Shadowy Heroes Irish Literature Of The 1890s Irish Studies Series

Leah Levenson, Jerry H. Natterstad

Shadowy Heroes Irish Literature Of The 1890s Irish Studies Series:

Shadowy Heroes Wayne E. Hall, 1980 Shadowy Heroes Wayne E. Hall, 1980 The Irish writers of the 1890s Somerville and Ross George Moore Edward Martyn George Russell and William Butler Yeats repeatedly sought to define for their literature and nation a messianic hero and thus to help shape the political and social consciousness of the Irish people Wayne Hall examines the writing of this decade within its economic and political context especially the relationship of literature to the issues of land reform and the decline of the Protestant Ascendancy in late nineteenth century Ireland Literature and politics tenuously joined forces early in the decade But the writers came increasingly to identify their own interests with those of the old social order and the landed gentry They deplored the materialism and egalitarianism that was sweeping aside the manorial past and as a way of preserving at least temporarily the values associated with economic feudalism they brought to the vanishing way of life its finest artistic expression The 1890s thus proved to be a crucial transition period and later Irish writers took many of their themes and literary concerns from this decade The early stages of the Irish Renaissance also exemplify a problem recurring throughout twentieth century Western art the alienation of the artist from society Failing to unite with and transform the actual circumstances of Ireland the writers responded by retreating from it and by substituting instead myths of their own making **Irish Literature** Maureen O'Rourke Murphy, James MacKillop, 1987

Stories by Contemporary Irish Women Daniel J. Casey, Linda M. Casey, 1990-04-01 These short stories invite the reader to see Ireland afresh Included are works by well known authors such as Mary Lavin Edna O'Brien and Julia O'Faolain the collection also showcases new writers such as Clare Boylan Rita Kelly and Una Woods Repeatedly the stories bring us up against the inherent contradiction of provincial Ireland and Ireland as a modern European state and the complexities of women's lives in both Helen Lucy Burke writes tellingly of an older devout Irish Catholic woman as she encounters the startling realities of Italian Catholic Rome Other stories also dwell on traditional Irish themes and situations through refreshingly varied voices Ita Daly movingly portrays the problems of an educated sensitive schoolteacher resigned to her life in a country town Anne Devlin handles yet another familiar theme the Irelander in England an England edgy about IRA bombings A few stories deal with the troubles in Northern Ireland while others address the troubles of the country as a whole too many children too much hypocrisy too little communication especially between women and men The editors have provided an introduction that examines the role of women writers in Irish literature They have also supplied detailed biographical notes for each contributing author **The Irish Beckett** John P. Harrington, 1991-05-01 Breaking with a powerful tradition among scholars that insists that Beckett's Irishness is no more than an accident of birth Harrington provides compelling evidence to the ways in which many of Beckett's best known texts are deeply involved in Irish issues and situations Providing new readings of such works as *More Pricks Than Kicks* Murphy Watt Mercier and Camier *Waiting for Godot* and *Endgame* Harrington provides an understanding of Beckett's work in its representation of Ireland of Irish history

