Charmaine Nelson, Camille Antoinette Nelson, 2004 Racism Eh is the first publication that examines racism within the broad Canadian context This anthology brings together some of the visionaries who are seeking to illuminate the topics of race and racism in Canada through the analysis of historical and contemporary issues which address race and racism as both material and psychic phenomena Fundamentally interdisciplinary in nature this text will be an invaluable resource for undergraduate and graduate students academics studying or practicing within the Humanities and the Social Sciences and anyone seeking information on what has been a little explored and poorly understood Canadian issue

pub desc **City of Order** Michael Boudreau, 2012-05-15 Interwar Halifax was a city in flux a place where citizens debated adopting new ideas and technologies but agreed on one thing modernity was corrupting public morality and unleashing untold social problems on their fair city To create a bulwark against further social dislocation citizens policy makers and officials modernized the city s machinery of order courts prisons and the police force and placed greater emphasis on crime control These tough on crime measures Boudreau argues did not resolve problems but rather singled out ethnic minorities working class men and female and juvenile offenders as problem figures in the eternal quest for order

Odysseys Home George Elliott Clarke, 2017-06-22 *Odysseys Home Mapping African Canadian Literature* is a pioneering study of African Canadian literary creativity laying the groundwork for future scholarly work in the field Based on extensive excavations of archives and texts this challenging passage through twelve essays presents a history of the literature and examines its debt to and synthesis with oral cultures George Elliott Clarke identifies African Canadian literature s distinguishing characteristics argues for its relevance to both African Diasporic Black and Canadian Studies and critiques several of its key creators and texts Scholarly and sophisticated the survey cites and interprets the works of several major African Canadian writers including Andr Alexis Dionne Brand Austin Clarke Claire Harris and M Nourbese Philip In so doing Clarke demonstrates that African Canadian writers and critics explore the tensions that exist between notions of

universalism and black nationalism liberalism and conservatism These tensions are revealed in the literature in what Clarke argues to be paradoxically uniquely Canadian and proudly apart from a mainstream national identity Clarke has unearthed vital but previously unconsidered authors and charted the relationship between African Canadian literature and that of Africa African America and the Caribbean In addition to the essays Clarke has assembled a seminal and expansive bibliography of texts literature and criticism from both English and French Canada This important resource will inevitably challenge and change future academic consideration of African Canadian literature and its place in the international literary map of the African Diaspora

**The Case of the Murderous Dr. Cream** Dean Jobb, 2021-07-13 A tour de force of storytelling Louise Penny 1 New York Times bestselling author of the Chief Inspector Gamache series Jobb's excellent storytelling makes the book a pleasure to read The New York Times Book Review When a doctor does go wrong he is the first of criminals Sherlock Holmes observed during one of his most baffling investigations He has nerve and he has knowledge In the span of fifteen years Dr Thomas Neill Cream murdered as many as ten people in the United States Britain and Canada a death toll with almost no precedent Poison was his weapon of choice Largely forgotten today this villain was as brazen as the notorious Jack the Ripper Structured around the doctor's London murder trial in 1892 when he was finally brought to justice The Case of the Murderous Dr Cream exposes the blind trust given to medical practitioners as well as the flawed detection methods bungled investigations corrupt officials and stifling morality of Victorian society that allowed Dr Cream to prey on vulnerable and desperate women many of whom had turned to him for medical help Dean Jobb transports readers to the late nineteenth century as Scotland Yard traces Dr Cream's life through Canada and Chicago and finally to London where new investigative tools called forensics were just coming into use even as most police departments still scoffed at using science to solve crimes But then most investigators could hardly imagine that serial killers existed the term was unknown As the Chicago Tribune wrote Dr Cream's crimes marked the emergence of a new breed of killer one who operated without motive or remorse who murdered simply for the sake of murder For fans of Erik Larson's *The Devil in the White City* all things Sherlock Holmes or the podcast *My Favorite Murder* The Case of the Murderous Dr Cream is an unforgettable true crime story from a master of the genre

*Twenty-first-century Canadian Writers* Christian Riegel, 2007 Dedicated for nearly thirty years to making literature and its creators more accessible and intriguing to researchers the series presents signed authoritative biographical and critical essays on writers from all eras and genres Rigorously meeting the standards of librarians and instructors signed entries are written by academic experts in the field and include illustrations and extensive bibliographies [Canadiana](#), 1989 [Index de Périodiques Canadiens](#), 2000 *Radicalism in Decline* Michael John Earle, 1990 [Sources](#), 1990

conundrums of this important body of literature Directions Home explores the trajectories and tendencies of African Canadian literature within the Canadian canon and the socio cultural traditions of the African Diaspora Clarke showcases the importance of little known texts including church histories and slave narratives and offers studies of autobiography crime and punishment jazz poetics and musical composition The collection also includes studies of significant contemporary writers such as George Boyd and Dionne Brand and trailblazing African Canadian intellectuals like A B Walker and Anna Minerva Henderson With its national bilingual and historical perspectives Directions Home is an essential guide to African Canadian literature *Canadian Books in Print* ,2003 *International Books in Print* ,1991 **Whitaker's Books in Print** ,1998

**Canadian criminal cases annotated** ,1922 The Canadian Encyclopedia James H. Marsh,1999 This edition of The Canadian Encyclopedia is the largest most comprehensive book ever published in Canada for the general reader It is COMPLETE every aspect of Canada from its rock formations to its rock bands is represented here It is UNABRIDGED all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume It has been EXPANDED since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50% to over 4 000 000 words It has been UPDATED the researchers and contributors worked hard to make the information as current as possible Other words apply to this extraordinary work of scholarship AUTHORITATIVE RELIABLE and READABLE Every entry is compiled by an expert Equally important every entry is written for a Canadian reader from the Canadian point of view The finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country This book deserves pride of place on the bookshelf in every Canadian Home It is no accident that the cover of this book is based on the Canadian flag For the proud truth is that this volume represents a great national achievement From its formal inception in 1979 this encyclopedia has always represented a vote of faith in Canada in Canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated At the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this Canadian Encyclopedia is offered in a spirit of defiance and of faith in our future The statistics behind this volume are staggering The opening sixty pages list the 250 Consultants the roughly 4 000 Contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project The 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest Canadian book ever published There are of course many special features These include a map of Canada a special page comparing the key statistics of the 23 major Canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers But above all the book is encyclopedic which the Canadian Oxford Dictionary describes as embracing all branches of learning This means that with rare exceptions

there is satisfaction for the reader who seeks information on any Canadian subject From the first entry A mari usque ad mare from sea to sea which is Canada s motto and a good description of this volume s range to the Zouaves who mustered in Quebec to fight for the beleaguered Papacy there is the required summary of information clearly and accurately presented For the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination The word encyclopedia derives from Greek expressions alluding to a grand circle of knowledge Our knowledge has expanded immeasurably since the time that one mind could encompass all that was known Yet now Canada s finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume The result is a book for every Canadian who values learning and values Canada      *The Ontario Law Reports* ,1922 Cases determined in the Supreme Court of Ontario Appellate and High Court Divisions varies      **Pancreatized Cod Liver Oil**
