**Carol Barash**

## **Sexuality And Gender In Early Modern Europe Institutions Texts Images:**

**Sexuality and Gender in Early Modern Europe** James Turner,1993-08-05 An exploration of sexuality and gender in Renaissance art literature and society

**Sexuality and Gender in Early Modern Europe** James Grantham Turner,1993  
*Sexuality and Gender in Early Modern Europe* Paul HOYNINGEN-HUENE,1993

**Women and Gender in Early Modern Europe** Merry E. Wiesner,2000-07-03 This is a major new textbook designed for students in all disciplines seeking an introduction to the very latest research on all aspects of women s lives in Europe from 1500 to 1750 and on the development of the notions of masculinity and femininity The coverage is geographically broad ranging from Spain to Scandinavia and from Russia to Ireland and the topics investigated include the female life cycle literacy women s economic role sexuality artistic creations female piety and witchcraft and the relationship between gender and power To aid students each chapter contains extensive notes on further reading but few footnotes and the approach throughout is designed to render the subject in as accessible and stimulating manner as possible *Women and Gender in Early Modern Europe* is suitable for usage on numerous courses in women s history early modern European history and comparative history

**Christianity and Sexuality in the Early Modern World** Merry Wiesner-Hanks,2005-06-20 Christianity and Sexuality in the Early Modern World is the first global survey of such for the early modern period Merry Wiesner Hanks assesses the role of personal faith and the church itself in the control and expression of all aspects of sexuality The book ranges over developments within Europe and beyond to the European colonies including Brazil Mexico South Africa and Goa which were establishing themselves around the world Christian missionaries and rituals and structures accompanied all of the imperial powers and the control of the sexuality of both indigenous peoples and colonists was an essential part of policy The book is introduced with a clear original and engaging account of the central concepts in the study of sexuality in Christianity such as shame sin the body marriage and gender Drawing on diverse evidence including literary medical and historical the following sections chart changes in Western Christianity in the Late Middle Ages Protestantism and Catholicism in Europe Orthodoxy in Eastern Europe and Russia and finally the Spanish Portuguese English and Dutch Colonies Merry Wiesner Hanks exciting book covers both the ideas and effects in each period Christianity and Sexuality in the early Modern World includes discursive bibliographies which discuss major books and articles at the end of each chapter

[Handbook of Medieval Sexuality](#) Vern L. Bullough,James Brundage,2013-01-11 Like specialists in other fields in humanities and social sciences medievalists have begun to investigate and write about sex and related topics such as courtship concubinage divorce marriage prostitution and child rearing The scholarship in this significant volume asserts that sexual conduct formed a crucial role in the lives thoughts hopes and fears both of individuals and of the institutions that they created in the middle ages The absorbing subject of sexuality in the Middle Ages is examined in 19 original articles written specifically for this Handbook by the major authorities in their scholarly specialties The study of medieval sexuality poses problems for the

researcher indices in standard sources rarely refer to sexual topics and standard secondary sources often ignore the material or say little about it Yet a vast amount of research is available and the information is accessible to the student who knows where to look and what to look for This volume is a valuable guide to the material and an indicator of what subjects are likely to yield fresh scholarly rewards *Fluid Gender, Fluid Love* Deirdre Byrne, Wernmei Yong Ade, 2018-10-16 Gender and love are so intimately interconnected that it sometimes seems as though they bring each other into being But their relationship is shifting as human society develops new understandings of identity gender and the self The chapters in this volume explore the convoluted and ever changing nature of love gender and identity from a variety of disciplines and perspectives bearing testimony to the perennial appeal of this field of inquiry There are chapters on the historical constructions of love and gender the philosophical aspects the faultlines in twenty first century heteronormativity and the challenges of love from and within the margins Gender and love are interdisciplinary and this volume will appeal to scholars from all disciplinary protocols

**Major Women Writers of Seventeenth-century England** James Fitzmaurice, 1997 The first comprehensive anthology of seventeenth century English women writers **Andrew Marvell, Sexual Orientation, and Seventeenth-Century Poetry** George Klawitter, 2017-09-01 Andrew Marvell Sexual Orientation and Seventeenth Century Poetry examines the important Interregnum Restoration poet Andrew Marvell against a background of his contemporary lyric poets His major works from the early elegies to the later political pieces are discussed with a view to unmasking the poet s own sexuality and his reflection of prevailing sexual attitudes Popular poems like the Mower poems and The Nymph Complaining for the Death of her Fawn are explicated in depth as well as lesser known poems like The Unfortunate Lover and The Gallery Marvell often described as a chameleon has teased readers for hundreds of years This new book will help both new readers as well as established Marvellians to understand cryptic sexual meanings and references in the verses Poems are explicated against current heteronormative theory as well as recent work on homoeroticism autoeroticism and celibacy George Klawitter has devoted much of his recent scholarly life to a study of Marvell s lyric pieces and brings to this new book fresh insights into the suggestive intent of the poet s works **Ashgate Critical Essays on Women Writers in England, 1550-1700** Karen Raber, 2017-05-15 Elizabeth Cary s Tragedy of Mariam the first original drama written in English by a woman has been a touchstone for feminist scholarship in the period for several decades and is now one of the most anthologized works by a Renaissance woman writer Her History of Edward II has provided fertile ground for questions about authorship and historical form The essays included in this volume highlight the many evolving debates about Cary s works from their complicated generic characteristics to the social and political contexts they reflect to the ways in which Cary s writing enters into dialogue with texts by male writers of her time In its critical introduction the volume offers a thorough analysis of where Cary criticism has been and where it might venture in the future **Refashioning Ben Jonson** Julie Sanders, Kate Chedgzoy, Susan Wiseman, 1998-10-15 This collection of multi authored essays not only refashions and revises critical

understandings of the early modern dramatist Ben Jonson and his canon of work but is also self reflexive about the process It includes original essays by both established and emergent Jonson scholars and employs materialist feminist and queer theory in the production of its readings of Jonsonian playtexts and masques familiar and otherwise It is intended to encourage new approaches by students to this central figure from the Renaissance

