Gulino, 2023-03-10 Chevi is a skeptical 5 year old that doesn't believe anything that she can't see for herself Through life adventures Chevi navigates through her emotions to discover that the way she feels is normal A social emotional story about the challenges children face with expressing their feelings **Ms. Moffett's First Year** Abby Goodnough, 2009-04-28 In summer of 2000 legal secretary Donna Moffett answered an ad for the New York City Teaching Fellows program which sought to recruit talented professionals from other fields to teach in some of the city's worst schools Seven weeks later she was in a first grade classroom in Flatbush Brooklyn nearly completely unprepared for what she was about to face New York Times education reporter Abby Goodnough followed Donna Moffett through her first year as a teacher writing a frontpage award winning series that galvanized discussion nationwide Now she has expanded that series into a book that through the riveting story of Moffett's experiences explores the gulf between the rhetoric of education reform and the realities of the public school classroom Ms Moffett's First Year is neither a Hollywood friendly tale of one

person making a difference nor a reductive indictment of the public education system. It is rather a provocative portrait of the inadequacy of good intentions of the challenges of educating poor and immigrant populations and of a well meaning but underprepared woman becoming a teacher the hard way. While the story takes place in New York Ms Moffett's first year is a metaphor for the experiences of teachers everywhere in America one that illuminates the philosophical economic political and ideological dilemmas that have come more and more to determine their experience and their students experiences in the classroom.
