## **Shaker Adventure:**

The Shaker Adventure Marguerite Fellows Melcher, 1968

Shaker Built Historic American Buildings Survey, 1974

**Selling Shaker** Stephen Bowe, Peter Richmond, 2007-01-01 The simple yet striking lines of Shaker design grace much of the furniture we see in high end department stores and beautiful examples of it adorn the pages of Architectural Digest and House Beautiful How did this style evolve from its origins in a humble small religious community to the international design phenomenon it is today This illustrated study explores the emergence of the Shaker style and how it was vigorously promoted by scholars and artists into the prominence it now enjoys The heart of the Shaker style lies in the religious movement founded in the eighteenth century where Stephen Bowe and Peter Richmond begin their chronicle From there the authors chart the evolution of the style into the twentieth century particularly in the hands of design media scholars and art institutions These Shaker agents repositioned Shaker style continuously from local vernacular to high culture and then popular culture Drawing on a rich array of sources including museum catalogs contemporary design magazines and scholarly writings *Selling Shaker* illustrates in detail how the Shaker style entered the general design consciousness and how the original aesthetic was gradually diluted into a generic style for a mass audience A wholly original and fascinating study of American design and consumption *Selling Shaker* is a unique resource for collectors scholars and anyone interested in the cultural history of a design aesthetic

*The A to Z of the Shakers* Stephen J. Paterwic, 2009-09-28 The United Society of Believers in Christ's Second Appearing commonly known as the Shakers followed Mother Ann Lee to the United States in 1774 when life in England became difficult In the United States they established several colonies whose governing principals included celibacy and agrarian communal living Even at its peak however Shakerism claimed only about 4 500 members Today except for one active community in Sabbathday Maine the great Shaker villages are diminished but the Shakers left an enduring impact on the religion and culture of the United States *The A to Z of the Shakers* relates the history of this fascinating group through a chronology an introductory essay a bibliography and over 200 cross referenced dictionary entries on Shaker communities industries individual families and important people Every definition biography and point of history was submitted to the Shakers at Sabbathday Lake for their review before it was included for publication As such the voice of the contemporary Shakers is found in the dictionary and they have given it their unequivocal endorsement

**The Shaker Experience in America** Stephen J. Stein, 1992-01-01 The first general history of the Shakers from their origins in 18th century England to the present day Drawing on written and oral testimony by Shakers over the past two centuries Stein offers a full and often revisionist account of the movement 57 illustrations

**Massachusetts & Western Connecticut Adventure Guide** Elizabeth Dugger, 2009 I bought this travel guide out of curiosity when I went back home to visit my parents I grew up in N H went to school at UCONN and spent a lot of time in Massachusetts so I am familiar with the area Sometimes when you live in a place however you take your home for granted and don't see the sights in your back yard

Traveling 1500 miles back home however I felt like I needed to get my money's worth the sure sign of a native east coaster. This book led me to some incredible old towns and restaurants and shops that I had missed while living there. I highly recommend the book. It was great to have it on my laptop because after work I was able to plan the remainder of my day in a snap. Amazon reviewer I've been toting Elizabeth L. Dugger's new *Adventure Guide to Massachusetts Western Connecticut* around for about a month now ever since I received it. I had all the best intentions of being the first reviewer to publish my commentary on the travel guide but with one project after another eating up my hours I'm not sure that I can claim that honor. I have however really bulked up my biceps by lugging the *Adventure Guide* around. In a word the book is massive and before I ever lifted the cover I was perplexed as to how Dugger could possibly have found enough bungee jumping cliff diving and vine swinging type adventures in the stately and somewhat subdued states of Massachusetts and Connecticut to fill 496 pages. When I opened to page 113 to find a section on Antique Shopping on Cape Cod I was surprised and delighted to realize that the range of adventures Dugger suggests includes those that pose great danger only to my credit card balance. In the book's introduction Dugger explains that adventure travel doesn't have to mean hanging from a cliff by your fingernails. Her enormous catalog of exciting escapes includes family friendly ideas outdoor fun for people of all ages and abilities out of the ordinary sightseeing suggestions and of course the full complement of hiking biking fishing boating and other recreational opportunities in central New England. Adventure travel makes you feel alive wakes you up to yourself as well as to your surroundings. Dugger explains Just being in open lands or along the coast most of the time can give you that get away feeling. Adventure travel gets the blood flowing the heart pumping. Also the author of the *Adventure Guide to New Hampshire* and the *Adventure Guide to Vermont* Dugger quickly debunks the notion that Massachusetts is a tamer less challenging playground than its mountainous northern neighbors. After a brief introductory section that includes a short history of Massachusetts a map of and information on getting to the region road rules and safety information on such important topics as avoiding bears the book is broken up into six regional chapters: the Seacoast Region Boston and Nearby Adventures Central Massachusetts the Pioneer Valley the Berkshires and the Litchfield Hills of Connecticut. Within each geographic section adventures are organized in category groupings: On Foot On Horseback On Wheels On Water On Snow Ice and In the Air. Each chapter has information on Eco Travel and where to Stay Eat as well. While the emphasis of this guide is decidedly on the outdoors and on planning a Massachusetts vacation that takes you to the lesser known attractions that the state offers it is actually one of the most comprehensive and delightful guides to the region available. While many travel guides contain the obligatory paragraph on each historic attraction and sightseeing venue the *Adventure Guide to Massachusetts Western Connecticut* artfully leads the traveler to those awe inspiring stimulating and unique excursions that are likely to make for a most memorable trip. Detailed maps black and white photos cute graphics and sidebars on special events kid friendly and accessible spots recommended reading and more. *Extraordinary Groups* Richard T. Schaefer, William W.