and of Irish literary traditions **Irish Literature** Mary Ketsin,2004 Irish literature s roots have been traced to the 7th 9th century This is a rich and hardy literature starting with descriptions of the brave deeds of kings saints and other heroes These were followed by generous veins of religious historical genealogical scientific and other works The development of prose poetry and drama raced along with the times Modern well known Irish writers include William Yeats James Joyce Sean Casey George Bernard Shaw Oscar Wilde John Synge and Samuel Beckett Selected Short Stories of Padraic Colum Padraic Colum,1985 **A New History of Ireland: Ireland under the Union, II, 1870-1921** Daibhi O. Croinin,William Edward Vaughan,2005 *Hanna Sheehy-Skeffington* Leah Levenson,Jerry H. Natterstad,1989-09-01 Hanna Sheehy Skeffington chronicles the life and activism of one of Ireland s most influential feminists Sheehy Skeffington was a nationalist pacifist socialist and above all a tireless advocate for women s rights Her career spanned nearly five decades during which she fought for suffrage social justice and Irish independence This book explores her unwavering commitment to equality her role in shaping Ireland s political landscape and her struggles against a society resistant to change From her involvement in the Irish Women s Franchise League to her outspoken opposition to militarism Sheehy Skeffington s story is one of resilience and determination The biography also delves into her personal life including her partnership with Francis Sheehy Skeffington who shared her progressive ideals Old Days, Old Ways Olive Sharkey,1987-09-01 Olive Sharkey is the daughter of farmers in the midlands of Ireland I belong to a family which was the last in our district to relinquish the old ways on the land and in the home she says Her research brought her to folk museums throughout Ireland and into the homes of fascinating elderly folk with surprisingly clear memories The daily and seasonal rhythms of life and work in the ould days is recaptured from building the house and turning the sod for a new crop to saving the hay and burying the dead **The Figure in the Cave and Other Essays** John Montague,Antoinette Quinn,1989 A New History of Ireland, Volume VI W. E. Vaughan,2010-04-01 A New History of Ireland is the largest scholarly project in modern Irish history In 9 volumes it provides a comprehensive new synthesis of modern scholarship on every aspect of Irish history and prehistory from the earliest geological and archaeological evidence through the Middle Ages down to the present day Volume VI opens with a character study of the period followed by ten chapters of narrative history and a study of Ireland in 1914 It includes further chapters on the economy literature the Irish language music arts education administration and the public service and emigration

Empire, the National, and the Postcolonial, 1890-1920 Elleke Boehmer,2005-01-06 Empire the National and the Postcolonial 1890 1920 explores the political co operations and textual connections which linked anti colonial nationalist and modernist groups and individuals in the empire in the years 1890 1920 By developing the key motifs of lateral interaction and colonial interdiscursivity Boehmer builds a picture of the imperial world as an intricate network of surprising contacts and margin to margin interrelationships and of modernism as a far more constellated cultural phenomenon than previously understood Individual case studies consider Irish support for the Boers in 1899 1902 the path breaking radical partnership of

the Englishwoman Sister Nivedita and the Bengali extremist Aurobindo Ghose Sol Plaatje's conflicted South African nationalism and the cross border cosmopolitan involvements of W B Yeats Rabindranath Tagore and Leonard Woolf Underlining Frantz Fanon's perception that a colonized people is not alone Boehmer significantly questions prevailing postcolonial paradigms of the self defining nation syncretism and mimicry and dismantles still dominant binary definitions of the colonial relationship *Emigrants and Exiles* Kerby A. Miller, 1988 Explains the reasons for the large Irish emigration and examines the problems they faced adjusting to new lives in the United States **Yeats, Folklore and Occultism** Frank Kinahan, 2019-08-13 This lively introduction to the poems of W B Yeats first published in 1988 provides a series of intriguing new readings of his work in relation to his profound involvement with occultism and folklore During Yeats's formative years as an artist two compelling movements were emerging the revivals of interest in Irish folklore and in the magical tradition Yeats later named folklore and occultism as the chief intellectual influences on his youth and Yeats Folklore and Occultism sets out to test this claim This is an important critical book for Yeats scholars and all those concerned with understanding of twentieth century poetry *Directions*, 1981 **The Complete Works of J.M. Synge** John Millington Synge, 2008 Collects all of Synge's published plays including *The Playboy of The Western World* along with his Poetry and Translations and the prose works that detail his travels in *The Aran Islands* In Wicklow In Kerry and In Connemara **A New History of Ireland** Theodore William Moody, Francis X. Martin, Francis John Byrne, 1976 A New History of Ireland in nine volumes provides a comprehensive new synthesis of modern scholarship on every aspect of Irish history and prehistory from the earliest geological and archaeological evidence through the middle ages down to the present day Back cover **Ulysses as a Comic Novel** Zack R. Bowen, 1989 *An Irish Literature Reader* Maureen O'Rourke Murphy, James MacKillop, 2015-02-01 In a volume that has become a standard text in Irish studies and serves as a course friendly alternative to the Field Day anthology editors Maureen O'Rourke Murphy and James MacKillop survey thirteen centuries of Irish literature including Old Irish epic and lyric poetry Irish folksongs and drama For each author the editors provide a biographical sketch a brief discussion of how his or her selections relate to a larger body of work and a selected bibliography In addition this new volume includes a larger sampling of women writers
