**The Shrinking Man** Richard Matheson, 2002 While on a boating holiday Scott Carey is exposed to a cloud of radioactive spray A few weeks later following a series of medical examinations he can no longer deny the extraordinary truth Not only is he losing weight he is also shorter than he was Scott Carey has begun to shrink Richard Matheson's novel follows through its premise with remorseless logic with Carey first attempting to continue some kind of normal life and later having left human contact behind having to survive in a world where insects and spiders are giant adversaries And even that is only a stage on his journey into the unknown *The British National Bibliography* Arthur James Wells, 2003 *The Shrinking Man* Richard Matheson, 1979 *The Incredible Shrinking Man* Richard Matheson, 1969 Affected by radiation the main character a family man in suburbia begins to shrink so that the safe and comforting aspects of home become ever more menacing An undoubted classic of the fifties sci fi and still one of the most intelligent and well crafted films of the genre which effectively captures the paranoia of Cold War America **The New York Times Index**, 1991 *The Shrinking Man* Richard Matheson, 1973

The Shrinking Man (Richard Matheson's the Shrinking Man) Richard Matheson, Ted Adams, 2016-02-09 And you thought spiders were scary before This faithful comic book adaptation brings Richard Matheson's masterful exploration of withering 1950s masculinity to vivid new life Following a freak accident family man Scott Carey must confront the increasingly or is it decreasingly obvious reality that he is shrinking at a rate of 1 7 inch per day And this fall in stature is not merely physical but social as well He finds himself dropping in standing first past the neighborhood teens then his wife his young daughter his cat the birds in the garden and finally that spider The one you'll never see the same way again Along the way he confronts questions about what it means to be a man to be human or to exist at all Collects the four issue comic book series adapted from Matheson's science fiction classic by Ted Adams Diablo House with art by Mark Torres Judge Dredd *The Incredible Shrinking Man* Richard Matheson, 2001-02-24 Richard Matheson's *The Incredible Shrinking Man* is the terrifying novel that inspired the classic motion picture of the same name Inch by inch day by day Scott Carey is getting smaller Once an unremarkable husband and father Scott finds himself shrinking with no end in sight His wife and family turn into unreachable giants the family cat becomes a predatory menace and Scott must struggle to survive in a world that seems to be growing ever larger and more perilous until he faces the ultimate limits of fear and existence This is a thrilling and unforgettable experience Publishers Weekly Starred Review THE INCREDIBLE SHRINKING MAN Richard Matheson, 1957 **The Shrinking Man, Etc. [A Novel].** Richard Matheson, 1956 *The Shrinking Man, Etc* Richard Matheson, 1958
