**The Open University**

## **Sexualities Personal Lives And Social Policy:**

**Corporate power and social policy in a global economy** Farnsworth, Kevin, 2004-01-28 Spanning the complete era of the Conservative governments and the first term of New Labour this book looks at mechanisms of corporate power and influence corporate opinion and influence in a range of social policy areas including education training health and social security changing business influence on social policy in recent years in an international context and business involvement in social policy initiatives and welfare delivery By exploring business views and opinions power influence and involvement in social provision this book helps to address important questions in social policy and in so doing goes some way towards closing a gaping hole in the current literature The book's breadth and multidisciplinary approach will appeal not only to students of social policy but also to students of business public sector management and politics their teachers and policy makers in the field

**Sexual Identities and Sexuality in Social Work** Priscilla Dunk-West, 2016-04-01 Sexuality and sexual identity have been relatively marginalized areas in both social work education and practice However changes in policy and legislation in the UK and other countries over the past decade have brought discussions of sexuality into the mainstream public service agenda In social work and social care gay and lesbian citizenship rights have been explicitly recognised In the fields of adoption and fostering new regulations and guidance have helped improve and develop practice around assessment and intervention It remains the case however that sex is often perceived as a problem area within social work and social care discussed only in relation to sexually diverse communities or in the realm of dysfunction or pathology This collection aims to generate a more proactive and challenging discussion of sexuality and sexual identity in social work Its starting point is that sexuality is an essential aspect of individual identity that users must be able to express their sexuality and that it is essential for social workers to be able to respond and discuss sexual issues appropriately The contributions are informed by feminist research considering in particular the experiences of women working in and using social care services since the 1990s In addition to a consideration of the wider policy legislative and service providers perspectives the book includes reflective accounts as well as research led contributions offering a comprehensive and balanced account of this important field which aims to inform both theory and practice

**Understanding Theories and Concepts in Social Policy** Ruth Lister, Ruth Patrick, Kate Brown, 2024-02-27 Demonstrating the relevance of theory to political and policy debates and practice this dynamic and fully updated second edition helps students to grasp the real life implications of social policy theory It includes a new chapter featuring debates around disability sexuality and the environment

**Key Themes in Social Policy** Patricia Kennedy, 2013-03-05 Key Themes in Social Policy provides an accessible and authoritative introduction to the key concepts used in social policy from autonomy to wellbeing With over 100 ideas discussed this is a comprehensive student guide and is designed to help readers to gain a deeper understanding of major debates and issues Each entry explains the origin of the word discusses its relationship to the social sciences describes its relevance to social policy and how widespread its use is

outlines some of the key thinkers and research on the topic and gives suggestions for further reading Making it easy to understand and use the most important ideas in the area this is an essential companion for all students taking social policy courses

*Social Inequalities* Anya Ahmed, Deidre Duffy, Lorna Chesterton, 2023-02-16 Part of the New Approaches to Sociology series *Social Inequalities* is a relevant and valuable exploration of how we see the world through a decolonised lens Aimed at undergraduate and postgraduate students of sociology this textbook offers a critical re reading of traditional approaches to understanding social inequalities and responds to the call from university administrations academics and students to decolonise the curriculum and challenge its lack of diversity It presents an intersectional approach to understanding diversity and social inequalities and in so doing allows for alternative knowledge sources and voices to be heard From looking at social groups such as race age sexuality and class alongside a nuanced evaluation of traditional sociological theories such as Marxism functionalism and feminism this book is an expert guide to the debates central to understanding the challenges individuals face in society Including personal stories and case studies students will be exposed to an authentic and real world view of how individuals have encountered discrimination *Social Inequalities* is an essential resource for anyone working and studying across sociology and anyone interested in challenging established ways of looking at the world Professor Anya Ahmed Dr Deirdre Duffy and Dr Lorna Chesterton work in the faculty of health and education at Manchester Metropolitan University UK

*Sexualities and Society* Megan Todd, 2020-11-11 *Sexualities and Society* adopts a fresh sociological perspective to explore the development of sexualities across both public and private spheres giving thoughtful consideration to heterosexualities cis bi and trans identities Divided into three parts the book starts with an exploration into the history of sexuality before covering the key theories and how research into sexualities has been and could be conducted Parts two and three examine how sexualities are framed by cultural factors and social institutions including the media religion and politics and considers the impact of how significant issues such as identity age health and violence relate to sexuality Employing a range of international case studies up to date policy developments and engaging learning features such as discussion points and fact file sections this book is essential reading for students studying sexuality across sociology social policy social care media and politics

