William Shakespeare

Shakespeare In The London Theatre 1855 58:

Shakespeare in the London Theatre 1855-58 Theodor Fontane, 1999

Shakespeare in the Victorian Periodicals

Kathryn Prince, 2011-02-11 Based on extensive archival research Shakespeare in the Victorian Periodicals offers an entirely new perspective on popular Shakespeare reception by focusing on articles published in Victorian periodicals Shakespeare had already reached the apex of British culture in the previous century becoming the national poet of the middle and upper classes but during the Victorian era he was embraced by more marginal groups If Shakespeare was sometimes employed as an instrument of enculturation imposed on these groups he was also used by them to resist this cultural hegemony

Shakespeare Stanley Wells, 2003 From the entry of Shakespeare's birth in the Stratford church register to a Norwegian production of Macbeth in which the hero was represented by a tomato this enthralling and splendidly illustrated book tells the story of Shakespeare's life his writings and his afterlife Drawing on a lifetime's experience of studying teaching editing and writing about Shakespeare Stanley Wells combines scholarly authority with authorial flair in a book that will appeal equally to the specialist and the untutored enthusiast Chapters on Shakespeare's life in Stratford and in London offer a fresh view of the development of the writer's career and personality At the core of the book lies a magisterial study of the writings themselves how Shakespeare set about writing a play his relationships with the company of actors with whom he worked his developing mastery of the literary and rhetorical skills that he learned at the Stratford grammar school the essentially theatrical quality of the structure and language of his plays Subsequent chapters trace the fluctuating fortunes of his reputation and influence Here are accounts of adaptations productions and individual performances in England and increasingly overseas of great occasions such as the Garrick Jubilee and the tercentenary celebrations of 1864 of the spread of Shakespeare's reputation in France and Germany Russia and America and more recently the Far East of Shakespearian discoveries and forgeries of critical reactions favorable and otherwise and of scholarly activity of paintings music films and other works of art inspired by the plays of the plays use in education and the political arena and of the pleasure and intellectual stimulus that they have given to an increasingly international public Shakespeare said Ben Jonson was not of an age but for all time This is a book about him for our time

Performing Shakespeare in the Age of Empire

Richard Foulkes, 2006-12-14 Explores the political and social uses of Shakespeare through the nineteenth and into the twentieth century

New Theatre Quarterly 62: Volume 16, Part 2 Clive Barker, Simon Trussler, 2000-08-17 New Theatre Quarterly provides a lively international forum where theatrical scholarship and practice can meet and where prevailing dramatic assumptions can be subjected to vigorous critical questioning It shows that theatre history has a contemporary relevance that theatre studies need a methodology and that theatre criticism needs a language The journal publishes news analysis and debate within the field of theatre studies Articles in volume 62 include Staging and Storytelling Theatre and Film Richard III at Stratford The Theatrical Biosphere and Ecologies of Performance The Afro Caribbean Identity and the

English Stage A Riposte to David Mamet Heresy and Common Sense in True and False Form as Weapon the Political Function of Song in Urban Zimbabwean Theatre Aphrodite Speaks on the recent Performance Art of Carolee Schneemann Theatre and Urban Space the Case of Birmingham Rep Across Two Eras Slovak Theatre from Communism to Independence Whatever Happened to Gay Theatre **The Cambridge Companion to Victorian and Edwardian Theatre** Kerry Powell, 2004-02-19 This Companion is designed for readers interested in the creation production and interpretation of Victorian and Edwardian theatre in its own time and on the contemporary stage The volume opens with an introduction surveying the theatre of the time followed by an essay contextualizing the theatre within the culture as a whole Succeeding chapters examine performance production and theatre including the music the actors stagecraft and the audience plays and playwriting and issues of class and gender Chapters also deal with comedy farce melodrama and the economics of the theatre

Shakespeare and the Victorians Stuart Sillars, 2013-11 Shakespeare and the Victorians explores the place of Shakespeare in Victorian culture and shows how the plays and the man became central to all levels of Victorian life and thought

Shakespeare And The Victorians Adrian Poole, 2014-03-20 Adrian Poole examines the Victorian s obsession with Shakespeare his impact upon the era s consciousness and the expression of this in their drama novels and poetry The book features detailed discussion of the interpretations and applications of Shakespeare by major figures such as Dickens and Hardy Tennyson and Browning as well as those less well known **Shakespeare and Accentism** Adele Lee, 2020-12-28 This collection explores the consequences of accentism an under researched issue that intersects with racism and classism in the Shakespeare industry across languages and cultures past and present It adopts a transmedia and transhistorical approach to a subject that has been dominated by the study of Original Pronunciation Yet the OP project avoids linguistically foreign characters such as Othello because of the additional complications their aberrant speech poses to the reconstruction process It also evades discussion of contemporary global practices and underpinning the enterprise is the search for an aural purity that arguably never existed By contrast this collection attends to foreign speech patterns in both the early modern and post modern periods including Indian East Asian and South African and explores how accents operate as metasigns reinforcing ethno racial stereotypes and social hierarchies It embraces new methodologies which includes reorienting attention away from the visual and onto the aural dimensions of performance **A Companion to Shakespeare and Performance**

