**The Value of Names and Other Plays** Jeffrey Sweet, 2008-05-14 In this collection of plays the playwright confronts both personal politics and the impact of historical change The title work first mounted in 1982 is a comedy drama about the aftermath of the blacklist whose continued relevance makes it a frequently produced play today The family drama *Porch* suggests larger social changes through the interaction of a small town shopkeeper and his defiant daughter The lauded *American Enterprise* set in the Chicago of the robber barons is a song filled true story about a millionaire whose stubborn idealism leads to disaster *Stay till morning* is a rueful comedy about sex and accommodation in the Florida Keys The three plays that grew out of his fascination with the effects of World War II *Berlin 45* Court martial at Fort Devens and *The action against Sol Schumann* dramatize the ways in which that conflict transformed private fates Each script is accompanied by an introduction from the playwright as well as performance notes

**The Blue Angel - The Life and Films of Marlene Dietrich** David Stuart Ryan, 2013-10-03 The story of Marlene Dietrich's life is the story of the 20th century Author David Stuart Ryan who wrote the bestselling biography *John Lennon's Secret* explores the amazing and circuitous route that took her to Hollywood and riches But to understand the essential Marlene it is necessary to go right back in time to the era of *La Belle Epoque* when a very feudal and settled order still existed in Europe *The Blue Angel* transports you to a glittering world that is all about to disappear in the maelstrom of world war What emerges from the conflict is a feverish gaiety that seeks to put behind it all the suffering that has taken place You are entering the Jazz Age and a Berlin that having suffered hyperinflation decides anything goes *The Berliner Luft* the Berlin air is what the locals call it This madcap atmosphere was to be recreated by a young journalist Billy Wilder when he made the journey to Hollywood Indeed the plot for his greatest film *Some Like It Hot* drew on his experiences in Berlin and Billy Wilder was one of the respondents to the author when he came to write Marlene's story Marlene's big break came when she played a vampish nightclub singer of dubious morals not a million miles away from her own background trying to survive in a world turned upside down *The Blue Angel* took her to America and a carefully constructed film star image which embodies all the dazzling wealth and influence of Hollywood at its most powerful and hypnotic Yet the more you get into the life of Marlene Dietrich the greater the mystery becomes Who was she really Only now can the expert analysis of David Stuart Ryan reveal the true Marlene Dietrich the person behind the image the human being behind the facade Was she indeed the blue angel
