 family visiter** ,1873      Soulsongs Jeff Schade,2021-12-06 Soulsongs Poems by Jeff Schade is a mesmerizing odyssey  
 through the spiritual tapestry of existence Within the pages of this extraordinary collection Jeff Schade weaves 102 soul  
 stirring poems that traverse the profound journey of individual souls navigating the intricate dance of life in our world  
 Diverse in style the poems range from the concise beauty of lyric verses to the expansiveness of free and semi free verse  
 creating a symphony of emotions and reflections Organized into twelve thematic sections each poem is a brushstroke in the  
 vibrant portrait of the soul s cyclical exploration navigating the realms of birth confronting the inevitability of death and  
 ultimately seeking liberation But Soulsongs is more than just a poetic journey it s an immersive experience enriched by a 49  
 page essay Here Jeff Schade delves into the very nature of poetry unraveling its profound connections with the harmonies of  
 music The synergy between words and melodies creates a dynamic interplay that resonates beyond the pages inviting  
 readers to ponder the mysteries of the soul and the universe In Soulsongs Jeff Schade beckons readers to embark on a  
 literary pilgrimage inviting them to connect with the profound the poetic and the musical nuances of the human experience  
 Each poem is a note each section a movement and the entire collection a symphony that lingers in the heart and echoes in  
 the soul This book is not merely read it is felt experienced and embraced as a testament to the enduring power of poetry to  
 illuminate the intricate dance of life and the soul s everlasting song About the Author Jeff Schade a lifelong poet and  
 musician has completed his new book Soulsongs Poems by Jeff Schade a stunning collection of poems about life He has a  
 bachelor s degree in Philosophy and a master s degree in English Using his background in writing and philosophy Schade  
 puts forth his own attempt to answer the age old question What is poetry In the vein of Ezra Pound T S Eliot and Ralph Waldo  
 Emerson Schade puts forth in his thesis that there is an inherent and transcendent meaning in poetry that is distinct from the  
 purely lexical meanings of the words The thesis disputes the definition of modernism as a shift from a musical model of  
 poetry to a visual model and argues that the musical element of poetry is essential to its aesthetic content Schade writes