**Reading Sex in the Eighteenth Century** Karen Harvey,2004 Publisher Description

**Latin Erotic Elegy and the Shaping of Sixteenth-Century English Love Poetry** Linda Grant,2019-08-29 Interdisciplinary in approach and methodologically sophisticated this book explores the dynamic reception of Latin erotic elegy in Renaissance love poetry

*Epistolary Community in Print, 1580-1664* Diana G. Barnes,2016-05-13 Epistolary Community in Print contends that the printed letter is an inherently sociable genre ideally suited to the theorisation of community in early modern England In manual prose or poetic form printed letter collections make private matters public and in so doing reveal first how tenuous is the divide between these two realms in the early modern period and second how each collection helps to constitute particular communities of readers Consequently as Epistolary Community details epistolary visions of community were gendered This book provides a genealogy of epistolary discourse beginning with an introductory discussion of Gabriel Harvey and Edmund Spenser s Wise and Wittie Letters 1580 and opening into chapters on six printed letter collections generated at times of political change Among the authors whose letters are examined are Angel Day Michael Drayton Jacques du Bosque and Margaret Cavendish Epistolary Community identifies broad patterns that were taking shape and constantly morphing in English printed letters from 1580 to 1664 and then considers how the six examples of printed letters selected for discussion manipulate this generic tradition to articulate ideas of community under specific historical and political circumstances This study makes a substantial contribution to the rapidly growing field of early modern letters and demonstrates how the field impacts our understanding of political discourses in circulation between 1580 and 1664

early modern women s writing print culture and rhetoric Lucrezia Marinella and the "querelle Des Femmes" in Seventeenth-century Italy Paola Malpezzi Price,Christine Ristaino,2008 Examines the place that Lucrezia Marinella holds within the dominant literary tradition of seventeenth century Italy as a writer as well as a woman who lived within a predominantly patriarchal culture

*High Anxiety* Kathleen Perry Long,2002-03-01 This collection explores the evolution of notions about masculinity during the intense crisis of Renaissance and early modern France Authors of the period reflect the anxieties about masculinity that became more pronounced against the backdrop of major events and innovations of the period the religious conflict in France the repeated questioning of religious and royal authority the revival of Greek skepticism the discovery of the New World and the rise of clinical medicine These events in turn fueled growing doubt concerning the fixed and hierarchical nature of gender distinction a distinction upon which many felt French culture was dependent for its very survival

Service and Dependency in Shakespeare's Plays Judith Weil,2005-06-09 This is an unusual study of the nature of service and other types of dependency and patronage in

Shakespeare's drama By considering the close associations of service with childhood or youth marriage and friendship Judith Weil sheds light on social practice and dramatic action Approached as dynamic explorations of a familiar custom the plays are shown to demonstrate a surprising consciousness of obligations and a fascination with how dependants actively change each other They help us understand why early modern people may have found service both frightening and enabling Attentive to a range of historical sources and social and cultural issues Weil also emphasises the linguistic ambiguities created by service relationships and their rich potential for interpretation on the stage The book includes close readings of dramatic sequences in twelve plays including Hamlet Macbeth The Taming of the Shrew and King Lear **English**

**Women's Poetry, 1649-1714** Carol Barash,1996 This is the first study to reconstruct the political origins of English women's poetry between the execution of Charles I and the death of Queen Anne Carol Barash's book shows that between Katherine Philips 1632-64 and Anne Finch Countess of Winchelsea 1661-1720 an English women's poetic tradition developed as part of the larger political shifts in these years and particularly in women writers' fascination with the figure of the female monarch Writers discussed include Aphra Behn Katherine Philips Anne Killigrew Jane Barker and Anne Finch Based on extensive archival research in England and the United States English Women's Poetry 1649-1714 argues that ideas about women's voices and women's communities were crucial to the shaping of an English national literature after the civil wars Women enter print culture as poets and as women by situating their writing in defence of embattled monarchy Women poets are especially fascinated with the figure of the female monarch both real and mythic Their sense of poetic legitimacy derives from the communities they generate around figures of female authority particularly James II's second wife Mary of Modena and later Queen Anne **Machiavelli in Love** Guido Ruggiero,2007-02 Publisher description [Renaissance Theory](#) James Elkins,Robert Williams,2008-04 Renaissance Theory presents an animated conversation among art historians about the optimal ways of conceptualizing Renaissance art and the links between Renaissance art and contemporary art and theory This is the first discussion of its kind involving not only questions within Renaissance scholarship but issues of concern to art historians and critics in all fields Organized as a virtual roundtable discussion the contributors discuss rifts and disagreements about how to understand the Renaissance and debate the principal texts and authors of the last thirty years who have sought to reconceptualize the period They then turn to the issue of the relation between modern art and the Renaissance Why do modern art historians and critics so seldom refer to the Renaissance Is the Renaissance our indispensable heritage or are we cut off from it by the revolution of modernism The volume includes an introduction by Rebecca Zorach and two final synoptic essays as well as contributions from some of the most prominent thinkers on Renaissance art including Stephen Campbell Michael Cole Frederika Jakobs Claire Farago and Matt Kavalier
