Sexuality Gods Gift:

Sexuality: God's Gift Anne Krabill Hershberger, 2010-06-17 Big business makes big money selling a phony notion of what we want and need as sexual people Ads insist that certain products will make us more sexually appealing But what we really want and need is true intimacy the knowledge that we matter to another person and are loved for who we are We all are sexual beings all of our lives and relate to each other sexually all the time God marvelously made us this way Using the metaphor of sexuality as a good gift from God this book offers Christian resources for living a sexually healthy and fulfilling life Extraordinarily comprehensive nuanced and sensitive even richer than its predecessor It is a splendid resource for all Christians who wish to live more deeply in gratitude to God for their own sexuality James B Nelson professor emeritus of Christian ethics United Theological Seminary of the Twin Cities An important contribution to Christians seeking to celebrate their sexuality with holiness and integrity The Rev Debra W Haffner executive director Religious Institute Westport Connecticut

Dwyer,1988 Sexuality is both fascinating and troubling It seems to promise that transcendence of ourselves which is our deepest human desire and yet it makes us painfully aware of our limits and of the supreme difficulty of finding ourselves in the process of losing ourselves The relationship of Christianity to sexuality has been particularly troubled but this book is an attempt to reflect on the phenomenon of sexuality from the standpoint of what is central to Christianity that is the view of God and of the human condition which became real in the words and in the life of Jesus of Nazareth The book tries to answer this question if we take Christianity seriously how do we think about our sexuality and what do we do about it This book draws on the ethical reflections of many thinkers and it draws on much work in psychology but its primary focus is either that of ethics or of psychology The book intends to be theology the attempt to talk intelligently about God and the relationship of God to every area of human existence and especially to those aspects of life which are near the center of the human personality and foremost among such is sexuality *Understanding Teenage Sexuality* Steven Emery-Wright,2009 *Inclusion and Sexuality in Catholic Higher Education* Mark A. Levand,2023-05-23 Drawing on research conducted at 17 Catholic universities in the United States making it the largest study of its kind this volume explores effective practice in improving institutional policy relating to issues of sexuality The text calls attention to campus cultures of fear shame or denial around sexuality and highlights possible points of institutional resistance to changes in policy Discussing topics such as sexual identity sexuality education in the curriculum Title IX employee termination and morality clauses the book shows how staff and faculty are crucial in effecting change across Catholic campuses providing valuable insight into the unspoken rules around sexuality within the shadow culture at Catholic institutions Moreover the text illustrates how institutions can maintain fidelity to Church teachings and even embrace notions of human dignity solidarity and the common good to achieve sexual inclusivity A unique study demonstrating how Catholic teaching can help support inclusive change around issues of sexuality and gender in higher education it ultimately puts forward a practical framework for effecting change and improving student and staff support structures in Catholic institutions It will thus appeal to researchers and academics working in the fields of Higher Education Management Gender and Sexuality in Education Religion Gender and Sexuality and the Sociology of Religion Professional Sexual Ethics Patricia Beattie Jung,Darryl W. Meet Your Mother Dr. Mark Miravalle, 1957 Ever wonder why so many people pay so much attention to Mary the Mother of Jesus? From the most ancient traditions of Mary in Christianity to the Hail Mary pass in American football the Mother of Jesus has pervaded most world cultures for the last two thousand years. But could the Mother of Jesus also be your mother? That's the question explored in the exciting new book *Meet Your Mother*. This easy read pocket book on Mary covers all the major teachings about the Mother of Jesus but is particularly written for the person who has little or no background knowledge about her. Authored by Dr. Mark Miravalle a professor who has taught and written about Mary for over 25 years *Meet Your Mother* is the perfect little book to introduce someone to the life and truth about Jesus' Mother but also to renew a person's existing knowledge and love for the woman believed to have brought Jesus into the world and who Jesus gave personally to every human being with his dying words: "This is your mother." Here's an excerpt from the Introduction of *Meet Your Mother*: "This little book is about your Mother. I know you might not see her as that right now but that's the point of the book: to meet her if you do not already know her and if you do already know her to love her more. Now please consider reading on even if you do not consider Jesus to be your best friend and or if you don't presently believe Mary the Mother of Jesus is your spiritual mother. I would be honored if you would at least give me the chance to try to explain why I believe you do in fact have the most beautiful and the most perfect mother in the world: a maternal gift of love and sacrifice from the dying Jesus personally to you. If nothing else you may have a new understanding of why well over 1.5 billion people living today do believe they have the Mother of Jesus as their own spiritual mother as well. And beyond Catholics and Orthodox Christians there are millions and millions of other members of our human family including many Protestant Christians Muslims and other world religions who give a special place of honor to the Mother of Jesus." **Competent Christian**

Christian Ethics and Contemporary Moral Problems Michael C. Banner, 1999-09-28 This book addresses such key ethical issues as euthanasia the environment biotechnology abortion the family sexual ethics and the distribution of health care resources Michael Banner argues that the task of Christian ethics is to understand the world and humankind in the light of the credal affirmations of the Christian faith and to explicate this understanding in its significance for human action through a critical engagement with the concerns claims and problems of other ethics He illustrates both the distinctiveness of Christian convictions in relation to the above issues and also the critical dialogue with practices based on other convictions which this sense of distinctiveness motivates but does not prevent The book's importance lies in its attempt to show the crucial difference which Christian belief makes to an understanding of these issues whilst at the same time demonstrating some of the weaknesses and confusions of certain popular approaches to them

Sex, Men and God Douglas Weiss, 2002 Finally a book that deals with men's sexual issues in a direct compassionate and spiritual manner Dr Douglas Weiss shows men how they are not alone in their struggles and temptations regarding sex He also provides a roadmap to follow in bringing up young men to have a holy and scriptural understanding of God's plan for sex
