Sexual Abuse Of Children

Kathleen Coulborn Faller

Sexual Abuse Of Children:

Child Sexual Abuse Beverly Gomes-Schwartz, Jonathan M. Horowitz, Albert P. Cardarelli, 1990 When a child has been sexually abused where should a parent or guardian turn for treatment What legal issues are involved when sexual abuse occurs What impact does child sexual abuse have on family functioning These are questions all parents guardians or counselors encounter during the initial stages of child sexual abuse Child Sexual Abuse offers a wealth of information on available treatment programs the impact of sexual abuse on the family and other factors associated with abuse and treatment outcomes This volume is based on the results of the Tufts study that until now have not been readily available describing the background of the study the research framework and the selection of the treatment sample The authors then examine the nature of child sexual abuse its initial effects the myth of the mother as accomplice and the affects of abuse 18 months after disclosure A final section presents conclusions and recommendations associated with the research and appendixes detail the statistical test results Researchers and practitioners will benefit from the important issues and information contained in Child Sexual Abuse This study was a pathbreaking one on the road to understanding the immediate impact of sexual abuse It is a great welcome to have it available It is indispensable to any researcher wishing to understand how sexual abuse affects children David Finkelhor University of New Hampshire The research described in the book is outstanding in its breadth and accessibility Readers will find this book to be immensely interesting and useful whether they are researchers or clinicians Kathleen A Kendall Tackett University of New Hampshire This book is worth reading Issues in Child Abuse Accusations Offers a concise description of the development of child abuse theory as well as interesting data on the kinds of children who are sexually abused the nature and effects of the abuse and the effects of crisis intervention There is a wealth of information succinctly presented Readings A Journal of Reviews and Commentary in Mental Health An impressive initial study in the field of child sexual abuse Archives of Sexual Behavior The research in this book addresses the information needs of practitioners Topics covered include whether to remove a sexually abused child from the home where the abuse took place whether intense psychotherapeutic treatment is needed for the victim or family and whether to intervene at all for the best interest of a child The authors of this book referred to many experts in the field to compile the empirical research This book is arranged in a manner which makes these findings easily accessible to the reader whether the individual creates policies of frequently treats child sexual abuse cases for readers interested the appendix gives complete statistical test results Child Sexual Abuse is excellent for anyone working in this field or who is interested in gathering information about child sexual abuse The trauma and impact sexual abuse has upon a child and the family is well addressed Family Violence Sexual Assault Bulletin It contains a wealth of information about the nature and effects of abuse This book is a useful data base Child Abuse Review

A Sourcebook on Child Sexual Abuse David Finkelhor, 1986-05 This decade review of scientific knowledge about the problem of child sexual abuse integrates as much of the current interdisciplinary literature as possible both unpublished and

