“Empowering College Students to Become Sexual Citizens”

Book discussion for USC Parents 9/29/22

Sexual Citizen

Dimitry Kochenov

Sexual Citizen:

Sexual Citizens Brenda Cossman, 2007 This book explores the relationship between sex and belonging in law and popular culture arguing that contemporary citizenship is sexed privatized and self disciplined Former sexual outlaws have challenged their exclusion and are being incorporated into citizenship But as citizenship becomes more sexed it also becomes privatized and self disciplined The author explores these contesting representations of sex and belonging in films television and legal decisions She examines a broad range of subjects from gay men and lesbians pornographers and hip hop artists to women selling vibrators adulterers and single mothers on welfare She observes cultural representations ranging from Queer Eye for the Straight Guy to Dr Phil Sex in the City to Desperate Housewives She reviews appellate court cases on sodomy and same sex marriage national welfare reform and obscenity regulation Finally the author argues that these representations shape the terms of belonging and governance producing good and bad sexual citizens based on the degree to which they abide by the codes of privatized and self disciplined sex

Sexual Citizenship David Evans, 2013-01-11 This enthralling and provocative book provides a new grounding for the understanding of sexual rights It argues that all varieties of sexuality under capitalism are materially constructed out of the complex interrelationship between the market and the state The examples of different sexual rights and lack of rights that it examines include the experience of male homosexuals bisexuals transvestites transsexualists and children Meticulous focused and challenging it will be required reading for anyone interested in modern human sexualities

Rethinking Sexual Citizenship Jyl J. Josephson, 2016-05-01 Offers a more democratic way to think about families politics and public life Public policy often assumes there is one correct way to be a family Rethinking Sexual Citizenship argues that policies that enforce this idea hurt all of us and harm our democracy Jyl J Josephson uses the concept of sexual citizenship a criticism of the assumption that all families have a heterosexual at their center to show how government policies are made to punish or reward particular groups of people This analysis applies sexual citizenship not only to policies that impact LGBTQ families but also to other groups including young people affected by abstinence only public policies and single parent families affected by welfare policy The book also addresses the idea that the normal family in the United States is white It concludes with a discussion of how scholars and activists can help create a more inclusive democracy by challenging this narrow view of public life

Youth, Sexuality and Sexual Citizenship Peter Aggleton, Rob Cover, Deana Leahy, Daniel Marshall, Mary Lou Rasmussen, 2018-10-10 Sexual citizenship is a powerful concept associated with debates about recognition and exclusion agency respect and accountability For young people in general and for gender and sexually diverse youth in particular these debates are entangled with broader imaginings of social transitions from child to adult and from unreasonable subject to one who can consent This international and interdisciplinary collection identifies and locates struggles for recognition and inclusion in particular contexts and at particular moments in time recognising that sexual and gender diverse young people are neither entirely vulnerable nor self reliant Focusing on the

numerous domains in which debates about youth sexuality and citizenship are enacted and contested Youth Sexuality and Sexual Citizenship explores young people's experiences in diverse but linked settings in the family at school and in college in employment in social media and through engagement with health services Bookended by reflections from Jeffrey Weeks and Susan Talburt the book's empirically grounded chapters also engage with the key debates outlined in its scholarly introduction This innovative book is of interest to students and scholars of gender and sexuality health and sex education and youth studies from a range of disciplinary and professional backgrounds including sociology education nursing social work and youth work

Sexual Citizenship and Disability Julia Bahner, 2019-12-05 What does sexual citizenship mean in practice for people with mobility impairments who may need professional support to engage in sexual activity The book explores this subject through empirical investigation based on case studies conducted in four countries Sweden England Australia and the Netherlands and develops the abstract notion of sexual citizenship to make it practically relevant to disabled people professionals in disability services and policy makers Through a cross national approach it demonstrates the variability of how sexual rights are understood and their culturally specific nature It also shows how the personal is indeed political states different policy approaches change the outcomes for disabled people in terms of support to explore and express their sexualities By proposing a model of sexual facilitation that can be used in policy development to better cater to disabled service users needs as well as furthering the theoretical understanding of sexual rights and sexual citizenship this book will be of interest to professionals in disability services and policy makers as well as academics and students working in the following subject areas Disability Studies Sociology Social Policy Sexuality Studies Sexology Social Work Nursing Occupational Therapy and Public Health

Sexual Citizenship and Social Change Darren Langdridge, 2024 There has been enormous change in social and state acceptance regarding sex and sexualities over the last thirty years or so in the West with an apparent new acceptance and openness towards diverse sexual practices and sexualities Much of this change has come about through community claims for rights grounded in critical social theory and the language of citizenship While accepting that much of this critique has been valuable in advancing rights for sexual minorities *Sexual Citizenship and Social Change* raises the spectre that the mode of critique itself may now have become problematic To this end this book examines the use and abuse of critique in contemporary sexuality scholarship and associated activism and presents an argument that a new danger for contemporary sexual life emerges from an excess of critique This implicates a particular form of critique that is detached and unfettered set loose from the usual anchor of tradition What is most dangerous of all with this excess of unfettered critique is that it emerges from within minority sexual communities and their allies not from the usual conservative opposition to progressive change Even the most ostensibly well meaning critic and associated critique can become problematic when their arguments are detached from tradition So while recognising there is proven value in critique it has limits and we are arguably witness to some sensible limits being breached While other authors focus their critical

efforts on resistance to change and the limitations of tradition Sexual Citizenship and Social Change takes on critique itself