*Lesbian, Gay, Bisexual and Trans Health Inequalities* Julie Fish, Kate Karban, 2015-03-18 This pioneering study examines inequalities experienced by LGBT people in health care and considers the role of social work in addressing the inequity The book is organized into three parts the first provides a policy context in four countries the second examines social work practice in tackling health inequalities and the third considers research and pedagogic developments The volume's distinctive international approach features practice vignettes as well as key theoretical perspectives on the components of health inequalities including social determinants of health minority stress ecological approaches and human rights With a preface from Gary Bailey president of the International Federation of Social Workers *Lesbian Gay Bisexual and Trans Health Inequalities* will be relevant to an interdisciplinary international audience of

social work educators practitioners and students      **Sexualities** Jean Carabine, 2004 What constitutes normal sexuality is a highly debated and contentious issue This text explores and examines the choices that we make about our sexuality how these can transform our personal lives and how social policy informs and responds to such choices      Social Policy in Britain Pete Alcock, Lee Gregory, 2022-03-24 In this fifth edition of the best selling core introductory textbook Pete Alcock and Lee Gregory provide a comprehensive and engaging introduction to social policy Continuing with the unbeaten narrative style and accessible approach of the previous editions the authors explore the major topics of social policy in a clear and digestible way By breaking down the complexities behind policy developments and their outcomes the book demonstrates the relationship between core areas of policy and the society we live in This new edition has been thoroughly revised and updated to cover the impact of Brexit and contains reflections on the implications of the Covid 19 pandemic for social policy Each chapter contains comprehension activities to aid understanding as well as helpful summary points and suggestions for further reading      *Sexuality and Social Work* Julie Bywater, Rhianon Jones, 2007-10-08 Sexuality remains a neglected and largely taboo area within practice but it can be a demanding aspect of social work Social workers may be familiar with the importance of issues such as racism and ethnicity but sexuality is also a very significant part of people's lives closest relationships and sense of identity This valuable resource introduces the topic using a combination of perspectives to consider sexual diversity and examining related issues across the life course including sexual orientation disability HIV sexual abuse mental health and sexual exploitation      **Sexuality, parenthood and population** The Open University, This 10 hour free course explored how attitudes to parenthood and sexuality have changed over time with specific reference to declining fertility      **Social Policy in Post-Industrial Singapore** Kwen Fee Lian, Chee-Kiong Tong, 2008-03-31 Notwithstanding the lean years that followed 1986 and 1997 sustained economic growth since the late 1970s has propelled Singapore into the post industrial age and reproduced the demographic and social structure of advanced western societies The rapid shift to a knowledge intensive economy requiring highly skilled services has resulted in a two speed society consisting of a highly competitive but rewarding sector and a marginalized population that is increasingly at risk Being avowedly anti welfarist the state for ideological reasons has resisted pressures to introduce a comprehensive welfare regime for its risk population preferring to privilege its productive citizenry Is Singapore a counterfactual to the convergence thesis by preferring to put in place a social policy driven by the belief of its leaders that the more successful a society is the more it is able to care for those who fall behind      *Sexuality and Citizenship* Diane Richardson, 2017-09-18 Sexual citizenship has become a key concept in the social sciences It describes the rights and responsibilities of citizens in sexual and intimate life including debates over equal marriage and women's human rights as well as shaping thinking about citizenship more generally But what does it mean in a continually changing political landscape of gender and sexuality In this timely intervention Diane Richardson examines the normative underpinnings and varied critiques of sexual citizenship asking what

they mean for its future conceptual and empirical development as well as for political activism Clearly written the book shows how the field of sexuality and citizenship connects to a range of important areas of debate including understandings of nationalism identity neoliberalism equality governmentality individualization colonialism human rights globalization and economic justice Ultimately this book calls for a critical rethink of sexual citizenship Illustrating her argument with examples drawn from across the globe Richardson contends that this is essential if scholars want to understand the sexual politics that made the field of sexuality and citizenship studies what it is today and to enable future analyses of the sexual inequalities that continue to mark the global order

*Irish Social Policy* Fiona Dukelow, Mairéad Considine, 2017-05-31 This 2nd edition of a highly respected textbook offers a comprehensive introduction to Irish social policy It provides an accessible critical overview taking account of significant changes over recent years The book is organised across four key sections 1 Traces the emergence and development of Irish social policy from its origins to the present 2 Situates the Irish case in the wider context of the politics ideology and socio economic factors relevant to the development and reform of welfare states 3 Analyses core social service areas with specific reference to the contemporary Irish context 4 Explores how social policy affects particular groups in Irish society including children older people people with disabilities carers new immigrant and minority ethnic groups and LGBT people Discusses the challenges posed by environmental issues and the importance of a social policy perspective Text boxes used throughout provide policy summaries definitions of key concepts along with guides for further reading and discussion This is a valuable resource for undergraduate and postgraduate students studying Irish social policy and allied subjects

