Zondervan, 2009-08-30 Booted out of school for trying to set fire to a teacher's desk Graham Taylor became a roadie for the Sex Pistols and other punk rock bands It's unlikely that someone savoring a life of sex drugs and rock music would end up on a police force but it happened After a decade on the force Taylor was attacked and beaten and his injuries forced him out of service So Taylor topped one surprise twist in his life with another he became an Anglican priest Assigned to a church on the northeast coast of England Taylor delved into the fascinating history of the region tales of smugglers storms at sea and people lost out on the moors This curiosity would propel him in yet another new direction as the landscape started to inspire him with ideas for settings and stories of his own When he gave a speech about his concern over a growing occult presence in children's literature someone asked Taylor why he didn't write a children's book himself The seed was planted and soon Taylor was hard at work on Shadowmancer a breathtaking tale of the battle between good and evil It was a safe bet that when Taylor sold his motorcycle to print his first novel the self published book would sell only to friends and relatives But once again Taylor's course roared away from the predictable Shadowmancer rocketed to the top of the bestseller lists on both sides of the Atlantic But then what had been predictable about Taylor's life Laced with humor and filled with incredible twists and turns the life story of G P Taylor is equal to the plot of any one of his bestselling novels This entertaining inspiring and engaging autobiography is a book you won't want to put down *Shadowmancer* G.P.