Zellner, 2015-10-22 Extraordinary Groups has had a storied history of excellence over multiple editions. Now available from Waveland Press at the start of its fifth decade of availability, its interdisciplinary approach to groups engaged in unconventional lifestyles makes it a popular textbook choice in hundreds of college courses across the social sciences including anthropology, religion history, and psychology. Written by sociologists using and illustrating sociological principles, the book is appealing because it is descriptive and explanatory rather than analytical. Descriptions of the groups are interwoven with basic sociological concepts, but systematic analysis and inductive reasoning are left to the discretion of the instructor. Extraordinary Groups is a compelling overview of the broad tapestry of social life that constitutes the United States. The illustrated full-featured Ninth Edition includes a glossary and end-of-chapter key terms, sources on the Web, and selected readings. *Introduction to New and Alternative Religions in America* William M. Ashcraft, Eugene V. Gallagher, 2006-10-30

Most new or alternative religious are gravely misunderstood by members of the religious mainstream. Labeled cults or sects, groups and their members are often ridiculed or otherwise disregarded as weird and potentially dangerous by the populace at large. Despite their efforts at educating the general public, the various anti and counter cult activists have in fact promoted much more misunderstanding than accurate understanding of the religious lives of some of their fellow citizens. Consequently, they have helped to create a very hostile environment for anyone whose religious practices do not fit within a so-called mainstream. This set rectifies the situation by presenting accurate, comprehensive, authoritative, and accessible accounts of various new and alternative religious movements that have been and are active in American society, and it addresses ways of understanding new and alternative religions within a broader context. Determining what actually constitutes a new or alternative religion is a subject of constant debate. Questions arise as to a new faith's legitimacy, beliefs, methods of conversion, and other facets of a religious movement's viability and place in a given culture. How a religion gains recognition by the mainstream, which often labels such new movements as cults, is fraught with difficulty, tension, and fear. Here, experts delineate the boundaries and examine the various groups, beliefs, movements, and other issues related to new faiths and alternative beliefs. Readers will come away with a fuller understanding of the religious landscape in America today. Volume 1: History and Controversies discusses the foundations of new and alternative religions in the United States and addresses the controversies that surround them. This volume helps readers better understand what makes a new or alternative belief system a religion and the issues involved. Volume 2: Jewish and Christian Traditions explores the various new religions that have grown out of these two Abrahamic faiths. Groups such as the Shakers, the People's Temple, the Branch Davidians, Jehovah's Witnesses, and others are examined. Volume 3: Metaphysical, New Age, and Neopagan Movements looks at Shamanism, Spiritualism, Wicca, and Paganism among other movements as they have developed and grown in the U.S. These faiths have found new and devoted followers yet are often misunderstood. Volume 4: Asian Traditions focuses on those new and alternative religions that have been inspired by Asian religious traditions. From Baha'i to Soka Gakkai, from Adidam to the

