Shadowed Lives Undocumented Immigrants In American Society:

Shadowed Lives Leo Ralph Chavez,1992 In *Shadowed Lives* Leo Chavez provides a telling description and analysis of the lives of undocumented workers in southern California particularly San Diego County The analysis goes beyond their lives to the antecedent conditions and needs that have caused many thousands of workers to risk arrest and worse as they cross the border between Mexico and the United States Foreword

Shadowed Lives: Undocumented Immigrants in American Society Leo R. Chavez,2012-03-12 One of the few case studies of undocumented immigrants available this insightful anthropological analysis humanizes a group of people too often reduced to statistics and stereotypes The hardships of Hispanic migration are conveyed in the immigrants own voices while the author s voice raises questions about power stereotypes settlement and incorporation into American society Important Notice Media content referenced within the product description or the product text may not be available in the ebook version *Decolonial Voices* Arturo J. Aldama,Naomi Helena Quiñonez,2002-04-04 *Decolonial Voices* brings together a body of theoretically rigorous interdisciplinary essays that articulate and expand the contours of Chicana and Chicano cultural studies *Undocumented Immigrants in the United States* Anna Ochoa O'Leary,2014-02-25 This two volume reference work addresses the dynamic lives of undocumented immigrants in the United States and establishes these individuals experiences as a key part of our nation s demographic and sociological evolution This two volume work supplies accessible and comprehensive coverage of this complex subject by consolidating the insights of hundreds of scholars who have studied the issues of undocumented immigration in the United States for years It provides a historical perspective that underscores the exponential growth of the undocumented population in the last three decades and presents a more nuanced more detailed and therefore more accurate portrait of undocumented immigrants than is available in general media Also included are recommended resources that will serve researchers seeking more information on topics regarding undocumented immigrants Ethnography on undocumented immigrants in the United States of America Jane Vetter,2008-10-13 Seminar paper from the year 2007 in the subject Ethnology Cultural Anthropology University of North Florida language English abstract Leo Chavez author of *Shadowed Lives Undocumented Immigrants in American Society* and doctor in anthropology has been working and writing about Central American immigration since 1980 Chavez vii In *Shadowed Lives* Chavez described and analyzed lives of illegal Mexican workers in Southern California using anthropology for challenging our assumptions about both ourselves and others in our world Chavez xii The author covered among other things crossing borders immigrant homes migrant problems families and networks as well as working structures and processes living as an illegal alien in a foreign country He was eager to explain phases of separation transition and incorporation for immigrants when changing social status and environment in order to start a new life and undergo their territorial passage The following paper will discuss several topics relating to key concepts learned in class It will examine emic and etic interpretations problems of ethnocentrism and the appliance of

cultural relativism Furthermore it will highlight research methods and backgrounds with regard to the author and his field of study Last but not least the paper will provide several examples of social power and describe factors that impact relationships between individuals or groups

Religion and Social Justice For Immigrants Pierrette Hondagneu-Sotelo, 2006-10-18 Religion has jumped into the sphere of global and domestic politics in ways that few would have imagined a century ago Some expected that religion would die as modernity flourished Instead it now stares at us almost daily from the front pages of newspapers and television broadcasts Although it is usually stories about the Christian Right or conservative Islam that grab headlines there are many religious activists of other political

persuasions that are working quietly for social justice This book examines how religious immigrants and religious activists are working for equitable treatment for immigrants in the United States The essays in this book analyze the different ways in which organized religion provides immigrants with an arena for mobilization civic participation and solidarity Contributors explore topics including how non Western religious groups such as the Vietnamese Caodai are striving for community recognition and addressing problems such as racism economic issues and the politics of diaspora how interfaith groups organize religious people into immigrant civil rights activists at the U S Mexican border and how Catholic groups advocate governmental legislation and policies on behalf of refugees

Unauthorized Love Jane Lilly López, 2021-11-23 A rich narrative exploration of the ways love defies survives thrives and dies as lovers contend with US immigration policy For mixed citizenship couples getting married is the easy part The US Supreme Court has confirmed the universal civil right to marry guaranteeing every couple s ability to wed But the Supreme Court has denied that this right to marriage includes married couples right to life liberty and the pursuit of happiness on US soil creating a challenge for mixed citizenship couples whose individual level rights do not translate to family level protections While US citizens can extend legal inclusion to their spouses through family reunification they must prove their worthiness and the worthiness of their love before their relationship will be officially recognized by the state In *Unauthorized Love* Jane L pez offers a comprehensive critical look at US family reunification law and its consequences as experienced by 56 mixed citizenship American couples These couples stories of integration and alienation of opportunity and inequality of hope and despair make tangible the consequences of current US immigration laws that tend to favor Whiteness wealth and heteronormativity as well as the individual rather than the family unit in awarding membership and official belonging In examining the experiences of couples struggling to negotiate intimacy under the constraints of immigration policy L pez argues for a rethinking of citizenship as a family affair

Migration Theory Caroline B. Brettell, James F. Hollifield, 2014-08-25 During the last decade the issue of migration has increased in global prominence and has caused controversy among host countries around the world To remedy the tendency of scholars to speak only to and from their own disciplinary perspective this book brings together in a single volume essays dealing with central concepts and key theoretical issues in the study of international migration across the social sciences Editors Caroline B Brettell and James F Hollifield have guided a thorough revision of this seminal text with valuable insights from such fields as anthropology demography economics geography history law political science and sociology Each essay focuses on key concepts questions and theoretical frameworks on the topic of international migration in a particular discipline but the volume as a whole teaches readers about similarities and differences across the boundaries between one academic field and the next How for example do political scientists wrestle with the question of citizenship as compared with sociologists and how different is this from the questions that anthropologists explore when they deal with ethnicity and identity Are economic theories about ethnic enclaves similar to those of sociologists What theories do historians the essentializers and demographers the modelers draw upon in their attempts to explain empirical phenomena in the study of immigration What are the units of analysis in each of the disciplines and do these shape different questions and diverse models and theories Scholars and students in migration studies will find this book a powerful theoretical guide and a text that brings them up to speed quickly on the important issues and the debates All of the social science disciplines will find that this book offers a one stop synthesis of contemporary thought on migration Illegal Aliens United States. General Accounting Office, 1995 *Gendered Capital* Sally Ann Davies-Netzley, 2013-12-16 This book makes an important contribution by comparing the experiences of white and Latina women who own and operate businesses in the U S economy While accounting for the significance of gender ethnicity and social class Davies Netzley explores the various pathways that women take to becoming entrepreneurs and the economic social and cultural capital they use along the way