recently published with the older literature The authors consider five main topics prevalence of sexual abuse children at high risk offenders effects and prevention The book reviews findings from community survey studies which shed light on how widespread sexual abuse is in the population at large and which groups of children are at greatest risk It also reports on the prison studies concerning why it is that offenders offend and examines all the studies from clinical literature which try to determine what the long term effects of sexual abuse are on victims In addition the book contains a valuable chapter on research design which makes suggestions that every potential investigator in this field needs to be familiar with The book is written in a clear organized fashion and addresses the most pressing issues in the field of sexual abuse at the current time I consider David Finkelhor to be the best and most knowledgeable researcher in child sexual abuse in the United States today A Sourcebook on Child Sexual Abuse has added immeasurably to the scientific quality of this field Diana E H Russell Mills College Oakland California Finkelhor s ability to cut through the jargon of published research and sort out the meaningful findings is an invaluable help to clinicians in identifying issues in their work Gail Ryan Adolescent Perpetrator Network Unique up to the minute and indispensable for anyone who needs to understand what is known and not known about sexual abuse Murray A Straus University of New Hampshire Finkelhor and his associates have been in the forefront during the last decade in challenging western society with impeccable research into the prevalence of sexual abuse A succinct comparative array of research material and findings the student is provided with a bible which will serve well as a guide through the minefield of often contradictory literature on child sexual abuse Social Work Education Finkelhor and his colleagues have provided a book that exemplifies social science research at its best This sourcebook is thoughtful and knowledgeable without being patronizing or condescending to the practitioners who must act on a day to day basis An important contribution to the field Journal of Marriage and the Family This sourcebook is thoughtful and knowledgeable without being patronizing or condescending to the practitioners We have come to expect this level of thoughtfulness and quality from Finkelhor and this latest book fulfills that expectation An important contribution to the field This book is an excellent resource because it is a comprehensive gathering of facts of child sexual abuse spanning the past ten years It would be helpful to anyone involved in the intervention or research of child sexual abuse It is an excellent overview for students Family Violence Bulletin An invaluable directional guide to such thorny issues as the prevalence of sexual abuse children at high risk offenders effects and prevention New Society The chapters are well organized and clearly written For the pediatric psychologist or other clinicians who might be new to the area or who might need a compilation of research findings for a grant proposal the book does indeed serve as a sourcebook of accurate and detailed information in the five areas that are covered Journal of Pediatric Psychology We need quiet dispassionate facts like the ones presented in Finkelhor s book He coolly lists the conditions under which child sexual abuse is most likely to occur Clearly the sexual abuse of children should arouse intense emotions in us all It is a serious crime and should carry serious penalties It is precisely because of this that someone needs to be dispassionate

about the subject and lay out the facts for us Finkelhor accomplishes this International Social Science Review

The Trauma Myth: The Truth about the Sexual Abuse of Children[–"and Its Aftermath Susan A. Clancy,2010-05 Few would argue that the experience of sexual abuse is deeply traumatic for a child But in this explosive new book psychologist Susan Clancy reports on years of research and contends that it is not the abuse itself that causes trauma but rather the narrative that is later imposed on the abuse experience Clancy demonstrates that the most common feeling victims report is not fear or panic but confusion Because children don't understand sexual encounters in the same ways adults do they normally accommodate their perpetrators something they feel intensely ashamed about as adults The professional assumptions about the nature of childhood trauma can harm victims by reinforcing these feelings Survivors are thus victimized not only by their abusers but also by the industry dedicated to helping them Path breaking and controversial The Trauma Myth empowers survivors to tell their own stories and radically reshapes our understanding of abuse and its aftermath

Child Sexual Abuse Kathleen Coulborn Faller,1993 Addresses the needs of professionals who encounter child sexual abuse in the course of their work Describes professional practices in sexual abuse and discusses how to address the problems of sexually abused children and their families Meets the needs of child protection workers the front line staff mandated to investigate reports of child maltreatment Also benefits educators and health care professionals social workers psychologists psychiatrists and legal professionals Charts glossary bibliography and list of resources

The Sexual Abuse of Children William T. O'Donohue,James H. Geer,2013-11-12 The sexual abuse of children is now seen as an enormous problem first because there is an increasing awareness that it is more prevalent than previously thought and second because it gives rise to so many complex questions How is sexual abuse to be defined What are the effects of abuse How can the victim be helped How can abuse be prevented These two comprehensive volumes cover a wide spectrum of basic and applied issues Expert contributors including physicians attorneys psychologists philosophers social workers and engineers address such relevant topics as epidemiology animal models legal reforms feminist scholarship child pornography medical assessment and diverse models of psychotherapeutic intention

The Sexual Abuse of Children William T. O'Donohue,James H. Geer,2013-12-16 The sexual abuse of children is now seen as an enormous problem first because there is an increasing awareness that it is more prevalent than previously thought and second because it gives rise to so many complex questions How is sexual abuse to be defined What are the effects of abuse How can the victim be helped How can abuse be prevented These two comprehensive volumes cover a wide spectrum of basic and applied issues Expert contributors including physicians attorneys psychologists philosophers social workers and engineers address such relevant topics as epidemiology animal models legal reforms feminist scholarship child pornography medical assessment and diverse models of psychotherapeutic intention

