Shadows to Sunrise ,2001-10 Are you looking for fresh vibrant material for Holy Week worship Do you want your congregation to experience the unforgettable drama of Jesus suffering so that they more fully appreciate the celebration and joy of Easter If so then you ll want this anthology that provides several innovative choices for Maundy Thursday Good Friday and Easter sunrise worship Copying privileges are included for all six segments Beyond The Shadows combines communion with gradually extinguished candlelight to create a moving Maundy Thursday tenebrae experience As each part of the Passion story unfolds more candles are snuffed out and the service concludes in total darkness By reminding us that the Light of the World came to us yet was engulfed in total darkness as his life slipped away Beyond The Shadows focuses worshipers attention on the coming resurrection and how that brightness contrasts with the darkness of the crucifixion When The Son s Light Failed is a poignant Good Friday dramatization that imagines the presence at the crucifixion of many women whose lives were profoundly affected by Jesus The women all share their stories with each other as they witness our Lord s ultimate sacrifice It s a moving portrayal which reminds us that Jesus ministry touched the lives of everyone The tenebrae service Choices At The Cross explores some of the choices faced by those involved in the events of Christ s Passion ones of far greater magnitude than what we often face on a daily basis Choices At The Cross emphasizes that the most important decision we ultimately face is our response to the question posed by Pilate What shall I do then with Jesus who is called Christ Based on John s account of Christ s passion Good Friday Readings Meditations And Prayers is a series of seven brief contemplations and prayers that can form the basis for a remarkably effective Good Friday service or be used for personal devotional reading during Lent Filled with vivid imagery the meditations make the scriptures come alive while relating them to contemporary life Good Friday I Was There is a stark gripping Good Friday worship experience which confronts us with the powers of darkness and destruction which were responsible for Christ s crucifixion Brief monologues from seven shadowy personae Doubt Sorrow Fear Shame Agony Hate and Death dramatically recall how our Lord suffered as he took the sins of humanity upon himself Designed as a companion service to Good Friday I Was There Easter Dawn He Is Not Here is an Easter sunrise celebration in which each of the seven monologues Trust Celebration Wonderment Fulfillment Joy Love and Life mirrors one from the Good Friday service As each monologue is completed items in the sanctuary that were stripped and covered on Good Friday are uncovered and replaced leading to a joyous affirmation of the Lord s resurrection **In the Shadow of the Temple** Oskar Skarsaune,2025-08-04 Oskar Skarsaune makes a fresh contribution to our understanding of the development of the early church in its practice e g worship baptism and Eucharist and doctrine e g Scripture Christology pneumatology This book offers the new perspective that Christians were in ongoing and deep conversation with Jews during the early centuries leading up to Constantine The common perception of a drastic parting of the ways after the destruction of Jerusalem in 70 A D has tended to distort our understanding of the succeeding decades and centuries of Jewish and Christian

history Notwithstanding the fact that there were points of bitterness and strife the relationship is better viewed as that of a younger and older sibling There is much evidence of interaction between the early Christians and rabbinic Judaism both at the level of leadership and laypeople and this left its impression on the church Skarsaune gives us numerous fascinating episodic and topical glimpses into this untold story **The Publishers' Trade List Annual** ,1883 **International Journal of Religious Education** ,1967 Backpacker ,1995-04 Backpacker brings the outdoors straight to the reader s doorstep inspiring and enabling them to go more places and enjoy nature more often The authority on active adventure Backpacker is the world s first GPS enabled magazine and the only magazine whose editors personally test the hiking trails camping gear and survival tips they publish Backpacker s Editors Choice Awards an industry honor recognizing design feature and product innovation has become the gold standard against which all other outdoor industry awards are measured
