of John F Kennedy s presidency and the civil rights movement as it moved north Ultimately these men proved

successful in traditional terms in the professions in politics and in philanthropy and yet something was different Challenged by the issues that would define a new era their lives took a number of unexpected turns Instead of confirming the triumphal perspective they grew up with in the years after World War II they embraced new and often conflicting ideas In the process the group splintered In *Class Divide* Howard Gillette Jr draws particularly on more than one hundred interviews with representative members of the Yale class of 64 to examine how they were challenged by the issues that would define the 1960s civil rights the power of the state at home and abroad sexual mores and personal liberty religious faith and social responsibility Among those whose life courses Gillette follows from their formative years in college through the years after graduation are the politicians Joe Lieberman and John Ashcroft the Harvard humanities professor Stephen Greenblatt the environmental leader Gus Speth and the civil rights activist Stephen Bingham Although their Ivy League education gave them access to positions in the national elite the members of Yale 64 nonetheless were too divided to be part of a unified leadership class Try as they might they found it impossible to shape a new consensus to replace the one that was undone in their college years and early adulthood

**Sex and Reason** Richard A. Posner, 2009-07-01 Sexual drives are rooted in biology but we don't act on them blindly Indeed as the eminently readable judge and legal scholar Richard Posner shows we make quite rational choices about sex based on the costs and benefits perceived Drawing on the fields of biology law history religion and economics this sweeping study examines societies from ancient Greece to today's Sweden and issues from masturbation incest taboos date rape and gay marriage to Baby M The first comprehensive approach to sexuality and its social controls Posner's rational choice theory surprises explains predicts and totally absorbs

**Reaction to the Modern Women's Movement, 1963 to the Present** Angela Howard, Sasha Ranae Adams Tarrant, 2018-10-24 Antifeminism in cultural context To give today's readers an understanding of the social and political forces that actively fought against any changes in women's status in the United States the editors selected these original examples from the writings of the time that appeared in popular books and magazines Opponents of women's equality frequently voiced their opinions about 19th century issues of women's suffrage dress reform self expression independence and other topics that touched upon the perceived roles and duties of women Such public diatribes continued into the 10th century as determined antifeminists argued against increased opportunities for women in employment and education denied the propriety of family planning and admonished against women's involvement in politics Arguments based on ridicule natural law and false claims Some opponents merely dismissed or ridiculed calls for changes in women's status without specifying particular flaws in the feminist position Others cited divine ordination applied to natural law and fanned public fears of familial and social disintegration Frequently these critics resorted to charges of presumed lesbianism communism and socialism against advocates of women's rights and against the movement itself This adamant opposition to equality for women was a manifestation of common apprehension about ongoing social economic and political changes beyond antifeminist control

Antifeminists in their own words Today few people have even an inkling of the vehemence theatrical posturing and convoluted reasoning of the antifeminist forces This varied selection of original sources puts an illuminating spotlight on the arguments presented by opponents of women s equality that is drawn from an extensive body of writings ranging from the elegant pronouncements of a popular politician to sincere endorsements of the status quo by female apologists for those opposed to the women s movement to purveyors of low satire in the popular press For modern readers this collection provides the opportunity to encounter directly the reasoning opinions and perceptions of those that resisted and criticized the goals and achievements of feminism A valuable resource for many disciplines A particularly valuable feature of this set is its wealth of primary source material from the 19th and early 20th centuries including material from books and newspapers Very few libraries have collected these sources and chances are no single collection has them all These volumes are of great interest to women s studies women s history gender studies cultural studies as well as history political science sociology and literature Many of the examples of antifeminist writing found in the set can enrich classroom discussions and assignments that involve communication writing and rhetoric Available individually by volume 1 Opposition to the Women s Movement in the United States 1848 1929 0 8153 2713 7 400 pages 2 Redefining the New Woman 1920 1963 0 8153 2714 5 344 pages 3 Reaction to the Modern Women s Movement 1963 to the Present 0 8153 2715 3 352 pages

**Antifeminism in America**

Gillian Swanson, 2013-09-13 The documents in this paperback inform the reader s understanding and appreciation of the social and political context of opposition in which the advocates of women s rights labored from 1848 to 1996 Arranged in six parts by historical periods these original articles from mainstream magazines specialized and academic journals and books display the tone and substance of opposition to women s rights as it appeared in popular literature The selections reflect the public campaign fought in the popular press of opponents to the fundamental goal of all aspects of movement for women s rights to challenge the gender system by advocating equality for women

This Engaging World of E-book Books: A Detailed Guide Unveiling the Benefits of Kindle Books: A Realm of Convenience and Versatility Kindle books, with their inherent portability and simplicity of availability, have freed readers from the constraints of hardcopy books. ## **Sexual Suicide Introduction**

In today's digital age, the availability of Sexual Suicide books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sexual Suicide books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sexual Suicide books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or

professional purposes. By accessing Sexual Suicide versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sexual Suicide books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sexual Suicide books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sexual Suicide books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sexual Suicide books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sexual Suicide books and manuals for download and embark on your journey of knowledge?

## FAQs About Sexual Suicide Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Sexual Suicide is one of the best book in our library for free trial. We provide copy of Sexual Suicide in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Sexual Suicide. Where to download Sexual Suicide online for free? Are you looking for Sexual Suicide PDF? This is definitely going to save you time and cash in something you should think about.