Barbara Hodgdon, W. B. Worthen, 2008-04-15 A Companion to Shakespeare and Performance provides a state of the art engagement with the rapidly developing field of Shakespeare performance studies Redraws the boundaries of Shakespeare performance studies Considers performance in a range of media including in print in the classroom in the theatre in film on television and video in multimedia and digital forms Introduces important terms and contemporary areas of enquiry in Shakespeare and performance Raises questions about the dynamic interplay between Shakespearean writing and the practices of contemporary performance and performance studies Written by an international group of major scholars

teachers and professional theatre makers *Lives of Shakespearian Actors, Part III, Volume 2* Gail Marshall, Tetsuo Kishi, Richard Foulkes, Julia Swindells, Robert Sawyer, David Francis Taylor, 2024-05-17 Features actors who were significant in their development of new and innovative ways of performing Shakespeare This title contains extracts from diaries memoirs private letters and obituaries that present a contemporary account of their acting achievements and personal lives **The Ancient World on the Victorian and Edwardian Stage** J. Richards, 2009-10-09 The first study of the depictions of the Ancient World on the Victorian and Edwardian stage this book analyzes plays set in and dramatising the histories of Greece Rome Egypt Babylon and the Holy Land In doing so it seeks to locate theatre within the wider culture tracing its links and interaction with other cultural forms *Queen Victoria and the Theatre of Her Age* R. Schoch, 2004-01-28 A fresh and intimate portrait of Queen Victoria at the play Through Victoria's diary artwork and correspondence we see her as enraptured spectator bountiful patron and tyrannical director of private theatricals At times she appears formidable More frequently she is impudent high spirited and unruly a woman who delights in gory melodramas and circus acts Queen Victoria and the Theatre of Her Age gives readers a deeply personal account of her lifelong devotion to the stage It will appeal to anyone interested in monarchy's place in popular culture *Hamlet: A Critical Reader* Ann Thompson, Neil Taylor, 2016-04-21 Hamlet remains the most studied of all Shakespeare's great tragedies This collection of newly commissioned essays gives readers an overview of past critical views of the play as well as new writing about the play from today's leading scholars The range of perspectives offered makes the book an invaluable companion to anyone studying the play at an advanced level The final chapter on learning and teaching resources is particularly useful as a guide for further study **The Routledge Companion to Directors' Shakespeare** John Russell Brown, 2009-06-02 The Routledge Companion to Directors Shakespeare is a major collaborative book about plays in performance Thirty authoritative accounts describe in illuminating detail how some of theatre's most talented directors have brought Shakespeare's texts to the stage Each chapter has a revealing story to tell as it explores a new and revitalising approach to the most familiar works in the English language A must have work of reference for students of both Shakespeare and theatre this book presents some of the most acclaimed productions of the last hundred years in a variety of cultural and political contexts Each entry describes a director's own theatrical vision and methods of rehearsal and production These studies chart the extraordinary feats of interpretation and innovation that have given Shakespeare's plays enduring life in the theatre Notable entries include Ingmar Bergman Peter Brook Declan Donnellan Tyrone Guthrie Peter Hall Fritz Kortner Robert Lepage Joan Littlewood Ninagawa Yukio Joseph Papp Roger Planchon Max Reinhardt Giorgio Strehler Deborah Warner Orson Welles Franco Zeffirelli No Way Back Theodor Fontane, 2013-06-06 A rich and enjoyable novel about marriage love and betrayal from the great German realist Theodor Fontane Charming cheerful Count Holk is delighted to be called away from his solemn wife to the distant court of a Danish princess Swept up in the romance of his new lively surroundings at a castle by the sea the Count does not

