

The background of the book cover is a deep red color. It features a large, embossed illustration of a central figure with a phallic torso. The figure's arms are raised, holding a crescent moon in the upper left and a sun with a face in the upper right. Below the figure, there are two large, stylized stars or pentagrams, one on the left and one on the right, and a small skull-like symbol in the center. The entire design is rendered in a lighter red, embossed style.

Sexual symbolism Sexual symbolism a history of phallic worship Richard Payne Knight, Thomas Wright, 1957 A Curious History of Sex Kate Lister, 2020-02-06 This is not a comprehensive study of every sexual quirk kink and ritual across all cultures throughout time as that would entail writing an encyclopaedia Rather this is a drop in the ocean a paddle in the shallow end of sex history but I hope you will get pleasantly wet nonetheless The act of sex has not changed since people first worked out what went where but the ways in which society dictates how sex is culturally understood and performed have varied significantly through the ages Humans are the only creatures that stigmatise particular sexual practices and sex remains a deeply divisive issue around the world Attitudes will change and grow hopefully for the better but sex will never be free of stigma or shame unless we acknowledge where it has come from Based on the popular research project Whores of Yore and written with her distinctive humour and wit A Curious History of Sex draws upon Dr Kate Lister's extensive knowledge of sex history From medieval impotence tests to twentieth century testicle thefts from the erotic frescoes of Pompeii to modern day sex doll brothels Kate unashamedly roots around in the pants of history debunking myths challenging stereotypes and generally getting her hands dirty This fascinating book is peppered with surprising and informative historical slang and illustrated with eye opening toe curling and meticulously sourced images from the past You will laugh you will wince and you will wonder just how much has actually changed Sexual Symbolism Richard Payne Knight, Thomas Wright, 1957 *Performing the Penis* Meredith Jones, Evelyn Callahan, 2022-07-29 This book will be the first collection that offers an overview and case studies around understandings and manifestations of penises and phalluses in the early twenty first century It examines how penises and phalluses are experienced and represented drawing on examples from pornography stripping music video film surgery and comedy The penis along with its twin the phallus has been used to symbolise strength fertility and power but also bestiality violence and the savage It has been worshipped feared and mocked With contributing authors deploying conceptual frameworks based in philosophy cultural studies gender studies affect theory film theory feminist theory art theory sociology history medical anthropology and media studies this volume will appeal to a broad range of scholars and all who are interested in bodies genitals gender and contemporary cultures **Queering the Medieval Mediterranean: Transcultural Sea of Sex, Gender, Identity, and Culture**, 2021-07-26 In ten essays authored by an international team of scholars this volume explores queer readings of Western and Eastern Mediterranean Europe Northern Africa Islam and Arabic traditions The contributors enter into a dialogue comparing cases from opposite sides of the Mediterranean in order to analyze the forgotten exchange of sexualities that was brought forth through the

Mediterranean and its bordering landmasses during the Middle Ages This collection questions the hypothesis that distinct cultures treated sexuality and the other differently The volume initiates the conversation around queerness and sexuality on these trade routes and problematizes the differences between various Mediterranean cultures in order to argue that through both queerness and sexuality neighboring civilizations had access to and knowledge of common shared experiences Contributors are Sahar Amer Israel Burshatin Robert L A Clark Denise K Filos Ellen Lorraine Friedrich Edmund Hayes Gregory S Hutcheson Vicente Lled Guillem Leyla Rouhi and Robert S Sturges
