**Sequels** Janet G. Husband, Jonathan F. Husband, 2009-07-30 A guide

to series fiction lists popular series identifies novels by character and offers guidance on the order in which to read  
unnumbered series     *High-Profile Crimes* Lynn S. Chancer, 2010-02-15 O J Simpson The Central Park jogger Bensonhurst  
William Kennedy Smith Rodney King These are more than crimes and criminals more than court cases They are cultural  
events that for better or worse gave concrete expression to latent social conflicts in American society In *High Profile Crimes*  
Lynn Chancer explores how these cases became conflated with larger social causes on a collective level and how this  
phenomenon has affected the law the media and social movements An astute and incisive chronicle of some of the most  
polarizing cases of the 1980s and 1990s *High Profile Crimes* shows that their landmark status results from the overlapping  
interaction of diverse participants The merging of legal cases and social causes Chancer argues has wrought ambivalent  
effects on both social movements and the law On the one hand high profile crimes offer important opportunities for emotional  
expression and raise awareness of social issues But on the other hand social problems cannot be resolved through the either  
or determinations that are the goals of the legal system creating frustration for those who look to the outcome of these cases  
for social progress Guilt or innocence through the lens of the media leads to either defeat or victory for a social cause a  
confounding situation that made the O J Simpson case for example unable to resolve the issues of domestic violence and  
police racism that it had come to symbolize Based on nearly two hundred interviews Chancer's discussions of the infamous  
Central Park jogger and Bensonhurst cases as well as the rape trials of William Kennedy Smith and Mike Tyson the assault  
cases of Rodney King and Reginald Denny and finally the O J Simpson murder trial provide a convincing multidimensional  
and innovative analysis of the most charged public dramas of the last two decades     [Timelines of American Women's  
History](#) Sue Heinemann, 1996 Spanning five hundred years of American history this definitive reference provides an incisive  
look at the contributions that women have made to the social cultural political economic and scientific development of the  
United States Original     *Women's Issues for a New Generation* Gail Ukockis, 2016-05-13 This introductory text on women's  
issues includes both U S and global issues thus motivating students to see the bigger picture Written in an engaging style  
that stresses compelling stories over dry facts this book will stimulate class discussion Including men in the discussion of  
gender equality is also emphasized     [Encyclopedia of Prostitution and Sex Work](#) Melissa Hope Ditmore, 2006-08-30 The  
cliche is that prostitution is the oldest profession Isn't it time that the subject received a full reference treatment This major  
2 volume set is the first to treat in an inclusive reference what is usually considered a societal failing and the underside of  
sexuality and economic survival The A to Z encyclopedia offers wide ranging entries related to prostitution and the sex  
industry past and present both worldwide mostly in the West and in the United States The topic of prostitution has high  
interest appeal across disciplines and the narrative entries illuminate literature art law medicine economics politics women's  
studies religion sociology sexuality film popular culture public health nonfiction American and world history business gender  
media education crime race technology performing arts family social work social mores pornography the military tourism

child labor and more It is targeted to the general reader who will gain useful insight into the human race through time via its sex industry and prostitution An introduction overviews the scope of prostitution from the earliest historical records including the Bible User friendly lists that are alphabetically and topically arranged help the reader find entries of interest as does the comprehensive index A chronology proffers significant dates related to the topic Each entry is signed and has suggestions for further reading Sample entries Abolition Actresses Augustine Saint Barr Candy Bible Camp Followers Chamberlain Kahn Bill of 1918 Child Prostitution Clothing Contagious Diseases Acts of 1864 1866 and 1869 Crime Debby Doesn't Do It for Free Dickens Charles Devadasi Entrapment Fallen Woman Trope Feminism Films Cult Five Points Free Love Geisha Globalization Guidebooks Hip Hop HIV AIDS and the Prostitution Rights Movement Human Rights Incest Internet Jack the Ripper Kama Sutra League of Nations Lulu Male Stripping Mann Act Mayhew Henry Memoirs Migration and Mobility Nazi Germany Poetry Purity Movements R Religion Salvation Army Scapegoating Slang Storyville Temporary Marriage Unions Venice Window Prostitution
