Understanding and Assessing Child Sexual Maltreatment Kathleen Coulborn Faller, 2003 The field of child sexual abuse has dramatically changed since Understanding Child Sexual Maltreatment was published in 1990 Considerable developments in child and offender research have emerged But more significantly a backlash against child abuse victims Child Protective Services and mental health professionals has impacted nearly every aspect of research diagnosis and intervention Understanding and Assessing Child Sexual Maltreatment Second Edition updates its comprehensive coverage of child sexual abuse definitions and indicators interview and questioning techniques and diagnosis guidelines to include an insightful response to the building social backlash against the so called child abuse industry Distinguished scholar and experienced practitioner Kathleen Coulborn Faller applies twenty five years of clinical experience and state of the art research to offer authoritative guidance to both novice and experience practitioners This Second Edition has been extensively revised to include A completely rewritten section on data gathering and analysis Updated assessment techniques and instruments Detailed coverage of post assessment intervention strategies Revised chapters that reflect up to date research and practice Extensive analysis of the backlash against child abuse cases Understanding and Assessing Child Sexual Maltreatment Second Edition presents a wealth of practical information and field tested tools Author Kathleen Coulborn Faller uses clear language and numerous case studies to address all aspects of child sexual abuse including the scope of the problem professional collaboration data analysis and diagnosis and sexual abuse in special contexts An essential resource for child protection workers mental health practitioners lawyers and law enforcement personnel Understanding and Assessing Child Sexual Maltreatment Second Edition is also an ideal supplementary text for graduate courses in child welfare practice social work and psychology **Masculinities, Sexualities, and Child Sexual Abuse** Anne Cossins, 2000-02-16 Why is child sexual abuse committed primarily by men and male adolescents unlike other forms of child abuse Is child sex offending rather than being a deviant masculine sexual practice related to normative masculine practices that is practices structured on dynamic and changing relations of power Using a practice based sociological approach the relationship between masculinities sexualities and child sexual abuse is analysed and the power powerlessness theory is developed to explain the predominantly male problem of child sex offending The theory postulates that because the social construction of masculinities involves the construction of dynamic and changing relations of power between men men s lives are characterised by a combination of power and powerlessness The book argues that an offender s experiences of powerlessness as a result of his relationships with other men is the key to understanding child sex offending since sexuality is a key social practice for the alleviation of experiences of powerlessness and for establishing relations of power with other men In particular the theory argues that a man s particular attachment to the link between sexuality and experiences of masculinity and power will be a key factor for

determining how he does sex and whom he chooses as a sexual partner In the final chapter the theory is tested through a re analysis of offender interviews *Proceedings of the ASEAN Conference on Sexual Exploitation of Children (ACOSEC 2024)* Ahmad Sofian, Febby Mutiara Nelson, Rena Yulia, Yusuf Saefudin, 2024-12-18 This book is an open access ECPAT Indonesia and Association of Criminal Law and Criminology Lecturer ASPERHUPIKI in collaborate with the Ministry of Women s Empowerment and Child Protection Republic of Indonesia ECPAT International Center for Study and Child Protection and Yayasan OUR Indonesia will organize ASEAN Conference on the Prevention and Countermeasures for the Misuse of Financial Service Providers in Child Sexual Exploitation Crimes that will be held August 7 8 2024 in Bali This event will deep dive into three topics Misuse of financial service providers in crimes of sexual exploitation of children at the International and ASEAN Countries level Good practices of detecting and reporting suspected transaction related to child sexual exploitation crimes by involving financial service providers Strategy and potential for collaboration in engaging financial service providers to eradicate sexual exploitation of children Child Sexual Exploitation and Abuse from Multi Perspektive This conference will be the first conference in ASEAN that discusses deeply about the situation of misuse of financial service providers in sexual exploitation crimes It will provide an important forum featuring expert speakers and participants from various stakeholders representing government law enforcer Financial Intelligence Unit FIU Financial Service Provider including Financial Technology Company International dan National NGO and UN Agency This conference will produce a comprehensive report regarding the situation of misuse of financial service providers in sexual exploitation crimes and good practices as well as strategic recommendations to eradicate sexual exploitation crimes through the involvement of financial service providers

Sexual Abuse of Children Barbara M. Jones, 1981 **Child Sexual Abuse** Diane H. Schetky, Arthur H. Green, 1988 First Published in 1988 Routledge is an imprint of Taylor Francis an informa company **Images of Childhood** Paul Duncum, 2023-07-13 Drawing on a rich legacy of pictorial evidence Images of Childhood examines historical constructions of childhood and how they reinforce or challenge the prevailing view of childhood as a state of innocence Each chapter explores how visual elements such as framing points of view and lighting as well as clothes accessories and body language help to construct our many different conceptions of children from members of the family unit and assumed gender roles to schooling and aesthetic objects through to their economic value and use in political propaganda Skillfully navigating a multitude of perspectives on this topic Paul Duncum considers both how our ideas beliefs and values have changed throughout history and how some have remained unchanged He also explores the cultural notion of the child within and how this has contributed to the way adults perceive children The result is a text far broader in scope than any other in its field as art history is interweaved with contemporary popular culture to explore how we visually represent childhood In doing so the book highlights the real life implications that these representations have on children s rights *Handbook of Child and Adolescent Group Therapy* Craig Haen, Seth Aronson, 2016-10-14 This handbook describes in detail different contemporary

approaches to group work with children and adolescents Further this volume illustrates the application of these models to work with the youth of today whether victims of trauma adolescents struggling with LGBT issues or youth with varying common diagnoses such as autism spectrum disorders depression and anxiety It offers chapters presenting a variety of clinical approaches written by experts in these approaches from classic play therapy and dialectical behavior therapy to cutting edge attachment based intervention mindfulness and sensorimotor psychotherapy Because of its broad scope the book is suitable for a wide audience from students to first time group leaders to seasoned practitioners *Child Sexual Abuse* Aminabee Shaik,Suguna Leelavathi Thota,Lakshmana Rao Atmakuri,2024-06-25 This book is about child sexual abuse in India Child sexual abuse CSA is a serious and wide spread problem in India as it is in many parts of the world today The trauma associated with sexual abuse can contribute to arrested development as well as a host of psychological and emotional disorders that some children and adolescents may never overcome This edited book discusses the nature and incidence of the sexual abuse of minors in India and presents an overview of research findings to date Socio cultural and familial risk factors involved in CSA are discussed Common symptoms and disorders associated with sexual abuse are outlined The book also provides guidance on child protective services coordinated response in preventing child abuse mental health and law enforcement Finally it discusses cognitive behavioral interventions to overcome the trauma caused due to sexual abuse
