discoveries in the late 1990s and early 2000s These present massive problems for professors of English to combat in a convincing manner Supreme Court Justice John Paul Stevens 1991 For present purposes I shall confine my analysis to the Sherlock Holmes principle that sometimes the fact that a watchdog did not bark may provide a significant clue about the identity of a murderous intruder This concern directs our attention to three items of the Shakespeare authorship controversy First it is of interest that there is no mention of any library or of any books at all in his will and no evidence that his house in Stratford ever contained a library Second his son in law s detailed medical journals contain no mention of the doctor s illustrious father in law Finally is the fact that is most puzzling to me the seven year period of silence that followed Shakespeare s Shakspeare s death in 1616 Until the First Folio was published in 1623 there seems to have been no public comment in any part of England on the passing of the greatest literary genius in the country s history It does seem odd that not even a cocker spaniel or a dachshund made any noise at all when he passed from the scene Shakespeare's Queer Children Kate Chedgzoy,1995 This book argues that Shakespeare is not the exclusive possession of any one social group or cultural formation but has provided an enabling and empowering resource which has allowed other radical voices to be heard ABA Journal ,1964-11 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association **ABA Journal** ,1963-12 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association *Shakespeare's Third Keyboard* Lorna Flint,2000 This book springs from an unaccountable gap among the rows of Shakespeare Studies on bookshop and library shelves Playgoers and readers with insatiable appetites for every kind of commentary on Shakespeare s work who discover some volumes devoted to his style may find a musical metaphor illuminating that Shakespeare had three keyboards at his disposal The first blank verse and the second prose have attracted some critical attention but the third his rime as his contemporary printers spelled it has been neglected This study aims to fill that gap BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved
