Hara rents an old cottage on the banks of a river in Tasmania She wants peace and quiet to come to terms with her husband s death and the end of her unhappy marriage But her cottage is haunted by the ghost of Devlin a boatman from convict days Captivated by Devlin s story and his mysterious disappearance Kate falls deeper under the spell of the past And then Kate steps back in time and meets Devlin in person **When Shadows Fall** L. Ron Hubbard,2009-04-15 Star Trek s Captain Kirk has a kindred soul in Lars the Ranger a commander of his own star fleet But whereas Kirk s mission is to boldly go where no man has gone before Lars is boldly going where other men are in a desperate attempt to save his home planet Earth He s not exploring the final frontier He is our last hope Earth is way past global warming It s totally fried an environmental disaster and most of its inhabitants have cut out for greener pastures colonizing distant worlds Lars leads an expedition across the galaxy to visit those worlds in hopes that he return with the resources needed to bring Earth back from the brink of

extinction But Lars has apparently failed A mammoth fleet of mysterious starships are descending on the third planet from the sun Is Earth history Yes and that may just be its saving grace Also includes the science fiction adventures Battling Bolto the story of a giant con man who s running an interstellar scam while the biggest trick of all lies right under his nose and Tough Old Man in which an aging constable s lack of feelings is not a matter of insensitivity but of a secret and surprising side of his character When the Shadows Fall Elise Noble,2020-12-31 From shot girl to assassin When eighteen year old Sky Malone left England to work for Emmy Black she realised her new job wouldn t be easy After all being Superwoman s sidekick wasn t a career you could half ass In Virginia she finds every day is a battle Against exhaustion against her tall dark and grouchy mentor Rafael and against the ghosts of her past And as if that isn t tough enough after just two months she s flung into the middle of an undercover operation that leaves her fighting not only for her place on the team but for her life as well Dark Shadows Falling Joe Simpson,1999-07 Concise objective account of the 1996 Everest debacle One of Simpson s most controversial and challenging books Short listed for the 1997 Boardman Tasker Award In 1992 an Indian climber was left to die alone high on the South Col of Mount Everest by other climbers who watched his feebly waving hand from the security of their tent thirty yards away Some film footage of his corpse was later shown on television Why did these onlookers not hold the dying man s hand and comfort him The answer appalls Joe Simpson who was himself left for dead in a crevasse at the foot of Siula Grande in Peru in 1985 It is an uncomfortable ethical question that he is forced to confront as he attempts a difficult new route on Pumori with a clear view of the whole South Col from close to the vantage point where Eric Shipton first spotted the way up the south side of Everest taken by Hillary and Tenzing in 1953 Now that Everest has become the playground of the rich where commercial operators offer guided tours to the top up fixed ropes camping amidst the detritus and unburied corpses of previous less fortunate climbers Simpson wonders if the noble caring instincts that once characterized mountaineering have been irrevocably displaced as in other facets of today s society On investigation he finds it a less black and white issue that at first it seemed I shall never forget the horror of dying alone the awful empty loneliness of it he says Yet his empathy for the victims of storms altitude sickness or misjudgments is tested time and again as he explores anecdotally and in conversations with his companions on Pumori the moral climate of mountaineering in the 1990s
