Shadow Man The Life Of Dashiell Hammett:

Shadow Man Richard Layman, 1981 The legend of Dashiell Hammett the former Pinkerton detective who reinvented the mystery story in five books written between 1929 and 1934 is carefully examined here by Richard Layman in a meticulously factual account of all that is likely to be known about the real Continental Op This unsentimental account of Hammett from his rural Maryland youth through the Pinkerton years in San Francisco fame as a novelist notoriety as a Hollywood screen writer imprisonment as an uncooperative McCarthy committee witness and an obscure death in 1961 highlights the facts while accenting the shadow on which the legend would be built Book jacket **Dashiell Hammett and the Movies** William H. Mooney, 2014-11-03 As the father of the hardboiled detective genre Dashiell Hammett had a huge influence on Hollywood Yet it is easy to forget how adaptable Hammett's work was fitting into a variety of genres and inspiring generations of filmmakers Dashiell Hammett and the Movies offers the first comprehensive look at Hammett's broad oeuvre and how it was adapted into films from the 1930s all the way into the 1990s Film scholar William H Mooney reveals the wide range of films crafted from the same Hammett novels as when *The Maltese Falcon* was filmed first as a pre Code sexploitation movie then as a Bette Davis screwball comedy and finally as the Humphrey Bogart classic He also considers how Hammett rose to Hollywood fame not through the genre most associated with him but through a much fizzier concoction the witty murder mystery *The Thin Man* To demonstrate the hold Hammett still has over contemporary filmmakers the book culminates in an examination of the Coen brothers pastiche Miller's *Crossing* Mooney not only provides us with an in depth analysis of Hammett adaptations he also chronicles how Hollywood enabled the author's own rise to stardom complete with a celebrity romance and a carefully crafted public persona Giving us a behind the scenes look at the complex power relationships cultural contexts and production concerns involved in bringing Hammett's work from the page to the screen Dashiell Hammett and the Movies offers a fresh take on a literary titan **American Authors and the Literary Marketplace Since 1900** James L. Hardboiled Crime Fiction Maysaa Husam Jaber,2016-02-02 This book fills a gap in both literary and feminist scholarship by offering the first major study of femme fatales in hardboiled crime fiction Maysaa Jaber shows that the criminal literary figures in the genre open up powerful spaces for imagining female agency in direct opposition to the constraining forces of patriarchy and misogyny Lives of the Novelists John Sutherland,2012-03-27 No previous author has attempted a book such as this a complete history of novels written in the English language from the genre's seventeenth century origins to the present day In the spirit of Dr Johnson's *Lives of the Poets* acclaimed critic and scholar John Sutherland selects 294 writers whose works illustrate the best of every kind of fiction from gothic penny dreadful and pornography to fantasy romance and high literature Each author was chosen Professor Sutherland explains because his or her books are well worth reading and are likely to remain so for at least another century Sutherland presents these authors in chronological order in each case

deftly combining a lively and informative biographical sketch with an opinionated assessment of the writer's work. Taken together, these novelists provide both a history of the novel and a guide to its rich variety. Always entertaining and sometimes shocking, Sutherland considers writers as diverse as Daniel Defoe, Henry James, James Joyce, Edgar Allan Poe, Virginia Woolf, Michael Crichton, Jeffrey Archer, and Jacqueline Susann. Written for all lovers of fiction, *Lives of the Novelists* succeeds both as an introduction and a re-introduction, as Sutherland presents favorite and familiar novelists in new ways and transforms the less favored and less familiar through his relentlessly fascinating readings. *Lillian Hellman*, William Wright, 1986. This portrait traces the controversial life of the successful playwright, including her relationship with Dashiell Hammett and details her active role in ideological battles and her celebrated feuds with everyone from Tallulah Bankhead to Mary McCarthy.

Unfriendly Witnesses, Milly S. Barranger, 2008-06-10. *Unfriendly Witnesses: Gender, Theater, and Film in the McCarthy Era* examines the experiences of seven prominent women of stage and screen whose lives and careers were damaged by the McCarthy era witch hunts for Communists and Communist sympathizers in the entertainment industry: Judy Holliday, Anne Revere, Lillian Hellman, Dorothy Parker, Margaret Webster, Mady Christians, and Kim Hunter. The effects on women of the anti-Communist crusades that swept the nation between 1947 and 1962 have been largely overlooked by cultural critics and historians who have instead focused their attention on the men of the period. Author Milly S. Barranger looks at the gender issues inherent in the investigations and at the destructive impact the investigations had on the lives and careers of these seven women and on American film and theater and culture in general. Issues of gender and politics surface in the women's testimony before the committeemen, labeled "unfriendly," because the women refused to name names. *Unfriendly Witnesses* redresses the absence of women's histories during this era of modern political history and identifies the enduring strains of McCarthyism in postmillennial America. Barranger recreates the congressional and state hearings that addressed the alleged Communist influence in the entertainment industry and examines in detail the cases of these seven women, including the appearance of actress Judy Holliday before the committee of Senator Pat McCarran, who aimed to limit the immigration of Eastern Europeans; actress Anne Revere and playwright Lillian Hellman appearing before the House Un-American Activities Committee; sought the protections of the Fifth Amendment with different outcomes; writer Dorothy Parker, who testified before a New York state legislative committee investigating contributions to front groups; and director Margaret Webster before Senator Joseph McCarthy's subcommittee, whose aim was the indictment of Senator J. William Fulbright and the U.S. State Department. None escaped subsequent blacklisting, denial of employment, and notations in FBI files that they were threats to national security. *Unfriendly Witnesses* is enhanced by nine illustrations and extensive excerpts from *Red Channels: The Report of Communist Influence in Radio and Television*, originally published in 1950 at the height of the Red Scare and which listed 151 allegedly subversive writers, directors, and performers. Barranger includes the complete entries from *Red Channels* for the seven women she discusses, which include the subversive affiliations that prompted the women's

literary autobiography is not simply inevitable Rather it is often a deliberate highly strategic decision on the author s part Throughout his analysis Adams s standard is not literal accuracy but personal authenticity He attempts to resolve some of the paradoxes of recent autobiographical theory by looking at the classic question of design and truth in autobiography from the underside with a focus on lying rather than truth Originally published in 1990 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value
