days as Faery's reluctant regent have crashed and burned Either I left the land to rot in a squalid soup of broken promises or I destroyed her enemies one by one No choice there Not really I'd known some of those enemies since childhood which was centuries ago They say familiarity breeds contempt In my case it bred sorrow as I consigned Fae who'd been friends to eternal destruction and fed them to the land Dariyah the Witch who wasn't one crossed my path for reasons I'm still figuring out Her long lost mother presided over one of Faery's many dirty secrets the Midnight Court Some like to believe Fae blood is pure It's not We and the Sidhe are joined at the hip and the Midnight Court was once a living symbol of our bond Court of the Fallen Faery has changed so much I barely recognize her The worst part is I didn't see this coming A few minor skirmishes sure but the Unseelie fielded tens of thousands against us The King of Winter is finally exacting revenge against the consort who spurned him The rest of us are collateral damage He played his hand well attracted powerful allies and punted us into a definite one down position For the moment Pegasus is the king's primary ally I possess knowledge that will blow their partnership sky high And proof in case neither of them believes me Timing is everything though We must wrest Faery from the enemy I finally hold the land link but success is far from a foregone conclusion More blood will flow before we're done Buckets of the stuff but I can't let that stop me Court of Destiny Faery's castle lies in ruins a reflection of the rest of a land I love My land my realm has altered almost beyond recognition The part that hasn't changed is the incredible people and creatures who live in Faery Unicorns Fauns Satyrs Fae Sidhe Their spirits have been indomitable and it makes me proud to call them brothers But then the Unseelie used to be brethren too Now they stand against us along with a collection of monsters intent on sucking every last breath of life from Faery The worst part about all of this has been not knowing whom I can call friend As we lurch into the endgame my life soul and fortunes are linked with the woman I love We rise or fall together If it comes down to a gut wrenching choice will I pick Faery or Dariyah *Court of the Fallen Ann*
