Shadowrun ,1990-04 **The Grimoire** Contemporary Books,1990-07 An expansion of the magic rules from Shadowrun

Forthcoming Books Rose Arny,1990 **The Publishers Weekly** ,1995 *Grimoire II* Paul R. Hume,Fasa,FASA Corporation,1993-04 Notes from the Field William Jevning,2010-02-21 From the most ancient time of human existence stories of strange man animals have been passed down in legends and myth These stories have been told in all parts of the world and are remarkably similar How could such stories be created and why Could the collective unconscious memory of humanity hold within it lurking shadows of creatures we once knew Creatures that today exist only as legend and myth could there be more is there more Fossil records firmly establish that once there did exist a giant ape like creature called Gigantopithecus Scientists have determined that this ape like creature was between 10 and 12 feet in height and weighed approximately 1 200 pounds This creature actually did exist but no one really knows much more about it other than its weight and height and no one knows anything about its behavioral characteristics Could it have been the ancestor to the sasquatch of today no one really knows nor does it matter The simple fact that such creatures did exist at one time makes the possibility of ape like giants existing today real Notes From the Field Tracking North America s sasquatch is a study into this issue it covers ancient descriptions from different parts of the world and tracks this creature to modern times and discusses recent field discoveries **National Audubon Society Pocket Guide: Familiar Animal Tracks of North America** John Farrand,National Audubon Society,1993-02-09 A photographic guide to tracks made by animals plus facts about each kind

Animals of North America Christina Wilsdon,2004-05-07 6 EA Half-Human Monsters and Other Fiends Ruth Owen,2013-01-01 Could half human half ape creatures really roam the Himalayan Mountains and the forests of North America If tales of Bigfoot Yeti and Sasquatch are just stories why do so many people report seeing these monsters in remote areas around the world What would it be like to come upon a footprint of the Abominable Snowman or catch sight of Mothman and how can you tell if the creature lurking down the path is part human and part beast In Half Human Monsters and Other Fiends young readers will read historical stories and modern day accounts of encounters with half human monsters Kids will get all the facts they need to help them spot Bigfoot Mothman ghouls and other supernatural creatures Children will also investigate the truth behind the stories exploring the fears and superstitions of different cultures and looking at the scientific facts that might explain the seemingly unexplainable If you love a nerve racking story but also want to investigate the truth behind the myths this is the book for you **Sasquatch, Wild Man of North America** Elaine Landau,1993 Introduces the unidentified apelike Sasquatch said to dwell in the Pacific Northwest recounts sightings throughout history and discusses the evidence and theories advanced about its existence Varmints Chad Arment,2010-06-01 Varmints is a cryptozoological survey of mystery carnivore folklore stories and sightings in North America Black panthers maned felines giant polar bears dwarf grizzlies and many more alleged predators have been reported

though most are dismissed out of hand by wildlife officials Cryptozoology researchers and enthusiasts alike will find cases worth exploring and some tantalizing leads for future investigation
