Shackletons Stowaway:

Shackleton's Stowaway Victoria McKernan, 2008-12-18 On October 26 1914 Ernest Shackleton's Endurance set sail from Buenos Aires in pursuit of the last unclaimed prize in exploration the crossing of the Antarctic continent The crew stood on deck to watch the city fade away All but one Eighteen year old Perce Blackborow hid below in a locker But the thrill of stowing away with the legendary explorer would soon turn to fear Within months the Endurance trapped and crushed by ice sank And even Perce the youngest member of the stranded crew knew there was no hope of rescue If the men were to survive in the most hostile place on earth they would have to do it on their own Victoria McKernan deftly weaves the hard to fathom facts of this famous voyage into an epic edge of your seat survival novel **Shackleton's Stowaway** Katie

Dale, 2020-05-05 Shackleton's journey is one of the greatest adventure tales ever told In this story we learn of their incredible survival through the eyes of Perce a young stowaway on the Endurance This story is part of Reading Champion a series carefully linked to book bands to encourage independent reading skills developed with Dr Sue Bodman and Glen Franklin of UCL Institute of Education IOE This first colour chapter book is a perfectly levelled accessible text for Key stage 2 readers aged 10 11 Reading Champion offers independent reading books for children to practise and reinforce their developing reading skills Fantastic original stories are accompanied by engaging artwork and activities to provoke deeper response and encourage writing Each book has been carefully graded so that it can be matched to a child's reading ability encouraging reading for pleasure The Key Stage 2 Reading Champion Books are suggested for use as follows Independent Reading 11 start of Year 3 or age 7 Independent Reading 12 end of Year 3 or age 7 Independent Reading 13 start of Year 4 or age 8 Independent Reading 14 end of Year 4 or age 8 Independent Reading 15 start of Year 5 or age 9 Independent Reading 16 end of Year 5 or age 9 Independent Reading 17 start of Year 6 or age 10 Independent Reading 18 end of Year 6 or age 10

Shackleton's Stowaway Katie Dale, 2019 *Nobody's Perfect* Anthony Lane, 2009-08-19 Anthony Lane on Con Air Advance word on Con Air said that it was all about an airplane with an unusually dangerous and potentially lethal load Big deal You should try the lunches they serve out of Newark Compared with the chicken napalm I ate on my last flight the men in Con Air are about as dangerous as balloons Anthony Lane on The Bridges of Madison County I got my copy at the airport behind a guy who was buying Playboy's Book of Lingerie and I think he had the better deal He certainly looked happy with his purchase whereas I had to ask for a paper bag Anthony Lane on Martha Stewart Super skilled free of fear the last word in human efficiency Martha Stewart is the woman who convinced a million Americans that they have the time the means the right and damn it the duty to pipe a little squirt of soft cheese into the middle of a snow pea and to continue piping until there are fifty to sixty stuffed peas raring to go For ten years Anthony Lane has delighted New Yorker readers with his film reviews book reviews and profiles that range from Buster Keaton to Vladimir Nabokov to Ernest Shackleton Nobody's Perfect is an unforgettable collection of Lane's trademark wit satire and insight that will satisfy both the long addicted and the not so

familiar **Shackleton's Way** Margot Morrell, Stephanie Capparell, 2001-01-08 Lead your business to survival and success by following the example of legendary explorer Ernest Shackleton Sir Ernest Shackleton has been called the greatest leader that ever came on God's earth bar none for saving the lives of the twenty seven men stranded with him in the Antarctic for almost two years Because of his courageous actions he remains to this day a model for great leadership and masterful crisis management Now through anecdotes the diaries of the men in his crew and Shackleton's own writing Shackleton's leadership style and time honored principles are translated for the modern business world Written by two veteran business observers and illustrated with ship photographer Frank Hurley's masterpieces and other rarely seen photos this practical book helps today's leaders follow Shackleton's triumphant example An important addition to any leader's library Seattle Times **Son of Fortune** Victoria McKernan, 2013 In mid 1860s San Francisco sixteen year old Aiden gains a hoped for chance at a change in fortune when he wins a ship in a poker game but soon he is involved in Peru's savage guano trade and the exploitation of its Chinese workers Shackleton's Last Voyage Frank Wild, Alexander Hepburn Macklin, 1923 Narrative of 1921-22 expedition *Collecting for the Curriculum* Amy J. Catalano, 2015-09-28 If you're a librarian charged with collecting curriculum materials and children's literature to support the Common Core State Standards then this book the only one that offers explicit advice on collection development in curriculum collections is for you While there are many publications on the Common Core for school librarians and K-12 educators no such literature exists for curriculum librarians at the post secondary level This book fills that gap standing alone as a guide to collection development for curriculum librarians independent of the Common Core State Standards CCSS The book provides instruction and guidance to curriculum librarians who acquire and manage collections so you can develop a collection based on best practices The book begins with a primer on the CCSS and how curriculum librarians can support them Discussion of the Standards is then woven through chapters arranged by content area that share research based practices in curriculum development and instruction to guide you in curriculum selection Material types covered include games textbooks children's literature primary sources counseling and nonfiction Additional chapters cover the management of curriculum collections testing collections and instruction and reference as well as how to support and collect for special needs learners Current practices in collection development for curriculum materials librarians are also reviewed The book closes with a discussion of the future of curriculum materials

