Shake Down The Stars:

A Pinch of Ooh La La Renee Swindle, 2014-08-05 To get to happily ever after sometimes you need to start from scratch Abbey Ross who runs her own bakery in Oakland California is known for her visually stunning wedding cakes But lately Abbey's own love life has become stale According to her best friend Bendrix Abbey's not the spontaneous young woman she was when they were teenagers listening to the Cure and creating attention grabbing graffiti Of course her failed relationship with a womanizing art forger might have something to do with that Nevertheless it's time for Abbey to step out of the kitchen and her comfort zone and Bendrix has even handpicked a man for her to date Samuel Howard is everything Abbey's dreamed of handsome successful and looking to raise a family But a creamy icing might be needed to hide a problem or two When Samuel complains about disrespect for the institution of marriage Abbey's reminded of her nontraditional family with thirteen children from various mothers And when Samuel rails about kids having kids Abbey thinks of her twenty year old sister who's recently revealed her pregnancy Soon Abbey is facing one disaster after another and struggling to make sense of it all Her search for love has led her down a bitter path but with the help of her unique family and unwavering friends she just might find the ooh la la that makes life sweet READERS GUIDE INCLUDED *Out of Calamity* Roger Rees, 2011 All the people in these stories are unsung heroes Their stories are true To honour their privacy most of the individuals profiled bear fictitious names a few are composite characters They have suffered severe trauma the consequences of which have affected every aspect of their lives as well as those of family and friends They demonstrate great if not superhuman courage and resilience and never seek or expect applause Over time day by day they endeavour to cope with loss bid to reclaim lost skills and unheralded make significant contributions to society Out of Calamity stories and portraits are told in language that is realistic but also poetic and demonstrate heroic dimensions even when people appear overwhelmed Superbly crafted writing that is often raw but also eloquent spare and affecting these stories are gems replete with insight and compassion
