Shadows In The Watchgate:

Shadows in the Watchgate Mike Jefferies, 1991 **Shadows in the Watchgate** Mike Jefferies, 1991 *The A to Z of Fantasy Literature* Brian Stableford, 2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites **Historical Dictionary of Fantasy Literature** Allen Stroud, 2023-06-12 Fantasy is both old and new In the ancient past stories of magic where supernatural creatures existed the gods walked the earth and heroes saved their civilizations from the dark fate that awaited them were intermingled with history religion and fact It is only in the last few hundred years that a conscious suspension of disbelief has allowed us to return to fantasy the literature of the impossible and appreciate it for its craft and storytelling once more Historical Dictionary of Fantasy Literature Second Edition contains a chronology an introduction an extensive bibliography and cross referenced entries on more than 800 authors ranging across the entire historical spectrum More than 200 other entries describe the fantasy sub genres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies This book is an excellent resource for students researchers and anyone wanting to know more about fantasy literature *The Encyclopedia of Fantasy* John Clute, John Grant, 1999-03-15 Like its companion volume *The Encyclopedia of Science Fiction* this massive reference of 4 000 entries covers all aspects of fantasy from literature to art **Shadows Over Baker Street** Neil Gaiman, Steven-Elliot Altman, Brian Stableford, 2005-03-01 The terrifyingly surreal universe of horror master H P Lovecraft bleeds into the logical world of Sherlock Holmes Sir Arthur Conan Doyle s champion of rational deduction in these stories by twenty top horror mystery fantasy and science fiction writers Arthur Conan Doyle s Sherlock Holmes is among the most famous literary figures of all time For more than a hundred years his adventures have stood as imperishable monuments to

the ability of human reason to penetrate every mystery solve every puzzle and punish every crime For nearly as long the macabre tales of H P Lovecraft have haunted readers with their nightmarish glimpses into realms of cosmic chaos and undying evil But what would happen if Conan Doyle s peerless detective and his allies were to find themselves faced with mysteries whose solutions lay not only beyond the grasp of logic but of sanity itself In this collection of all new all original tales twenty of today s most cutting edge writers provide their answers to that burning question A Study in Emerald by Neil Gaiman A gruesome murder exposes a plot against the Crown a seditious conspiracy so cunningly wrought that only one man in all London could have planned it and only one man can hope to stop it A Case of Royal Blood by Steven Elliot Altman Sherlock Holmes and H G Wells join forces to protect a princess stalked by a ghost or perhaps something far worse than a ghost Art in the Blood by Brian Stableford One man s horrific affliction leads Sherlock Holmes to an ancient curse that threatens to awaken the crawling chaos slumbering in the blood of all humankind The Curious Case of Miss Violet Stone by Poppy Z Brite and David Ferguson A girl who has not eaten in more than three years teaches Holmes and Watson that sometimes the impossible cannot be eliminated The Horror of the Many Faces by Tim Lebbon Dr Watson witnesses a maniacal murder in London and recognizes the villain as none other than his friend Mr Sherlock Holmes With fourteen other dark tales of madness horror and deduction a new and terrible game is afoot Tiger Tiger by Elizabeth Bear The Case of the Wavy Black Dagger by Steve Perry The Weeping Masks by James Lowder The Adventure of the Antiquarian s Niece by Barbara Hambly The Mystery of the Worm by John Pelan The Mystery of the Hanged Man s Puzzle by Paul Finch The Adventure of the Arab s Manuscript by Michael Reaves The Drowned Geologist by Caitl n R Kiernan A Case of Insomnia by John P Vourlis The Adventure of the Voorish Sign by Richard A Lupoff The Adventure of Exham Priory by F Gwynplaine MacIntyre Death Did Not Become Him by David Niall Wilson and Patricia Lee Macomber Nightmare in Wax by Simon Clark