Sexual Citizenship and Queer Post-Feminism Ruby Grant, 2020-08-05 Sexual Citizenship and Queer Post Feminism makes new connections between post feminism and queer theory to explore the complexities of contemporary gender and sexuality In a wide ranging examination of sex education safe sex and sexual healthcare this book demonstrates how queer post feminist discourses practically shape young women s lives Bisexual pansexual non binary queer With the ever expanding scope of gender and sexuality categories some feminists have bemoaned a shrinking of the lesbian world But how do young women understand these identity politics Drawing on extensive interviews with queer young people this book offers a timely exploration of the links between identity sex and health Utilising cross disciplinary perspectives grounded in international social science research this book will appeal to students and scholars with interests in sexuality and sexual health and those in the fields of gender and sexuality studies public health social work and sociology The book also offers implications for practice suitable for policy makers health practitioners and activist audiences

Sexuality and Citizenship Diane Richardson, 2017-09-18 Sexual citizenship has become a key concept in the social sciences It describes the rights and responsibilities of citizens in sexual and intimate life including debates over equal marriage and women s human rights as well as shaping thinking about citizenship more generally But what does it mean in a continually changing political landscape of gender and sexuality In this timely intervention Diane Richardson examines the normative underpinnings and varied critiques of sexual citizenship asking what they mean for its future conceptual and empirical development as well as for political activism Clearly written the book shows how the field of sexuality and citizenship connects to a range of important areas of debate including understandings of nationalism identity neoliberalism equality governmentality individualization colonialism human rights globalization and economic justice Ultimately this book calls for a critical rethink of sexual citizenship Illustrating her argument with examples drawn from across the globe Richardson contends that this is essential if scholars want to understand the sexual politics that made the field of sexuality and citizenship studies what it is today and to enable future analyses of the sexual inequalities that continue to mark the global order

The Quest for Sexual Health Steven Epstein, 2022-03-23 Offering an entryway into the distinctive worlds of sexual health and a window onto their spillover effects sociologist Steven Epstein traces the development of the concept and parses the debates that swirl around it Since the 1970s health professionals researchers governments advocacy groups and commercial interests have invested in the pursuit of something called sexual health Under this expansive banner a wide array of programs have been launched organizations founded initiatives funded products sold and yet no book before this one asks What does it mean to be sexually healthy When did people conceive of a form of health called sexual health And how did it become the gateway to addressing a host of social harms and the reimagining of private desires and public dreams Conjoining sexual with health changes both terms it alters how we conceive of sexuality and transforms what it means to be healthy prompting new expectations of what

medicine can provide Yet the ideal of achieving sexual health remains elusive and open ended and the benefits and costs of promoting it are unevenly distributed across genders races and sexual identities Rather than a thing apart sexual health is intertwined with nearly every conceivable topical debate from sexual dysfunction to sexual violence from reproductive freedom to the practicalities of sexual contact in a pandemic In this book Steven Epstein analyzes the rise proliferation uptake and sprawling consequences of sexual health activities offering critical tools to assess those consequences expand capacities for collective decision making and identify pathways that promote social justice Intimate Citizenship Ken Plummer,2011-10-01 Solo parenting in vitro fertilization surrogate mothers gay and lesbian families cloning and the prospect of designer babies Viagra and the morning after pill HIV AIDS the global porn industry on line dating services virtual sex whether for better or worse our intimate lives are in the throes of dramatic change In this thought provoking study sociologist Ken Plummer examines the transformations taking place in the realm of intimacy and the conflicts the intimate troubles to which these changes constantly give rise In surveying the intimate possibilities now available to us and the issues swirling around them Plummer focuses especially on the overlap of public and private Increasingly our most private decisions are bound up with public institutions such as legal codes the medical system or the media What impact does the increasingly public character of personal life have on our sense of ourselves and on how we view our own intimate choices To navigate our way through a world in which people's private lives are so often subject to public scrutiny and debate and in which the public sphere is increasingly pluralized and contested we must broaden our understanding of what it means to be a citizen Through the idea of intimate citizenship Plummer sets an important agenda for the years to come *Citizenship After Orientalism* Engin F Isin,2015-10-14 This collection offers a postcolonial critique of the ostensible superiority or originality of Western political theory and one of its fundamental concepts citizenship The chapters analyse the undoing uncovering and reinventing of citizenship as a way of investigating citizenship as political subjectivity If it has now become very difficult to imagine citizenship merely as nationality or membership in the nation state this is at least in part because of the anticolonial struggles and the project of reimagining citizenship after orientalism that they precipitated If it has become difficult to sustain the orientalist assumption the question arises how do we investigate citizenship as political subjectivity after orientalism This book was originally published as a special issue of Citizenship Studies **European Sexual Citizenship** Francesca Romana Ammaturo,2016-11-09 This book is an innovative and critical contribution to the study of the human rights of lesbian gay bisexual transgender intersex and queer LGBTIQ people in the context of Europe Combining legal and Foucauldian approaches it investigates the ways in which current discourses about LGBTIQ rights in Europe are tightly bound to contemporary debates about national and trans national citizenship The author defines and analyzes the concept of multisexual citizenship to illustrate new flexible forms of sexual and gendered citizenship that could radically transform practices of citizenship and the current human rights framework in Europe She does this by combining critical

