Shackles A Nameless Detective Mystery:

Shackles Bill Pronzini, 2012-05-01 Pronzini is a pro The New York Times He is ruthless and amoral and he feels nothing but fury and a burning desire for revenge upon Nameless the man he believes is responsible for ruining his life So he plots a horrible lingering death for his victim One night Nameless is abducted by his unknown enemy taken to a mountain cabin chained to a wall and left there to die once the scanty provisions left for him run out In the icy whiteness of dead winter Nameless has nothing to do but search his memory Who is his captor When did their paths cross And what could he have done to warrant such revenge Perhaps the answer lies in one of the secondhand paperbacks or magazines provided for his comfort or perhaps there is some significance in the date he was kidnapped or His isolated captivity is a nightmare and he must take each day as it comes just in order to keep his sanity There is but one thought that keeps him going a vow that somehow he will escape There must be something one small detail his jailor overlooked Once free of the physical shackles that bound his body Nameless must remove the emotional shackles that have closed upon his mind He sets out on a quest to find his captor Now the roles are reversed and the hunted becomes the hunter **Shackles** Bill Pronzini, 1988 Kidnapped by a ruthless amoral ex con seeking revenge the Nameless Detective is left to die chained to the wall of a remote mountain cabin and only his strength of will and determination stand between him and a lingering death *Shackles* Bill Pronzini,
