Paul McCartney and John Lennon described him as the Beatles favorite group he won Grammy awards wrote and recorded hit songs and yet no figure in popular music is as much of a paradox or as underrated as Harry Nilsson In this first ever full length biography Alyn Shipton traces Nilsson s life from his Brooklyn childhood to his Los Angeles adolescence and his gradual emergence as a uniquely talented singer songwriter With interviews from friends family and associates and material drawn from an unfinished autobiography Shipton probes beneath the enigma to discover the real Harry Nilsson A major celebrity at a time when huge concerts and festivals were becoming the norm Nilsson shunned live performance His venue was the studio his stage the dubbing booth his greatest triumphs masterful examples of studio craft He was a gifted composer of songs for a wide variety of performers including the Ronettes the Yardbirds and the Monkees yet Nilsson s own biggest hits were almost all written by other songwriters He won two Grammy awards in 1969 for Everybody s Talkin the theme song for Midnight Cowboy and in 1972 for Without You had two top ten singles numerous album successes and wrote a number of songs Coconut and Jump into the Fire to name just two that still sound remarkably fresh and original today He was once described by his producer Richard Perry as the finest white male singer on the planet but near the end of his life Nilsson s career was marked by voice damaging substance abuse and the infamous deaths of both Keith Moon and Mama Cass in his London flat Drawing on exclusive access to Nilsson s papers Alyn Shipton s biography offers readers an intimate portrait of a man who has seemed both famous and unknowable until now [HSA Books and Manuscripts Dallas Auction Catalog #682](#) Sandra Palomino, 2008 [Lawrence](#) Bruce Leigh, 2014-05-19 More than one hundred books have been written about T E Lawrence which explore the man and his deeds Just about every aspect and the many incarnations of his life his campaigns the geo politics of the Arab world and the influence of the West in it as Lawrence experienced them have been examined However nobody has gone in search of the mind of the man himself of his formation and his deep beliefs Nobody has asked the question What really is the source of the extraordinary power of this little man not only in terms of his incontestable qualities of leadership but also in regard to the sheer range of his activities and accomplishments Archaeologist writer guerilla warfare theorist and practitioner diplomat soldier and airman Lawrence also possessed an unusual ability to cross boundaries of class race culture and religion On top of this he demonstrated the ability to walk away from power and wealth and the accumulation of things to change his name more than once to begin again at the bottom of the heap in the RAF and stay there with only a few friends and books and a motorcycle Lawrence Warrior and Scholar is a quest It examines how a slight Oxford academic combined two of the most challenging paths a man can choose What drove and motivated this man How was it that he could apparently out shoot out ride and out starve the Bedouin How is it that the US military and others are still studying his famous account of the Arab Revolt and his 27 Articles Drawing upon what Lawrence and those

who knew him wrote and did and said Bruce Leigh delves into Lawrence's personal philosophy and practices examining and analyzing his library and his close relationship to the world of classical scholarship and chivalry emphasizing that Lawrence's views were not abstractions only but intimately tied to his actions and deeds Ultimately the book argues that there is a message in Lawrence's writings and activities one that is against the grain of the world of self definition by consumption As one of his friends wrote The Man was great the message is greater