Vedanta Society contributors look at a full range of groups practicing and worshiping in the U S today Volume 5 African Diaspora Traditions and Other American Innovations examines the various traditions linked to the African diaspora such as Rastafarianism Santeria and the Nation of Islam alongside traditions that are truly American incarnations like Scientology UFO religions and Heaven s Gate Some of the new and alternative religions covered in these pages include Shamanism Wicca Black Israelites Santeria Scientology Elan Vital Hare Krishna Soka Gakkai and many more The Ohio Frontier R. Douglas Hurt,1998-08-22 A vivid panorama of the transitional years when Ohio evolved from a raw frontier territory to an established province of an ever expanding nation Booklist Nowhere on the American frontier was the clash of cultures more violent than on the Ohio frontier First settled by migrating Native Americans about 1720 and later by white settlers Ohio became the crucible which set indigenous and military policy throughout the region There Shawnees Wyandots and Delawares among others fought to preserve their land claims A land of opportunity refuge and violence for both Native Americans and whites Ohio served as the political economic and social foundation for the settlement of the Old Northwest Finally after nearly twenty five years a high quality general history of the frontier period of the state of Ohio A dynamic account that should delight both Transappalachian frontier scholars and interested amateurs History This exhaustively researched and well written book provides a comprehensive history of Ohio from 1720 to 1830 Journal of the Early Republic

*Routledge Library Editions: Sociology of Religion* Various,2021-07-14 This set collects together in 19 volumes a wealth of texts on Sociology of Religion An invaluable reference resource it contains classic books on a wide range of topics including religion and violence religion and family life religion and society culture and class *The Shakers* Fakhr al-Dīn Ibrāhīm ʿIrāqī,1983 Discusses the theology of the Shaker religion and examines the attitudes of the Shakers toward celibacy and community A Shaker Musical Legacy Robert C. Opdahl,Viola E. Woodruff Opdahl,2004 A unique collection of Shaker songs and dances that keeps alive this important musical heritage *Religion and Sexuality* Lawrence Foster,1981 Most writers have treated these three groups and the social ferment out of which they grew as simply an American sideshow In this book therefore I have attempted to go beyond the conventional focus on what these groups did I have also sought to explain why they did what they did and how successful they were in terms of their own objectives By trying sympathetically to understand these extraordinary experiments in social and religious revitalization I believe it is possible to come to terms with a broader set of questions that affect all men and women during times of crisis and transition From the preface Winner of the Best Book Award Mormon History Association **Two Hundred Years of American Communes** Yaacov Oved,2017-09-08 The United States is the only modern nation in which communes have continuously existed for the past two hundred years This definitive history of communes in America examines the major factors that have supported the existence and growth of communes throughout American history The most impressive survey of the communal experience since the works of Noyes and Nordhoff it is informed by a deep respect for the human subjects and organizational forms of American

communes The findings in the analytical chapters are of considerably theoretical import beyond the historical narrative Oved details the founding growth development and sometimes failure of alternative societies from 1735 to 1939 Icaria Ephrata Oneida Shaker religious secular and socialist communes Extensive reference material cited will assure this work a special place in the archives of the literature on communes

**The Story of the Shakers (Revised Edition)** Flo Morse, 2016-02-01 Featuring a new introduction a compassionate look at a religious movement that shaped America Put your hands to work and your hearts to God Mother Ann Lee told her spiritual children more than 200 years ago Today as the number of Shakers has dwindled to only a handful the story of the Shakers has never been more important to record and understand In this classic book featuring a brand new introduction Flo Morse offers a stimulating graceful summary of Shaker beliefs and the way of life that still endures among a chosen few

**An Ordered Love** Louis J. Kern, 2014-07-01 An Ordered Love is the first detailed study of sex roles in the utopian communities that proposed alternatives to monogamous marriage The Shakers 1779 1890 the Mormons 1843 90 and the Oneida Community 1848 79 The lives of men and women changed substantially when they joined one of the utopian communities Louis J Kern challenges the commonly held belief that Mormon polygamy was uniformly downgrading to women and that Oneida pantagamy and Shaker celibacy were liberating for them Rather Kern asserts that changes in sexual behavior and roles for women occurred in ideological environments that assumed women were inferior and needed male guidance An elemental distrust of women denied the Victorian belief in their moral superiority attacked the sanctity of the maternal role and institutionalized the dominance of men over women These utopias accepted the revolutionary idea that the pleasure bond was the essence of marriage They provided their members with a highly developed theological and ideological position that helped them cope with the ambiguities and anxieties they felt during a difficult transitional stage in social mores Analysis of the theological doctrines of these communities indicates how pervasive sexual questions were in the minds of the utopians and how closely they were related to both reform social perfection and salvation individual perfection These communities saw sex as the point at which the demands of individual selfishness and the social requirements of self sacrifice were in most open conflict They did not offer their members sexual license but rather they established ideals of sexual orderliness and moral stability and sought to provide a refuge from the rampant sexual anxieties of Victorian culture Kern examines the critical importance of considerations of sexuality and sexual behavior in these communities recognizing their value as indications of larger social and cultural tensions Using the insights of history psychology and sociology he investigates the relationships between the individual and society ideology and behavior and thought and action as expressed in the sexual life of these three communities Previously unused manuscript sources on the Oneida Community and Shaker journals and daybooks reveal interesting and sometimes startling information on sexual behavior and attitudes