**Management and Organisations in Social Work** Trish Hafford-Letchfield, 2009-04-17 This fully revised and updated second edition looks at the study of social work management and organisations focusing on relationships with crucial partners such as central government agencies local partners and other social care organisations Through an examination of current research and practice the author explores the relationships between ideology professional and personal values and decision making in organisational culture Included in the text are case studies activities and further reading lists to aid learning

*Rethinking Children's Citizenship* T. Cockburn, 2012-11-16 This book explores the relationship between children and citizenship analyzing international perspectives on citizenship and human rights and developing new methods for facilitating the recognition of children as participating agents within society

**EBOOK:**  
*Understanding Youth in Late Modernity* Alan France, 2007-04-16 *Understanding Youth in Late Modernity* is a highly readable book which lends itself both as a solid introduction and a reference point to the historical developments and theoretical debates taking place within the discipline of youth studies This book provides a highly accessible text for anybody interested in the subject of youth and its changing role in late modernity I thoroughly recommend it *Journal of Contemporary European Studies* This illuminating new book embeds our understanding of the youth question within a historical context It shows how the ideas of past political action in conjunction with the diverse paradigms of social science disciplines have

shaped modern conceptions of the youth question This relationship between the political and the academic is then explored through a detailed examination of contemporary debates about youth in areas such as transitions education crime policy and criminology consumption and youth culture From this analysis the book is able to show how the youth question in late modernity is being shaped This important text includes A historical overview of the making of modern youth identifying major changes that took place over three centuries Examples of how political and academic responses construct youth as a social problem An evaluation of the impact of social change in late modernity on our understanding of the youth question and the everyday lives of the young The book concludes by suggesting that in contemporary understandings of the youth question significant differences exist between the political and the academic Major challenges exist if this gap is to be addressed and a new public social science needs to emerge that reconstitutes debates about youth within a form of communicative democracy Understanding Youth in Late Modernity is key reading for students and academics interested in the historical conception of the youth problem its evolution throughout modernity and endeavours to find a solution **Paying for Pleasure** Teela

Sanders,2013-05-13 Drawing on original empirical data with men who buy sex this book takes a fresh look at the relationships clients have with female sex workers The core questions that form the backbone of the research are not only the expected inquiry into why men buy sex but also into the sociological and psychological processes that men encounter in order to enter an assumed deviant sexual behaviour as part of their everyday lives These sociological processes of finding negotiating and buying sexual services are complicated by the stigma directed towards men who buy sex Exactly how do men behave with sex workers what are their relationships like what emotions are involved and can intimacy be bought Questioning the dichotomy made between commercial and non commercial relationships the data suggests that intimacy and commerce are compatible Managing secrecy stigma and the consumption of intimacy takes this book into some of the more challenging theoretical areas of masculinity and emotional consumption in contemporary society Drawing some parallels from the author s earlier book Sex Work A Risky Business the book offers insights into why engagement in commercial sex is prolific as sexual culture is transformed in late modernity LGBTQ+ Intimacies in Southern Europe Ana Cristina

Santos,2022-11-18 This Open Access book argues that Southern European countries offer valuable though historically overlooked knowledge regarding intimate citizenship Guided by the fundamental sociological question of how change takes place and concomitantly how law and social policy adjust to and or shape the practices and expectations of individuals in the sphere of intimacy this edited volume explores partnering parenting and friendship issues from the perspective of lesbian gay bisexual trans and queer people in Italy Portugal and Spain Chapters offer a cross national understanding of the relationship between everyday practices of intimacy amongst LGBTQ people and national legal political and policy contexts in terms of the recognition of otherwise intimate strangers The book contributes to further theoretical and policy debates about citizenship care and choice as well as more broadly sexuality welfare health and justice This book will be of interest to

scholars across Gender and Feminist Studies as well as Citizenship Studies Law Policy and Politics      Contemporary Adulthood J. Burnett, 2010-04-29 A new approach which problematizes the category of contemporary adulthood this book includes chapters on demographic change becoming thirty something graduates and work mental health and happiness new configurations of masculinity the sexual lifecourse political beliefs in adulthood and adulthood and the housing market

### **Sexualities Personal Lives And Social Policy Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Sexualities Personal Lives And Social Policy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sexualities Personal Lives And Social Policy has opened up a world of possibilities. Downloading Sexualities Personal Lives And Social Policy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sexualities Personal Lives And Social Policy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sexualities Personal Lives And Social Policy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sexualities Personal Lives And Social Policy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sexualities Personal Lives And Social Policy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit

vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sexualities Personal Lives And Social Policy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Sexualities Personal Lives And Social Policy Books**

1. Where can I buy Sexualities Personal Lives And Social Policy books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