realize that not everyone there is what they seem and that a wrong decision may have fatal consequences Published in 1892 this tragicomic work of failing marriage and modern sexual politics is full of the irony elegance and masterful dialogue for which Theodor Fontane is acclaimed Theodor Fontane was born in the Prussian province of Brandenburg in 1819 After qualifying as a pharmacist he made his living as a writer From 1855 to 1859 he lived in London and worked as a freelance journalist and press agent for the Prussian embassy While working as a war correspondent during the Franco Prussian war of 1870-1 he was taken prisoner but released after two months His first novel *Before the Storm* was published when he was fifty eight and was followed by sixteen further novels of which *Effi Briest* *No Way Back* and *On Tangled Paths* are all published in Penguin Classics He died in 1898 Hugh Rorrison and Helen Chambers have both published extensively on German literature and translated together the Penguin Classics translation of Fontane's *Effi Briest* *No Way Back* has the amplitude the social and personal varieties we expect of the major social novel it surely ranks among the most imaginatively challenging and intellectually satisfying attainments in that dominant nineteenth century form Paul Binding *The Spectator* Helen Chambers and Hugh Rorrison have improved on the previous English version natural idiomatic Ritchie Robertson *Times Literary Supplement* Theodor Fontane's standing in Germany is comparable to Jane Austen's in the English speaking world his best work is an elegant and engaging blend of irony penetration and compassion Helen Chambers *Shakespeare, Music and Performance* Bill Barclay, David Lindley, 2017-04-13 Music has been an essential constituent of Shakespeare's plays from the sixteenth century to the present day yet its significance has often been overlooked or underplayed in the history of Shakespearean performance Providing a long chronological sweep this collection of essays traces the different uses of music in the theatre and in film from the days of the first Globe and Blackfriars to contemporary global productions With a unique concentration on the performance aspects of the subject the volume offers a wide range of voices from scholars to contemporary practitioners including an interview with the critically acclaimed composer Stephen Warbeck and thus provides a rich exploration of this fascinating history from diverse perspectives **Adapting King Lear for the Stage** Lynne Bradley, 2016-03-16 Questioning whether the impulse to adapt Shakespeare has changed over time Lynne Bradley argues for restoring a sense of historicity to the study of adaptation Bradley compares Nahum Tate's *History of King Lear* 1681 adaptations by David Garrick in the mid eighteenth century and nineteenth century Shakespeare burlesques to twentieth century theatrical rewritings of *King Lear* and suggests latter day adaptations should be viewed as a unique genre that allows playwrights to express modern subject positions with regard to their literary heritage while also participating in broader debates about art and society In identifying and relocating different adaptive gestures within this historical framework Bradley explores the link between the critical and the creative in the history of Shakespearean adaptation Focusing on works such as Gordon Bottomley's *King Lear's Wife* 1913 Edward Bond's *Lear* 1971 Howard Barker's *Seven Lears* 1989 and the Women's Theatre Group's *Lear's Daughters* 1987 Bradley theorizes that modern rewritings of

Shakespeare constitute a new type of textual interaction based on a simultaneous double gesture of collaboration and rejection. She suggests that this new interaction provides constituent groups such as the feminist collective who wrote *Lear's Daughters* a strategy to acknowledge their debt to Shakespeare while writing against the traditional and negative representations of femininity they see reflected in his plays.

Macbeth William Shakespeare, 2004-06-17 This is a detailed account of the theatre history of Shakespeare's *Macbeth* from 1607 to the present day. The shortest of the tragedies, *Macbeth* is compressed, complex and ambiguous and has been variously interpreted. The Introduction describes major productions and performers including David Garrick, Sarah Siddons, Henry Irving, Ellen Terry and Laurence Olivier. Sarah Siddons, the greatest Lady Macbeth, portrayed her as a ruthlessly ambitious woman who dominated her husband. Irving, on the other hand, saw Macbeth as a bloody-minded villain, unlike his wife played by Ellen Terry, who was gentle and devoted. Ian McKellen and Judi Dench in the most successful production of the last century were united in their ambition and pursuit of evil. A detailed commentary alongside the New Cambridge Shakespeare text of the play describes how specific episodes and passages have been interpreted in the theatre.

King Richard III William Shakespeare, 2014-09-25 Richard III is one of the great Shakespearean characters and roles. James R. Siemon examines the attraction of this villain to audiences and focuses on how beguiling, even funny, he can be, especially in the earlier parts of the play. Siemon also places *King Richard III* in its historical context: as Elizabeth I had no heirs, the issue of succession was a very real one for Shakespeare's audience. The introduction is well illustrated and provides a comprehensive account of the play and of critical approaches to it. The edition also provides a clear and authoritative playtext edited to the most rigorous standards of scholarship, with detailed notes and commentary on the same page. With a wealth of helpful and incisive commentary, the Arden Shakespeare is the finest edition of Shakespeare you can find, giving a deeper understanding and appreciation of his work.

Thank you for reading **Shakespeare In The London Theatre 1855 58**. Maybe you have knowledge that, people have look numerous times for their favorite novels like this Shakespeare In The London Theatre 1855 58, but end up in infectious downloads.