The Oxford Dictionary of the Christian Church Andrew Louth, 2022-02-17 Uniquely authoritative and wide ranging in its scope The Oxford Dictionary of the Christian Church is the indispensable reference work on all

aspects of the Christian Church It contains over 6 500 cross referenced A Z entries and offers unrivalled coverage of all aspects of this vast and often complex subject from theology churches and denominations patristic scholarship and the bible to the church calendar and its organization popes archbishops other church leaders saints and mystics In this new edition great efforts have been made to increase and strengthen coverage of non Anglican denominations for example non Western European Christianity as well as broadening the focus on Christianity and the history of churches in areas beyond Western Europe In particular there have been extensive additions with regards to the Christian Church in Asia Africa Latin America North America and Australasia Significant updates have also been included on topics such as liturgy Canon Law recent international developments non Anglican missionary activity and the increasingly important area of moral and pastoral theology among many others Since its first appearance in 1957 the ODCC has established itself as an essential resource for ordinands clergy and members of religious orders and an invaluable tool for academics teachers and students of church history and theology as well as for the general reader

**Frontier Mission** Walter Brownlow Posey, 2021-10-21 Religion is viewed here as the great cultural force which introduced and preserved civilization in the era of westward expansion from 1776 to the eve of the Civil War In this first major study of religion in the South Mr Posey surveys the work of the seven chief denominations Methodist Baptist Presbyterian Disciples of Christ Cumberland Presbyterian Roman Catholic and Protestant Episcopal as they developed in the frontier region that now comprises the states of Kentucky Tennessee Alabama Mississippi Louisiana Texas Arkansas and Missouri The great challenges faced by the churches Mr Posey believes were first the barbarism continually threatening a people isolated in a savage wilderness and second the materialism likely to engross minds preoccupied with the hard necessities of frontier survival Many frontiersmen who had wandered across the mountains to escape the trammels and restrictions of an established society were distrustful of traditional religion and some forgot their inherited beliefs entirely To overcome these attitudes demanded new approaches As organizations the churches faced great obstacles in attempting to minister to the folk on the moving frontier One early answer was the camp meeting and many of its features an emphasis upon fervid emotion and individualism and the active participation and use of untrained people in religious services continued as dominant elements in frontier religion Indeed those churches flexible enough to make use of these appeals were the most successful in spreading their beliefs But inherent in the emotion and individualism was the danger of fragmentation a danger most tragically evident when the slavery controversy split most southern denominations from their northern brethren In education the churches fared better even those that were at first skeptical of its benefits were by the time of the Civil War actively engaged in its support But overall the southern churches were hampered by too little money for the support of priests and preachers too little communication between isolated congregations and too little regard for service to the community At the center of the churches work the care of congregations the missions to the Indians and the Negroes and the founding of educational institutions were the frontier ministers Mr Posey pictures these men stern

and hard but full of zeal as performing a stupendous task in their efforts to build and maintain spiritual life on the southern frontier

**Socialism and American Life, Volume II** Donald Drew Egbert, Stow Persons, 2015-12-08 Easily the most comprehensive and useful work on American socialism including its history theories and impact on life culture and economic and political parties in the United States Volume 2 bibliography is as important a contribution as the essays Hereafter students of practically all phases of American life will turn to it for help and guidance U S Quarterly Book Review Originally published in 1952 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

### **Shaker Adventure Introduction**

Shaker Adventure Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Shaker Adventure Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Shaker Adventure : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Shaker Adventure : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Shaker Adventure Offers a diverse range of free eBooks across various genres. Shaker Adventure Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Shaker Adventure Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Shaker Adventure, especially related to Shaker Adventure, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Shaker Adventure, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Shaker Adventure books or magazines might include. Look for these in online stores or libraries. Remember that while Shaker Adventure, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Shaker Adventure eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Shaker Adventure full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Shaker Adventure eBooks, including some popular titles.

## FAQs About Shaker Adventure Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Shaker Adventure is one of the best book in our library for free trial. We provide copy of Shaker Adventure in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Shaker Adventure. Where to download Shaker Adventure online for free? Are you looking for Shaker Adventure PDF? This is definitely going to save you time and cash in something you should think about.
