James Fulcher,2008-10-01 Spanning a lifetime this adventure and love story starts with a lad s coming of age and an old man s memories of beautiful young Meredith his lost love It is their story the profound losses and glorious triumphs which carry through to the reader The boy enters the old man s life and begins the long process of restoring his vigor and enthusiasm Through the trials and challenges the two of them experience a marvelous adventure in life What unfolds is poignant and deeply meaningful for each of them leading the way to both tragedies and fulfilling surprises Surmounting the obstacles against the odds life can truly be a wondrous experience Idol Worship Michael Ferguson,Michael S. Ferguson,2003 Illustrated with over 120 beautiful photos this is the year s best guide to the leading men whose looks have made them the objects of intense fantasy and desire Included is a text that will flesh out the pin ups featuring career highlights brief bios and queer takes on more than 90 pretty boy actors from the silent era to today plus a definitive list of more than 750 actors along with a representative film title of where to catch them at their hottest Emmett Sandra Alex,2025-02-17 A bad boy A blast from the past A very un festive mistake And a love so unexpected yet so strong it makes Christmas Day look like a regular Sunday right before someone goes off the cliff Alright it s a hot mess I admit it And right before Christmas too But I can t take any of it back I mean is it possible to have a midlife crisis in your thirties But despite all the errors in my judgment Emmett s gaze still comes my way Something in his eyes tells me that he isn t perfect either What I soon discover is that it was not he himself that made the mistakes rather he was the victim of someone else s errors in judgment The question is can he look beyond mine It doesn t seem to matter how many times I tell myself that in my life there is no room for relationships Not one with a woman anyway The realization for me came at a painful price That being said I can t seem to tear myself away from the one woman that I should stay miles away from Krissie has herself in some very hot water And while that should be like kryptonite to me it seems to have more of a magnetizing effect I can t force her to choose I ve made my case quite clear But when I witness a damning statement from someone that could change her life forever I have to decide quickly if I m going to be the one to tell her And how can I do it right before Christmas Will it break her heart or bring her closer to me

And just when I think that the answer is right in front of my face it all comes crashing down Crashing down a cliff that is Holiday romance Christmas romance Second chance romance Steamy romance Cinnamon roll hero Cliffhanger ending

The 2nd Second Leonardo DeSanctis, 2001-04-04 Imagine tomorrow that you packed everything you owned in a bag and just disappeared You forgot about your family a job taxes credit card bills traffic and all the other headaches of life You just split Not giving a single thought to where you were going or what you were going to do when you got there You lived completely by impulse Sounds good doesn't it Well what's stopping you That's exactly what Nello Di Latio would say Nello is twenty-two likes looking at himself in the mirror watching five movies in a row drinking Rum and Diet Cokes and living his life by a coin toss According to him life on the go gives him countless opportunities in just under a second and It's the 2nd second that really counts That's when you either go for it or you miss out forever Since he finished college the previous year this fast lane lifestyle has worked for him He's backpacked through Europe and the United States on about twenty bucks a day There's never a minute when I pause and reflect because I'm always moving he says I bet you can't wait to see where I'll be next Well neither can I The only thing that fascinates Nello more than living his life by impulse is his love of movies He sees his life as one giant movie with a Classic Rock soundtrack and him as the star But a movie has to have a point Nello slowly begins to realize that he can't float forever But where will a guy end up that follows women from bus stops and that allows fortune cookies and traffic signs to dictate his future This novel begins in on a deserted highway in Texas and ends in a hospital bathroom in New York City four days later During this time Nello learns that his traveling days are numbered What makes this novel intriguing is Nello's unusual journal entries that take him no more than two minutes Life's too short to waste time with bullshit details he says Through his passages we get to know him and his Gen X culture and mentality Aside from an occasional flash fantasy and a flashback the story is all present action The 2nd Second was written for anyone who ever got carried away with their imagination their passion for travel and experience and their own personal happiness
