Crippling Intersex Celeste E. Orr, 2022-10-22 Intersex and as is with disability The connections between intersex and disability deserve nuanced attention if we are to strengthen intersex human rights claims and understand the experiences of intersex people living with the disabling consequences of medical intervention Crippling Intersex examines three key themes the medical management of people with intersex characteristics the mainstream fascination with sport sex testing policies and procedures and the eugenic implications of preimplantation genetic diagnosis Celeste E Orr investigates how intersex and interphobia intersect with disability and ableism to propose a new approach to intersex studies and activism The integration of feminist disability studies with intersex studies provides tools to break down the traditional sex dyad and the entrenched cultural mandate against intersex traits This necessary work offers a radical new understanding of intersex with disability pushing analyses of intersex histories experience and embodiment further than feminist or queer theory can do alone      Jonathan's Loves, David's Laments Dirk von der Horst, 2017-03-24 Jonathan s Loves David s Laments uses early modern musical interpretations of David s Lament over Saul and Jonathan to deepen the historicist foundations of contemporary feminist and gay relational theologies After laying out how gay theologian Gary David Comstock connects the story of David and Jonathan to the theology of lesbian theologian Carter Heyward the argument interrogates both theological and exegetical problems in making those connections which include contradictory theological stances with regard to modernity and history as well as the indeterminacy of the biblical text Early modern musical interpretations of the text allow for a double move of engaging the texts through a sensual medium thus reinforcing queer possibilities for meaning making from the biblical text and staying attuned to the fact that the history of interpretation reinforces the indeterminacy of the text thus keeping queer interpretations aware of the relativizing function of historical difference      **The New York Daily Tribune Index** , 1894      **The World Set Free** H.
