*Hybridity in Spanish Culture* Emily Knudson-Vilaseca, Maureen Tobin Stanley, María P. Tajés, 2011-05-25 Hybridity in Spanish Culture is an anthology that explores hybridity in select works from the dawn of Imperial Spain to the twenty first century The phenomenon of hybridity has been pervasive throughout Spanish history The hybrid literary and visual texts studied in this volume ranging from aljamiado writings and the legacy from the convivencia to contemporary immigration narratives blur or erase purportedly fixed boundaries between history and fiction story and History nationality and transnationalism subjectivity and objectivity as well as between genres cultures languages and eras Hybridity constitutes the state of simultaneously belonging to categories

that had previously been considered exclusive It renders the concept of pure as a construct a chosen perception a psychic imposition on experience Implicit within hybridity is a fusion of two or more separate factors entities or concepts but the essential aspect of this fusion is that the hybrid text becomes an original Hence hybridity nods to the past but points to the future Hybridity in Spanish Culture written both in Spanish and English as a metahybrid is a collection about hybridity that is a hybrid itself In hopes of blurring borders dissipating taxonomies and dehierarchizing binary oppositions the European and US authors and editors contribute to cultural studies scholarship and underscore the omnipresence and ubiquity of interstitial conditions as they relate to national or cultural identity linguistic crossings inter genre blendings and the conception of home and belonging

**The Angel's Game** Carlos Ruiz Zafón,2009-08-11 From master storyteller Carlos Ruiz Zafon author of the international phenomenon *The Shadow of the Wind* comes *The Angel's Game* a dazzling new page turner about the perilous nature of obsession in literature and in love The whole of Barcelona stretched out at my feet and I wanted to believe that when I opened those windows my new windows each evening its streets would whisper stories to me secrets in my ear that I could catch on paper and narrate to whomever cared to listen In an abandoned mansion at the heart of Barcelona a young man David Martin makes his living by writing sensationalist novels under a pseudonym The survivor of a troubled childhood he has taken refuge in the world of books and spends his nights spinning baroque tales about the city's underworld But perhaps his dark imaginings are not as strange as they seem for in a locked room deep within the house lie photographs and letters hinting at the mysterious death of the previous owner Like a slow poison the history of the place seeps into his bones as he struggles with an impossible love Close to despair David receives a letter from a reclusive French editor Andreas Corelli who makes him the offer of a lifetime He is to write a book unlike anything that has ever existed a book with the power to change hearts and minds In return he will receive a fortune and perhaps more But as David begins the work he realizes that there is a connection between his haunting book and the shadows that surround his home Once again Zafon takes us into a dark gothic universe first seen in *The Shadow of the Wind* and creates a breathtaking adventure of intrigue romance and tragedy Through a dizzyingly constructed labyrinth of secrets the magic of books passion and friendship blend into a masterful story

*Shadow Chase: Book two of The Wind's Children* Emma Miles,2012-01-30 After his quest to seek the Dragons Elenion Prince of the Wind Elves made the decision to take his people to war but the truth is deceiving and what the seers see only a small glimpse of what is to come Tobias newly crowned must find his feet as King of the Odaen in the heat of battle and Artheiwyn faces the hardest struggle of all against herself

**Branding Books Across the Ages** Helleke Braber,Jeroen Dera,Jos Joosten,Maarten

Steenmeijer, 2025-10-01 For many literature and marketing are considered opposite phenomena This book discusses cases in which the two are closely connected It argues that literature is subject to the same mechanisms as other commercial products our experience of literary texts is prefigured by brands trademarks that identify a product and differentiate it from its competitors From the early modern period onwards literary authors and their texts are constantly branded and have been both the object and the trailblazer of a complex marketing process The authors of this volume analyze this branding process throughout the centuries focusing on the Netherlands To what extent is our experience of Dutch literature prefigured by brands and what role does branding play when introducing European authors in the Dutch literary field or vice versa By answering these questions Branding Books Across the Ages seeks to show how literary scholars understand branding a phenomenon that has long been intertwined with literature
