Shakespeare In Germany 1590 1700 With Translations Of Five Early Plays

Library of Congress

Shakespeare In Germany 1590 1700 With Translations Of Five Early Plays:

Shakespeare in Germany, 1590-1700 Ernest Brennecke, 1964 Early Modern German Shakespeare: Hamlet and Romeo and Juliet Lukas Erne, Kareen Seidler, 2020-03-19 This book is a translation of German versions of both Hamlet and Romeo and Juliet The introductions to each play place these versions of Shakespeare's plays in the German context and offer insights into what we can learn about the original texts from these translations English itinerant players toured in northern continental Europe from the 1580s Their repertoires initially consisted of plays from the London theatre but over time the players learnt German and German players joined the companies as a result of which the dramatic texts were adapted and translated into German A number of German plays now extant have a direct connection to Shakespeare Four of them are so close in plot character constellation and at times even language to their English originals that they can legitimately be considered versions of Shakespeare's plays This volume offers fully edited translations of two such texts *Der Bestrafte Brudermord* Fratricide Punished Hamlet and *Romio und Julieta* Romeo and Juliet With full scholarly apparatus these texts are of seminal interest to all scholars of Shakespeare's texts and their transmission over time in print translation and performance **Shakespeare and the Translation of Identity in Early Modern England** Liz Oakley-Brown, 2011-06-16

Shakespeare and the Language of Translation Ton Hoenselaars, 2014-05-13 Shakespeare's international status as a literary icon is largely based on his masterful use of the English language yet beyond Britain his plays and poems are read and performed mainly in translation Shakespeare and the Language of Translation addresses this apparent contradiction and is the first major survey of its kind Covering the many ways in which the translation of Shakespeare's works is practised and studied from Bulgaria to Japan South Africa to Germany it also discusses the translation of Macbeth into Scots and of Romeo and Juliet into British Sign Language The collection places renderings of Shakespeare's works aimed at the page and the stage in their multiple cultural contexts including gender race and nation as well as personal and postcolonial politics Shakespeare's impact on nations and cultures all around the world is increasingly a focus for study and debate As a result the international performance of Shakespeare and Shakespeare in translation have become areas of growing popularity for both under and post graduate study for which this book provides a valuable companion Studies in Seventeenth-Century English Literature, History and Bibliography, 2021-11-01 *Calderón in the German Lands and the Low Countries* Henry W. Sullivan, 2009-10-29 This book recounts the afterlife of the great Golden Age dramatist Pedro Calderón de la Barca in Dutch and German speaking Europe The high quality of the German critical and philosophical tradition has led to a far greater appreciation of Calderón outside than inside his native Spain and it is in the German territories that the playwright's influence has been most remarkable and widespread Professor Sullivan documents and analyses Calderón's reception and influence on the stage and on playwriting criticism philosophy and music in these territories In addressing his book to students of both the German and the Spanish traditions Professor Sullivan has supplied the necessary background to both

