Lords Table Eucharist And Passover In Early Christianity:

The Lord's Table Gillian Feeley-Harnik, 2017-01-30 No detailed description available for The Lord's Table **Handbook of Early Christianity** Anthony J. Blasi, Jean Duhaime, Paul-André Turcotte, 2002-08-27 The Christian movement emerged amidst complex social tensions power politics ethnic diversity economic stress and cultural changes Both biblical scholars and social scientists find that a social scientific study of early Christian phenomena yields fascinating results However biblical scholars are sometimes unaware of the breadth of the useful social scientific concepts and techniques and social scientists sometimes lack the most basic background in literary research methods The Handbook of Early Christianity provides a much needed overview for biblical scholars and social scientists alike Drawing on perspectives from anthropology archaeology economics history literary analysis psychology political science and sociology the Handbook shows the myriad and complementary approaches that shed light on Christianity's formation and early development Twenty seven chapters from leading scholars along with a comprehensive bibliography make this an essential reference for anyone wishing to understand the social dynamics of Christianity's birth *Crossing Boundaries in Early Judaism and Christianity* Kimberley Stratton, Andrea Lieber, 2016-10-11 This volume celebrates the scholarship of Alan Segal During his prolific career Alan published ground breaking studies that shifted scholarly conversations about Christianity rabbinic Judaism Hellenism and Gnosticism Like the subjects of his research Alan crossed many boundaries He understood that religions do not operate in academically defined silos but in complex societies populated by complicated human beings Alan's work engaged with a variety of social scientific theories that illuminated ancient sources and enabled him to reveal new angles on familiar material This interdisciplinary approach enabled Alan to propose often controversial theories about Jewish and Christian origins A new generation of scholars has been nurtured on this approach and the fields of early Judaism and Christianity emerge radically redefined as a result **A Scriptural Theology of Eucharistic Blessings** Susan I. Bubbers, 2013-09-12 This study examines the scriptural justification for believers to expect the Eucharist to be a place where God will come and bless them with freedom and formation Bubbers focus is not on liturgy but rather on the biblical message of the benefits of participation in the Eucharist Why keep this Feast Why is Eucharist important Bubbers interpretive approach is a synthesis of historical literary aspects of Biblical Theology and canonical creedal aspects of the Theological Reading of Scripture taking into account the biblical historical place of Eucharist as well as its ongoing presence within the Church Bubbers begins by displaying the Last Supper as a Passover meal which bridges between Old Testament motifs and the New Testament Feast She then shows that the Exodus context reveals a paradigm which links blessing with remembrance and suggests that the remembrance motif describes these blessings Finally Bubbers gathers a catalogue of specific blessings summarized by freedom and formation Her conclusion is that the Feast is a divinely designed paradigm for worship which is accompanied by a promise of transformational encounters Voices of Early Christianity Kevin W. Kaatz, 2013-02-27 This fascinating

resource examines the day to day lives of early Christians as depicted through documented accounts of the period from the beginning of Christianity through 325 CE Early Christianity drew its doctrine from a variety of sources personal interpretation Hebrew scriptures and church council yet the core ideology endured even as the religion transitioned from being the object of persecution to becoming a legal institution in the Roman Empire This book celebrates the voices that helped create and develop Christianity during that period Voices of Early Christianity Documents from the Origins of Christianity is a collection of excerpts from significant documents from early Christian history organized topically then listed chronologically within each section The author compares textual variations among the works of the apostles as well as key themes over time and frames the discussion for further critical thinking Topics include sexuality marriage and divorce food issues women in early Christianity and politics and Christianity

In the Shadow of the Temple Oskar Skarsaune, 2025-08-04 Oskar Skarsaune makes a fresh contribution to our understanding of the development of the early church in its practice e g worship baptism and Eucharist and doctrine e g Scripture Christology pneumatology This book offers the new perspective that Christians were in ongoing and deep conversation with Jews during the early centuries leading up to Constantine The common perception of a drastic parting of the ways after the destruction of Jerusalem in 70 A D has tended to distort our understanding of the succeeding decades and centuries of Jewish and Christian history Notwithstanding the fact that there were points of bitterness and strife the relationship is better viewed as that of a younger and older sibling There is much evidence of interaction between the early Christians and rabbinic Judaism both at the level of leadership and laypeople and this left its impression on the church Skarsaune gives us numerous fascinating episodic and topical glimpses into this untold story

Translation, Transformation and Transubstantiation in the Late Middle Ages Carol Poster, Richard J. Utz, 1998 This is the third volume in a series of studies on the late Middle Ages covering the period from around 1300 to 1550 Each volume aims to provide exhaustive and diverse treatments of one significant example of late medieval culture Volume three explores transformation and translation