deconstructions of the case law of the European Court of Human Rights with ethnographic observations and sociological analysis This interdisciplinary work will appeal to sociologists lawyers and researchers of gender and LGBTIQ rights

Routledge Handbook of Global Citizenship Studies Engin Isin, Peter Nyers, 2014-06-27 Citizenship studies is at a crucial moment of globalizing as a field What used to be mainly a European North American and Australian field has now expanded to major contributions featuring scholarship from Latin America Asia Africa and the Middle East The Routledge Handbook of Global Citizenship Studies takes into account this globalizing moment At the same time it considers how the global perspective exposes the strains and discords in the concept of citizenship as it is understood today With over fifty contributions from international interdisciplinary experts the Handbook features state of the art analyses of the practices and enactments of citizenship across broad continental regions Africas Americas Asias and Europes as well as deterritorialized forms of citizenship Diasporicity and Indigeneity Through these analyses the Handbook provides a deeper understanding of citizenship in both empirical and theoretical terms This volume sets a new agenda for scholarly investigations of citizenship Its wide ranging contributions and clear accessible style make it essential reading for students and scholars working on citizenship issues across the humanities and social sciences *Intolerant Britain? Hate Citizenship And Difference* McGhee, Derek, 2005-04-01 Annotation

Handbook of Lesbian and Gay Studies Diane Richardson, Steven Seidman, 2002-11-18 Drawing from a rich team of global contributors and carefully structured to elucidate the core issues in the field this text is organised into four sections History and theory Identity and community Institutions and Politics *The Sexual Politics of Asylum* Calogero Giametta, 2017-03-27 Today within neoliberal democracies gender and sexuality provisions give people the opportunity of being granted social and legal protection But how does the asylum system intervene within claimants understandings of themselves and in what ways does this affect their livelihoods in the country of arrival The Sexual Politics of Asylum emerges from a 2 year long ethnography which explores the experiences of 60 gender and sexual minority refugees in the UK Bringing previously unheard stories to the forefront this enlightening volume challenges dominant notions about the construction of sexuality and gender as an instrument for claiming rights in a world shaped by postcolonial relations Giametta first examines why the migratory experience of the studied migrants is located within a set of humanitarian inflected discourses that privilege suffering and trauma This is then followed by an assessment of the respondents biographical accounts which consequently uncovers how being situated in liminal socio political and legal interstices produces precarious forms of life Whilst the topic of asylum for gender and sexual minorities has attracted wide media coverage over the past decade there persists a lack of academic attention to the complex experiences of these refugees As such this timely book will be of interest to undergraduate and postgraduate students interested in human rights sociology anthropology migration sexuality gender and cultural studies as well as people working within the refugee granting process *The Palgrave Handbook of Gender and Citizenship* Birte Siim, Pauline Stoltz, 2024-05-31 Chapter s Chapter 12 is

available open access under a Creative Commons Attribution 4.0 International License via link [springer.com](https://www.springer.com) **Handbook of Political Citizenship and Social Movements** Hein-Anton van der Heijden, 2014-10-31 This Handbook uniquely collates the results of several decades of academic research in these two important fields. The expert contributions successively address the different forms of political citizenship and current approaches and recent development [EU Citizenship and Federalism](#) Dimitry Kochenov, 2017-04-13 Leading experts in EU constitutional law examine the foundational importance of citizenship rights in delimiting the scope of EU law **Thinking Straight** Chrys Ingraham, 2013-05-13 This collection of original essays will unravel the current heterosexual scene in two parts: one on rights and privileges, the other on popular culture. Topics covered include weddings, proms, citizenship, marriage, penalties, cartoons, mermaids, and myth.

Sexual Citizen Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Sexual Citizen free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Sexual Citizen free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Sexual Citizen free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Sexual Citizen. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for

everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Sexual Citizen any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Sexual Citizen Books

1. Where can I buy Sexual Citizen books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Sexual Citizen book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Sexual Citizen books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Sexual Citizen audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Sexual Citizen books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