Sexual Abuse - Child Sexual Abuse True Stories Robyn MacBridge,2013 Sexual Abuse Child Sexual Abuse True Stories What You Need to Know things that are hard to fathom and so many You'll also find out why

mothers who know about it many times do nothing about it and what that does to the child on into adulthood If you've wondered what child sexual abuse is about not only the stories but its prevalence statistics psychological and emotional impact things that can be done to help prevent it and available resources on a worldwide basis including current phone numbers support groups and websites all of that information is contained in this book Collectively with just a little awareness about that dark world I feel we can make a difference in protecting the innocence of children adolescence teens from molestation and sexual abuse

Interviewing Children about Sexual Abuse Kathleen Coulborn Faller, 2007-01-11 A core issue for professionals responsible for addressing sexual abuse is how to correctly identify cases Interviewing Children About Sexual Abuse Controversies and Best Practice critically reviews the research and practice on the spectrum of issues related to interviewing the sexually abused child Its chapters cover all the most important topics that interviewers must keep in mind from the accuracy of children's memories to appropriate types of questions to include to the use of interview aids and within each chapter is a comprehensive review of research and practice leading to conclusions that can be used to guide practice in this most sensitive of assignments

Evaluating Children Suspected of Having Been Sexually Abused Kathleen Coulborn Faller, 1996 The author presents a focused compilation of information about integral issues such as models for assessment interviewer objectivity number of child interviews documentation the use of standardized tests questioning techniques media for assessing children children's memory and suggestibility criteria for decision making and much more

Bitter Chocolate Pinki Virani, 2000 A book that challenges our notions of family honour and morality Sometime somewhere the conspiracy of silence around Child Sexual Abuse CSA in Indian homes had to be shattered This path breaking book the first of its kind in the country and subcontinent attempts to give that sexually abused child a powerful voice It provides damning disclosures about men and some women in middle and upper class families who sexually abuse their children then silence them into submission Based on studies reports and investigation this book reveals that a minimum of twenty per cent of girls and boys under the age of sixteen are regularly being sexually abused half of them in their own homes by adults who have the child's trust In Bitter Chocolate journalist and best selling author Pinki Virani travels across the country to record the testimonies of the police doctors child psychologists mental health professionals social workers lawyers and the traumatized victims themselves The book opens with an account brave and devoid of self pity of the author's own experience Going beyond blaming Pinki Virani then proceeds with her insightful analysis of the issue in three notebooks The first spells out what constitutes CSA why and how this happens its devastating after effects which haunt the victims as they grow into adulthood The second notebook describes these effects through two real life stories of women who were betrayed as children by men of their family The third provides practical solutions on how to counter CSA including a framework involving the law the parent and their child A special chapter addresses adults who have never before disclosed their sexual abuse as children Plus a nationally coordinated helpline Accessible yet comprehensive Bitter Chocolate is written for the young parent and guardian

