*Shadows On The Wall* Benjamin Fouché, 2018-09-03 As a boy Ephraim Madgwick roamed the forest surrounding the small hamlet of Dandelion Dale With his beloved tabby cat Little Lion by his side he also frequented the enchanted realms of his mind inspired by the bedtime fables told to him by his father However the grand imagination young Madgwick inherited also came with a curse After the sun bled over the heavens and when the moon reigned his nightmares decided to take on lives of their very own Confronted with many fears dreams of death and a strange girl who visits his window beyond dusk he must make a choice And in the end his decision will determine his fate fourteen years later when his shadows on the wall return

*A Shadow on the Wall* Jonathan Aycliffe, 2015-02-10 Some things are best left undisturbed In the countryside of Victorian England Edward Atherton rector of Thornham St Stephen has taken on the arduous task of restoring the ancient church But he should never have meddled with the tomb that lay beneath the church s crumbling walls The moment the workman raised the tomb lid an unspeakable horror escaped At a loss to explain the unsettling noises and frightening visions that begin to plague the church Atherton calls upon fellow antiquarian and Cambridge professor Richard Asquith to help investigate the strange events that began in the wake of the tomb s disturbance The two discover tantalizing hints of whom and what may have been laid to rest in the tomb but the unforeseen circumstances force Asquith to give up his inquiries and leave the small village of Thornham behind Asquith tries to put the frightening experiences behind him and focus on his new wife and family But death and disappearances abound and Asquith soon has no choice but to confront the darkness that has followed him from that ancient church into his own home English novelist Jonathan Aycliffe has mastered the classic English ghost story and *A Shadow on the Wall* nominated in 2000 for the International Horror Guild Award is sure to both mesmerize and haunt you Skyhorse Publishing under our Night Shade and Talos imprints is proud to publish a broad range of titles for readers interested in science fiction space opera time travel hard SF alien invasion near future dystopia fantasy grimdark sword and sorcery contemporary urban fantasy steampunk alternative history and horror zombies vampires and the occult and supernatural and much more While not every title we publish becomes a New York Times bestseller a national bestseller or a Hugo or Nebula award winner we are committed to publishing quality books from a diverse group of authors
