Shadows of Things to Come Rick Joyner, 2001-04-08 One of the greatest sources of prophetic vision is found by better understanding our past says Rick Joyner I studied Christ s interaction with the apostles as well as the life of the early church to be obedient to a heavenly vision in which I was told that I would not be able to accurately foresee the future until I understood the past In this important book Joyner looks at the life and ministry of the apostles and of later generations so that Christians today can close the openings the enemy has used to gain entry and do his deadly work He examines the successes and failures of Christians of the past so we can better understand how to be God s servants today **Enjoying**

**Thinking Biblically about Islam** Ida Glaser, Hannah Kay, 2016-02-14 In this careful double exposition of the Bible and Islam, Ida Glaser and Hannah Kay emphasise godly attitudes, loving action and a deep appreciation of God's grace and goodness as essential traits of any Christian. The authors walk the reader through two underlying frameworks necessary to think biblically about Islam. The first is to understand the dynamic of religion in people's lives through Genesis 4:11's account of the world after the fall and hence to understand Bible stories within the religious contexts in which they occurred. The second is at the heart of the book: the idea that Islam inverts the exaltation of Christ above the prophets in the narrative of the transfiguration in Luke 9 and 10. Examining the themes of the land, zeal, law and the cross in these chapters of Luke's Gospel and the Old Testament stories of Moses and Elijah, we are led to better understand the Bible, Islam and God's heart towards Muslims.