principal and teacher judge and police lawyer and public prosecutor teenager and tomorrow s citizen *Childhood Sexual Abuse* Karen L. Kinnear,1995-11 A comprehensive overview of recent research into the causes prevalence and prevention of childhood sexual abuse *Preventing Child Sexual Abuse* Sandy K. Wurtele,Cindy L. Miller-Perrin,1993-01-01 The past decade has seen a dramatic increase in the attention paid to the problem of child sexual abuse Professionals from the social work mental health medical academic and legal fields are all involved in researching the prevalence causes and consequences of abuse Child sexual abuse in multidimensional it is determined by forces at work in victims and offenders in the family and in the community and society at large Thoroughly researched Preventing Child Sexual Abuse surveys incidence and prevalence studies lists risk and protective factors in abuse discusses various indicators of abuse and reports on legislation related to abuse It reviews preventive programs aimed at children and adults and provides suggestions for an expanded involvement of parents professionals policymakers researchers and the general public In doing so it provides the information needed to create prevention programs that attack the problem on several fronts at once Child Sexual Abuse Margaret-Ellen Pipe,Michael E. Lamb,Yael Orbach,Ann-Christin Cederborg,2007-04-02 This volume provides the first rigorous assessment of the research relating to the disclosure of childhood sexual abuse along with the practical and policy implications of the findings Leading researchers and practitioners from diverse and international backgrounds offer critical commentary on these previously unpublished findings gathered from b **Counselling Adult Survivors of Child Sexual Abuse** Christiane Sanderson,2006 This updated and expanded edition provides comprehensive coverage of the theory and practice of counselling survivors of child sexual abuse CSA In a reasoned and thoughtful approach this book honestly addresses the complex issues in this important area of work providing practical strategies valuable and new insights for counsellors *The Sexual Abuse of Children* William T. O'Donohue,James H. Geer,2013-11-12 The sexual abuse of children is now seen as an enormous problem first because there is an increasing awareness that it is more prevalent than previously thought and second because it gives rise to so many complex questions How is sexual abuse to be defined What are the effects of abuse How can the victim be helped How can abuse be prevented These two comprehensive volumes cover a wide spectrum of basic and applied issues Expert contributors including physicians attorneys psychologists philosophers social workers and engineers address such relevant topics as epidemiology animal models legal reforms feminist scholarship child pornography medical assessment and diverse models of psychotherapeutic intention **Sexual Abuse of Children** Barbara M. Jones,1981 The Sexual Exploitation of Children Seth L. Goldstein,1987 This handbook guides law enforcement professionals through the essential steps of a child sexual abuse investigation The use of case studies charts outlines checklists photographs and illustrations all aid in demonstrating how to perform an effective investigation Child Sexual Abuse Esther Deblinger,Anthony P. Mannarino,Judith A. Cohen,Melissa K. Runyon,Anne H. Heflin,2015-10-21 Based on over 25 years of research Child Sexual Abuse Second Edition describes a premier empirically supported treatment approach for

children adolescents and non offending parents caregivers impacted by child sexual abuse Developed to provide support and to alleviate symptoms and problem behaviors in children and adolescents Trauma Focused Cognitive Behavioral Therapy TF CBT for child sexual abuse incorporates treatment components that provide children and their caregivers with education and coping skills training while simultaneously addressing the trauma This book describes the nuts and bolts of treatment including trauma narrative development and processing activities that help to alleviate children s distress and feelings of shame associated with the abuse Parents are also taught effective behavior management skills and treatment often culminates with a focus on parent child communication and enhancing safety and future development This highly effective treatment model can be delivered in outpatient school based residential home and or group settings **Sexual Abuse of Children** Roger J. R. Levesque,1999 This book considers how human rights law can help define what could and should be done to protect children from sexual maltreatment The volume explores diverse forms of sexual maltreatment compares societal responses to existing research and policies uncovers basic themes and proposes directions for future action Roger Levesque places particular emphasis on the ways abusive activities in different countries and societies are linked with one another and the way diverse societal views of children place them at risk *Sexual Abuse of Children* Sierra Pace,2014 While all child abuse is troubling sexual abuse by school personnel raises particular concerns because of the trust placed in schools Federal laws prohibit sexual harassment including sexual abuse in federally funded education programs and set minimum standards for state laws on reporting suspected child abuse This book examines states and school districts steps to help prevent such abuse their reporting requirements and approaches for investigating allegations and federal agencies efforts to address such abuse

Sexual Abuse Of Children Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Sexual Abuse Of Children PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers

individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Sexual Abuse Of Children PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Sexual Abuse Of Children free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
