Shadow Of Yesterday:

Yesterday's Shadows Marianne Willman,1993-08 The Living Age ,1878 **Littell's Living Age** ,1878 Gasping for Air and Grasping Air in Medicine Mariam Abdurrahman,Ana Hategan,Caroline Giroux,2023-11-25 This book will examine the role and the opportunity for EDI advancement as a requisite in healthcare particularly in the context of the professional landscape as this directly affects care delivery It considers the problems of clinicians who continue to suffer the ill effects of being othered within a medical setting It argues that clinicians lacking the awareness and skills necessary to engage in an EDI informed manner with members of their professional setting and patients and benignly unaware of their privilege cannot effectively deliver care The goal is to engage readers in a more inclusive practice *Littell's Living Age* Eliakim Littell,Robert S. Littell,1878 **Black Stallion's Shadow** Steven Farley,2012-02-29 It has all the makings of a glorious day the Black has just won the America s Cup But the fruits of victory quickly sour when it is learned that the Black s challenger shying at a shadow on the track has suffered a fatal fall Now the Black himself is hobbled by a fear of shadows a problem that could end his brilliant racing career Will the Black become the next victim if he is not cured of his fright Yesterday's Shadow Sondra Stanford,1981 **I am The Rage** Martina McGowan,2021-02-02 From Dr Martina McGowan I am The Rage is a Nautilus Award BCALA 2022 Honor Poetry Award Winning collection perfect for fans of Amanda Gorman and Maya Angelou Through a blend of personal experiences and shared collective pain in I am The Rage Dr Martina McGowan engages readers in a vital dialogue about racial trauma and inequality It seeks to transform outrage into understanding and denial into awareness It offers a voice to the unheard and the marginalized harnessing the power of poetry to convey the complex emotions felt in the face of systemic racism In this powerful collection you ll find A stirring journey through emotions in the wake of the murders of Breonna Taylor and George Floyd the landmark Black Lives Matter protests that followed and the ongoing attacks on the Black community An empathetic and authentic examination of personal and societal grief A call to action and a testament to the strength of community An exploration of the healing power of expression acknowledgement and mutual understanding Beautiful illustrations by Diana Ejaita to accompany the raw emotion of each poem I am The Rage serves as a mirror reflecting the shared truth of racial disparity and a window into the lived experiences of those impacted by it Ideal for readers of contemporary poetry educators students activists or anyone committed to social justice and racial equality **New York Supreme Court** ,1904 **Shadows in the Glen** Rebecca Guy,2025-10-01 The trail promised solitude It delivered something much darker Annie Pattison sets out on a hundred mile trek through the Scottish Highlands carrying the ashes of her late husband to the highest peak of his favourite trail This journey was meant to be a final goodbye a way to honour the man she loved But the trail is not empty At night she wakes to the sound of footsteps circling her tent slow deliberate The wind carries eerie whispers that don t belong to the living In the morning she finds chilling notes each one weighed down by a bloodied stone and a lifeless mouse The feeling that she is not alone tightens around her like a noose

She is not just being watched she is being followed And then she sees him Standing in the mist Wearing her dead husband s jacket Terror grips her but deep beneath the panic is something worse recognition It isn t just the jacket It s the way he stands The way he moves His presence is in the trees in the shifting fog in the desolate mountains There is nowhere left to run The mountains are vast The shadows are closing in and Annie is about to learn just how much her husband kept from her Annie thought she knew the man she married but there were secrets he never shared secrets that got him killed and the same people who silenced him have been waiting for her to follow his path Alone in the vast and merciless Highlands Annie must confront the shadows of the past before they claim her too
