Stackpole,2013-07-02 In this all new novel based on the globally popular video game World of Warcraft the major seismic upheavals to Azeroth caused by the Cataclysm have subsided but the effects of this disaster linger as all out war erupts between the Horde and the Alliance consuming the attention of both factions *LOVER IN THE SHADOWS* Lindsay Longford,2014-11-15 Guilty as sin Had she gone mad Molly Harris had woken at the break of dawn lying on the kitchen floor clutching a bloody knife with no memory of how she d gotten there Now Detective John Harlan was at her door and he was looking for answers Compelling mysterious John was like no man she d ever known there was something haunting behind those dark glasses The two of them had been brought together by the murder of Molly s parents and now the death of her ex maid As suspicion wrapped around her so did John tailing her every move Could he see through the darkness and discover whether this fragile lady was a cold blooded killer or a victim of circumstance *Reflections of the Civil War in Southern Humor* Wade Hall,2015-02-17 As one of the organic forms of literature humor has always responded to and reflected the needs of the people at a given time and the Civil War and its aftermath were days of the South s greatest need Historians have suggested many reasons for the South s fearless stand against overwhelming numbers and resources to use General Lee s words In this short study author and historian Wade Hall adds one reason to the list the humor of the Southerner as soldier and civilian during the war and the bleak days that followed it The South arose from the ashes of humiliation and defeat smiling though sometimes through tears The Southerner s sense of humor helped him to fight a war he believed honorable and to accept the bitter defeat which ended it Without the escape valve of humor many a rebel would have succumbed to despair The Southerner could smile wistfully as he looked back on a proud past and hopefully as he looked forward to an uncertain future He smiled because he read humorists like Bill Arp who once wrote somewhat serio comically that the South was conquered but not convinced In this study Hall has attempted to represent all the types of humor written in the South between the beginning of the Civil War and the beginning of World War I specifically 1861 and 1914 including war memoirs novels plays short stories poetry and songs After a survey of humor written during the war Hall discusses the soldier the Negro the poor white and the folks at home in wartime as they are reflected in the postwar humor **The Complete Works of Joel Chandler Harris. literary output during the period in which these letters were written was considerable He produced thirteen books during the
1890s and contributed numerous short stories essays and articles to Scribner s and other national magazines he was also
deriving a steady income as associate editor for the Atlanta Constitution Living in the West End section of Atlanta he filled