cultures and has rendered all quotations into English The range of material will also make the book important for students of philosophy comparative drama and German opera Renaissance Shakespeare: Shakespeare Renaissances Martin Procházka,Andreas Höfele,Hanna Scolnicov,Michael Dobson,2013-12-12 Selected contributions to the most prestigious international event in Shakespeare studies the Ninth World Shakespeare Congress 2011 represent major trends in the field in historical and present day contexts Special attention is given to the impact of Shakespeare on diverse cultures from the Native Americans to China and Japan **Shakespearean Criticism** Various,2021-06-23 Reissuing works originally published between 1984 and 1995 this set brings back into print early volumes from the Shakespearean Criticism Series originally edited by Joseph Price The books present selections of renowned scholarship on each play touching on performances as well as the dramatic literature The pieces included are a mixture of influential historical criticism more modern interpretations and enlightening reviews most of which were published in wide spread places before these compilations were first made Companions to the plays these books showcase critical opinion and scholarly debate *Four Hundred Years of Shakespeare in Europe* Angel-Luis Pujante,A. J. Hoenselaars,2003 Table of contents *Titus Andronicus* Philip C. Kolin,2015-04-10 Originally published in 1995 In three parts introduction criticism and reviews this volume examines the goriest of Shakespeare s works The editor s exhaustive introduction runs through the pattern of changing scholarship and commentary introducing the key interests in the play from its authorship to its language rhetoric and performance Early commentaries focused on arguing about whether the play was truly Shakespeare s A selection of the most important of these are included here followed by later investigations looking at myriad topics and characters revenge violence race Aaron women tragedy and Tamora The large section of reviews of stage performances arranged chronologically ranges from 1857 to 1990 Two final pieces interestingly survey stage history of Titus in Japan and in Germany *The Oxford Handbook of Shakespeare* Arthur F. Kinney,2012 Contains forty original essays *The Text, the Play, and the Globe* Joseph Candido,2016-06-27 The purpose of this book is to honor the scholarly legacy of Charles R Forker with a series of essays that address the problem of literary influence in original ways and from a variety of perspectives The emphasis throughout is on the sort of careful exhaustive evidence based scholarship to which Forker dedicated his entire professional life Although wide ranging and various by design the essays in this book never lose sight of three discrete yet overlapping areas of literary inquiry that create a unity of perspective amid the diversity of approaches 1 the formation of play texts textual analysis and editorial practice 2 performance history and the material playing conditions from Shakespeare s time to the present including film as well as stage representations and 3 the world both cultural and literary in which Shakespeare and his contemporaries worked and to which they bequeathed an artistic legacy that continues to be re interpreted and re defined by a whole new set of cultural and literary pressures Eschewing any single predetermined ideological perspective the essays in this book call our attention to how the simplest questions or observations can open up provocative and unexpected scholarly

vistas In so doing they invite us into a subtly re configured world of literary influence that draws us into new often unexpected ways of seeing and understanding the familiar **The New Cambridge Bibliography of English Literature: Volume 1, 600-1660** George Watson,Ian Roy Willison,1974-08-29 More than fifty specialists have contributed to this new edition of volume 1 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries

Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1967 Includes Part 1 Number 2 Books and Pamphlets Including Serials and Contributions to Periodicals July December Titus Andronicus William Shakespeare,2018-01-25 Titus Andronicus is one of Shakespeare s earliest and bloodiest tragedies and was hugely successful in his lifetime Subsequent generations have struggled with its bold confrontation of violence but in the 20th and 21st centuries the play has chimed with audiences again perhaps because of its simultaneously shocking and playful approach to violent revenge and bodily mutilation Jonathan Bate s original Arden edition was first published in 1995 and has had a significant influence on how the play has been performed and studied in the past 20 years This revised edition includes a new 10 000 word introductory essay in which Bate reassess his views on the play s co authorship with George Peele in the light of contemporary textual scholarship and updates his lively account of the play s performance history on the international stage and screen With detailed on page commentary notes this will continue to be the edition of choice for students scholars and theatre makers **Hamlet: A Critical Reader** Ann Thompson,Neil Taylor,2016-04-21 Hamlet remains the most studied of all Shakespeare s great tragedies This collection of newly commissioned essays gives readers an overview of past critical views of the play as well as new writing about the play from today s leading scholars The range of perspectives offered makes the book an invaluable companion to anyone studying the play at an advanced level The final chapter on learning and teaching resources is particularly useful as a guide for further study *Catalog of Copyright Entries* Library of Congress. Copyright Office,1968 **Medieval and Renaissance Drama in England** Mary Bly,S. P. Cerasano,2013 Medieval and Renaissance Drama in England is an international journal committed to the publication of essays and reviews relevant to drama and theatre history to 1642 This issue includes eleven new articles and reviews of twelve books *Library of Congress Catalogs* Library of Congress,1964 University of California Union Catalog of Monographs Cataloged by the Nine Campuses from 1963 Through 1967: Authors & titles University of California (System).
