Shadow Screen Thomas Champion, 2016-05-18 My name is Peter Grant I didn't start out to save the world it just sort of happened I only wanted to win back the love of the woman who broke up with me She was chosen to work on this anthropological expedition to Bali an excellent place to rekindle the magic of romance I more or less invited myself along That wasn't the kind of magic I found While Gayle my ex was working on her tan beside a Balinese lagoon I was chasing down headhunters in the jungles of Irian Jaya She made the cocktail party circuit I buried the last King of the Torajan And while the lovely Ms O Conner got engaged to the Major Domo Demon of the Underworld I became the sorcerer's apprentice So you tell me how's a guy suppose to win a woman's heart if he can't spend any quality time with her I'm a child of my times an amalgamation of nature and nurture I did what any red blooded American male my age has learned to do I battled the evil lord of the universe to stop his union with the woman I love and saved all of mankind in the process You would think that would count for something wouldn't you Man has always known the gods the demons They are as real as the moon and stars From his first taste of the apple man recognized good and evil and honored and feared the gods they represent But someday we must ask how much of this is real and how much is just man's invention For Peter Grant the answer means everything