Booktalking Around the World Great Global Reads for Ages 9-14 This collection of booktalks and book lists is designed to be an invaluable resource for teachers as well as school and public librarians seeking geographically themed booktalks for

newer books published from 2000 2010 Because studying the countries of the world is a major part of most school curricula this book will support or extend this important curricular area All the booktalks in this collection are aimed at children aged 9 14 All seven continents are represented but the United States is excluded **Shackleton's Journey** William Grill,2024-09-01 In the last days of the Heroic Age of Exploration Ernest Shackleton dreamed of crossing the frozen heart of Antarctica a place of ferocious seas uncharted mountains and bone chilling cold But when his ship the Endurance became trapped in the deadly grip of the ice Shackleton's dreams were shattered Stranded in a cold white world and thousands of miles from home the men of the expedition set out on a desperate trek across the ice in search of rescue Shackleton's Journey is the true story of how Shackleton and his crew managed to survive this epic adventure and a testament to their great courage and endurance **Shackleton of the Antarctic** ,2009-06-01 Originally published Tallahassee Fla E othen Press c2002 **South with Endurance** Frank Hurley,2001 The definitive collection of Frank Hurley's amazing photos from Shackleton's Antarctic expedition is the first book to reproduce all the surviving expedition photos some of which have never been published Over 450 photos **Leading at the Edge** Dennis N. T. Perkins,Margaret P. Holtman,Jillian B. Murphy,2012 For the 100th anniversary of the Race to the South Pole a fresh look at what Shackleton's legendary Antarctic adventure can teach us about true leadership Stranded in the frozen Antarctic sea for nearly two years Sir Ernest Shackleton and his team of 27 polar explorers endured extreme temperatures hazardous ice dwindling food and complete isolation Despite these seemingly insurmountable obstacles the group remained cohesive congenial and mercifully alive a fact that speaks not just to luck but to an unparalleled feat of leadership Drawing on this amazing story Leading at The Edge demonstrates the importance of a strong leader in times of adversity uncertainty and change The book reveals 10 timeless leadership lessons that show readers how to Instill optimism while staying grounded in reality Have the courage to step up to risks worth taking Consistently reinforce the team message Set a personal example Find something to celebrate and something to laugh about Never give up Part adventure tale part leadership guide the second edition features additional lessons new case studies of the strategies in action tools to uncover and resolve conflicts and expanded resources An updated epilogue compares the leadership styles of the famous polar explorers Shackleton Amundsen and Scott Today's leaders have much to learn from this gripping account of survival against all odds Leading at The Edge will help them bring order to chaos and achieve success in the face of adversity *Ethics for Disaster* Naomi Zack,2023-05-12 Ethics for Disaster shows how individual and government preparation and response to hurricanes earthquakes tornadoes wildfires pandemics and other disasters are ethical matters Confronting the social inequalities revealed by these disasters we must also acknowledge how the lack of preparation for climate change and pandemics has shifted these threats from modern isolated disasters into constant contemporary risks This second edition presents four new chapters about disaster as risk from climate change the natural elements of earth air wind and fire the COVID 19 and other pandemics and innocent victims and refugees Now more than

ever we need good and just moral principles to guide us through the disruptive crises ahead especially for minorities Humanism and humanitarianism are vital Zack combines moral philosophy political theory public policy and environmental science to present new ways to think about changes in the world we all share *Shackleton's Photographer* Shane Murphy,2002 A richly illustrated biography of the life and times and personality of Frank Hurley and the Endurance expedition Shackleton Jonathan Shackleton,John MacKenna,2002 By endurance we conquer Shackleton family motto Eighty years after Ernest Shackleton s death his legend and the extraordinary story of the Endurance South Pole expedition still hold a grip on the public imagination Trapped in drifting polar pack ice for ten months Ernest Shackleton and his crew fought for survival against all the odds When the Endurance was finally crushed they were stranded on ice floes for more than a year before reaching Elephant Island From there Shackleton and five of his men embarked on the most remarkable rescue mission in maritime history sailing in a small open boat to South Georgia Island across eight hundred miles of the world s roughest seas to bring help to the others Though he failed to reach the South Pole Shackleton s story lives on because of his unique qualities of leadership and the extraordinary fact that all of his men survived This compelling narrative probes the profound influence of Shackleton s Irish and Quaker roots in the making of a great leader It offers a vivid portrait of a man at odds with the world and with himself whose ambition was tempered by his flawed humanity and egalitarianism Here too are the untold stories of Shackleton s upbringing in Kildare his time in the Merchant Navy his 1901 voyage on the Discovery with Robert Falcon Scott his 1907 Nimrod expedition his marriage and love affairs his life as a public figure and politician and the haunting story of his final fatal expedition on the Quest Drawing on family records diaries and letters and hitherto unpublished photographs and archive material this mesmerizing book takes us beyond the myth to Shackleton the man for whom optimism is true moral courage and whose greatest triumph was that of life over death Shackleton An Irishman in Antarctica is lavishly illustrated with more than a hundred photographs maps and engravings some of them appearing in print for the first time Shackleton An Irishman in Antarctica copublished by the Lilliput Press in Dublin and the University of Wisconsin Press presents Shackleton family history with a particular focus on the explorer *The Endurance Expedition* Kristin Johnson,2011-01-01 Explores events leading up to the expedition how the men survived it and Sir Ernest Shackleton and other key people involved
